 93 Park Headquarters, Hillside Street.
 94 Forest Street, Quincy Line.
 95 Randolph Avenue, Quincy Line.
 96 Randolph Avenue and Highland Street.
 *Special Signals.

Special
Signals
for Fires
in the
Blue Hills
Reservation

Directions for Sounding an Alarm

Open outside door of Fire Alarm Box, then pull the hook down ONCE and let go.
 Remain at Box until arrival of Firemen and direct them to the Fire.

Signals

- 1 One blow, 7:30 a.m., 12 m., 5:45 p.m. Fire Alarm Tests.
 1-1 Two blows, Recall.
 1-1-1 Three blows followed by four rounds of box number, General Alarm.

Signal for No School

The signal 2-2 sounded four times on the fire alarm at 7:15 o'clock means no school sessions for all schools for entire day.
 7:30 o'clock means no sessions for all schools below the Junior High School for the entire day.

11:40 o'clock means no afternoon sessions for all schools below the Junior High School—this signal will not be sounded if the 7:15 signal has been sounded.
 The 7:15 signal will rarely be sounded as it includes the closing of the High and Junior High Schools.

If the 7:15 signal is given, the 7:30 signal will be unnecessary.

JAMES F. HANNA, Chief of Department.

Emergency call for Fire Department should be "Milton Fire Department—Emergency"

GENERAL BYLAWS

GENERAL BYLAWS

Town of Milton, March 10, 1934

AS AMENDED

CHAPTER 1

General Provisions

SECTION 1. The bylaws of the Town adopted March 2, 1902, may be designated as heretofore, as the "Revised Bylaws," but said revised bylaws as heretofore or at this meeting amended may be designated as the General Bylaws.

SECTION 2. So far as the provisions of these bylaws are the same in effect as those of previously existing bylaws, they shall be construed as a continuation of such bylaws, but, subject to said limitations and the provisions of the next section, all bylaws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any bylaw, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECTION 3. These bylaws and the repeal of all bylaws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any bylaw thereby have the effect of reviving any bylaw theretofore repealed or suspended.

SECTION 4. When in a bylaw anything is prohibited from being done without the license or permission of a certain officer, officers or board, such officer, officers, or board shall have the power to license or permit such thing to be done.

SECTION 5. In all these bylaws the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word public way shall include any highway, town way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; the owner or occupant of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word person may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECTION 6. Whoever violates any of the provisions of these bylaws whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECTION 7. Whoever shall refuse or neglect to obey any lawful order of any Town officer or board of Town officers, issued under any of these bylaws, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for every such offence a fine not exceeding twenty dollars.

SECTION 8. Prosecutions for the breach of any of the provisions of these bylaws shall be commenced within six months from such breach.

SECTION 9. Any or all of these bylaws may be repealed or amended or other bylaws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

GENERAL BYLAWS

CHAPTER 2 Town Meetings

SECTION 1. The warrants for all Town meetings shall be directed to the constables of the Town, and notice of such meetings shall be given by posting attested copies of the warrant in each of the post-offices of the Town at least seven days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days, before the day of such meetings.

SECTION 2. The annual meeting for the election of Town Officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the forenoon until six o'clock in the afternoon for the election of such Town Officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

SECTION 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of the annual meeting to the second Saturday of March at one-thirty o'clock in the afternoon.

SECTION 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting. If a motion is susceptible of division it shall be divided and the question put separately upon each part thereof if ten town meeting members so request.

SECTION 5. Upon taking the question, the sense of the meeting shall be taken by the voices of the town meeting members and the Moderator shall first announce the vote as it appears to him by the sound.

If the Moderator is unable to decide by the sound of the voices or if his announcement thereupon is doubted by seven town meeting members arising in their places for that purpose, the Moderator shall request the town meeting members to be seated, and shall appoint tellers; the question then shall be distinctly stated, and those in the affirmative and negative respectively shall be requested to rise and stand in their places until they are counted by the tellers, who shall report their count to the Moderator, who thereupon shall announce the vote. If the vote is further doubted and twenty-five town meeting members arise in their places and ask for a division of the meeting by the taking of the yeas and nays, then the roll of the meeting shall be called in alphabetical order by the Town Clerk and the Moderator shall announce the vote. No town meeting member shall be allowed to vote after the vote is declared.

SECTION 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the town meeting members present and voting thereon, provided that the time which shall elapse between any adjournment and the next calling to order of the meeting following such adjournment shall be excluded in computing the hour since the adoption of said vote.

SECTION 7. If a motion for the previous question is adopted by vote of the meeting no person shall speak to the motion then under consideration more than once or for longer than five minutes without a vote of permission of the meeting, except that the Chairman of the Warrant Committee may speak again to close the debate, but not for more than five minutes.

SECTION 8. When a question is before the meeting, the following motions. viz:—

- to adjourn,
- to lay on the table,
- for the previous question,
- to postpone to a certain time,
- to commit (or recommit) or refer,
- to amend or substitute,

shall have precedence in the order in which they are placed in this section; but no

GENERAL BYLAWS

article in the warrant shall be finally disposed of by a vote to lay on the table, to postpone indefinitely, or to take no action thereunder. In proposed amendments, involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECTION 9. Any person who is employed as an attorney by another person interested in any matter under discussion at a Town meeting shall disclose the fact of his employment before speaking thereon.

SECTION 10. No appropriation of a sum of money exceeding five hundred dollars shall be made until the subject matter thereof has been considered and estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for the purpose in pursuance of a vote of the Town.

CHAPTER 3

The Warrant Committee

SECTION 1. After the final adjournment of the annual Town meeting fifteen legal voters shall be appointed by the Moderator, who shall constitute an advisory committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the final adjournment of the annual Town meeting of the ensuing year.

SECTION 2. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

a. They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

SECTION 3. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meeting; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

SECTION 4. The Warrant Committee shall consider the various articles in the warrants for all the Town Meetings held during the period for which they were appointed including the various articles in the warrant for the annual Town Meeting next after their appointment; they shall also consider all questions submitted to the voters of the Town at any meeting, including State elections; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town. Copies of such reports shall be left at the dwelling houses in the Town at least four days before the day set for consideration of the various articles in the warrant considered by them and at least four days before the day upon which the voters are to consider questions submitted to them at any meeting including State elections.

a. On or before January first of each year each board, committee or officer of the Town shall file with the Selectmen, who shall transmit the same to the Warrant Committee, a statement in detail of the appropriation or appropriations recommended by such board, committee or officer for the work under its or his charge for the ensuing year.

b. The Warrant Committee shall include in its report of recommendations for the annual Town Meeting a statement setting forth the total appropriations so requested, the appropriations recommended, and the totals of such appropriations requested and recommended, and an estimate of the tax rate for the ensuing year if such recommendations are adopted.

GENERAL BYLAWS

CHAPTER 4

The Town's Finances and Property

SECTION 1. The Selectmen shall annually, not less than seven days before the annual town meeting, cause to be printed such number of copies of the annual town report as they shall determine to be sufficient for the use of the inhabitants. Such report shall contain a detailed report of all moneys received into and paid out of the Town treasury during the financial year next preceding, with such information and recommendations as the Selectmen may deem proper; the report of the school committee; the records of the meetings of the Town held since the last annual report; the report of the collector of taxes, of receipts, payments and abatements; a list of births, marriages and deaths, to be furnished by the town clerk; statements concerning the condition and funds of the public library and of the cemetery, to be furnished by the trustees thereof respectively, and statements of all other funds belonging to the Town or held for the benefit of its inhabitants; a statement of the liability of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town for perpetual care of cemetery lots; and such other matters as the said report is required by law to contain, or as may be inserted by the Selectmen under the discretion granted them by law.

SECTION 2. No officer of the Town shall in his official capacity make or pass upon or participate in making or passing upon, any sale, contract or agreement or the terms or amount of any payment in which the Town is interested and in which such officer has any personal interest.

SECTION 3. The Warrant Committee shall send to the Selectmen and to the town accountant certified copies of all votes whereby transfers are made out of the Reserve Fund for extraordinary or unforeseen expenditures.

SECTION 4. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town or its officers in their official capacity and to appear and defend suits brought against it or its officers in their official capacity, unless otherwise ordered by a vote of the Town.

SECTION 5. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless otherwise ordered by a vote of the Town.

SECTION 6. The Selectmen shall appoint a Town Accountant who shall perform the duties prescribed by law. There shall annually be an audit of the accounts of the Town under the supervision of the State Director of Accounts, as provided in General Laws, Chapter 44, section 35.

SECTION 7. Whenever damages may be recovered against the Town under General Laws, chapter 79, entitled "Eminent Domain," the Selectmen, unless otherwise provided by vote of the Town, may exercise in the name and behalf of the Town all the powers granted in section 39 of said chapter relative to settlement of damages, assumption of betterments, offers of settlement, and other matters in said section contained.

SECTION 8. The collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds. If it shall seem advisable to the town collector that suit or suits should be instituted and prosecuted in the name of the Town, in connection with the collection of any accounts due to the Town, he shall so advise the Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

SECTION 9. In addition to the authority to them granted by section 8, the selectmen shall have authority as agents of the town to settle claims against the town, after receiving the advice of the town counsel, payment for such settlements to be taken from the appropriation for the law department.

GENERAL BYLAWS

SECTION 10. Any Board or Officer in charge of a department may, with the approval of the Selectmen, sell any personal property or material not required by said department to an aggregate amount not exceeding \$300 in value in any one fiscal year.

SECTION 11. Except as otherwise provided by law the Selectmen shall have custody of deeds, of bonds of Town officers, of insurance policies and of other similar documents owned by the Town.

SECTION 12. No contract shall be awarded for any work or service, other than professional service, to be performed for the Town by an independent contractor, and no purchase of materials, supplies or equipment shall be made, the estimated cost of which in either case is \$300 or more, unless competitive bids have been invited therefor. Such bids shall be invited by the sending of letters of invitation on the same day to such number of vendors, contractors or other qualified persons deemed by the Town Officer, Board or Committee sufficient to obtain fair competition, and, in the case of all such contracts and of purchases estimated to cost \$1,000 or more such bids shall also be invited by public advertisement by at least one insertion in a newspaper of general circulation in the Town, said letters to be mailed and said advertisements to be published at least ten days before the time stated for the opening of bids. Such invitation shall state where plans and specifications for proposed work or purchases may be obtained, or may contain such plans and specifications, and shall state the time and place at which bids shall be opened and shall reserve to the Board, Officer or Committee the right to reject any or all bids. All bids shall be opened in public at the time and place specified therefor. No purchase or work for which a contract is proposed shall be split or divided for the purpose of evading the provisions of this Section. This Section shall not apply in cases of emergency requiring immediate action for the preservation of life or the protection of property, nor to the purchase of materials, supplies or equipment for which there is no reasonable substitute by reason of natural or actual monopoly, peculiarity of design or type of article, patent right or copyright, certified by the officer, Board or Committee. All bids submitted, plans and specifications, certificates setting forth the reasons why competitive bids were not invited and contracts shall as soon as practicable be filed with the Town Accountant and shall be kept on file at least three years and shall be open to public inspection at reasonable times.

SECTION 13. Every contract for construction work, whether for alterations, repairs or original construction, the estimated cost of which amounts to \$5,000 or more, shall be accompanied by a suitable bond for the performance of the same, or by the deposit of money or security to the amount of the estimated cost.

SECTION 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

CHAPTER 5

The Cemetery

SECTION 1. The sole care, superintendence, management and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

GENERAL BYLAWS

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual Town meeting, when a Trustee shall be elected for the unexpired term.

SECTION 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family subject to these bylaws and the regulations of the Trustees, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECTION 3. The Trustees may sell lots, when and at such rates as they may deem advisable; provided that the rate shall not be less than two dollars a square foot, and the purchasers shall in some way be connected with Milton people.

SECTION 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such land marks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECTION 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECTION 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECTION 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECTION 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose and erect over the remains a suitable memorial stone.

SECTION 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.
2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.
3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.
4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.
5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.
6. Dogs are not allowed within the Cemetery grounds.

GENERAL BYLAWS

CHAPTER 6

Police Regulations

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECTION 2. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a police officer; provided that the provisions of this section shall not apply to the placing of ashes, refuse or garbage in proper receptacles for collection under public authority.

SECTION 3. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECTION 4. No person shall throw or place or cause to be thrown or placed, any ice or snow into or upon any public way in such a manner as to obstruct traffic or endanger travel upon the public way.

SECTION 5. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 6. No person shall stand on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 7. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these bylaws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECTION 8. No person shall ride or drive any beast of burden, carriage or draught, or shall drive or propel or cause to be driven or propelled any bicycle, tricycle, motor vehicle or any vehicle whatsoever, in or over any crossing in any public way at such a rate of speed as to endanger the lives and safety of the public.

SECTION 9. No person shall permit any vehicle under his care or control to stand across any public way in such a manner as to obstruct the travel over the same

GENERAL BYLAWS

for an unnecessary length of time; no person shall stop with any vehicle in any public way so near to another vehicle as to obstruct public travel; and no person shall stop with any vehicle upon or across any crossing in any public way.

SECTION 10. No person shall coast upon ice or snow upon any public way except one on which the Selectmen or chief of police shall by public notice permit such coasting and no person shall ride any animal or drive, wheel or draw any coach, cart, wheelbarrow, hand cart, velocipede, bicycle, or any vehicle except children's carriages, or coast upon any sidewalk in the Town. Whoever violates the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 11. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECTION 12. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECTION 13. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 14. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons in any public way.

SECTION 15. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

SECTION 16. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

SECTION 17. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other buildings whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECTION 18. The Selectmen may license hackney carriages or motor vehicles for the conveyance of persons for hire from place to place within the town, and they may revoke such licenses at their discretion, and a record of all licenses so granted or revoked shall be kept by the Selectmen.

GENERAL BYLAWS

No person shall set up, use or drive in the town any unlicensed hackney carriage or motor vehicle for the conveyance of passengers for hire from place to place within the town under a penalty not exceeding twenty dollars for each offence.

Licenses shall expire on the thirtieth day of April next after the date thereof, and shall not be transferred without the consent of the Selectmen indorsed thereon. For each license the sum of one dollar shall be paid to the town treasurer for the use of the town. A license so granted shall become void if the applicant neglects or refuses to take out and pay for his license within ten days after notice that it has been granted.

The Selectmen may grant to the holder of a license under the preceding paragraphs of this section a license to use a certain portion of a public way as a carriage stand for the solicitation of passengers for hire and no person shall use any portion of any public way for such purpose without such license.

Any person who violates any of the provisions of this section shall be punished by a fine of not more than twenty dollars for each offence.

SECTION 19. No person shall distribute papers, circulars or advertisements through the Town or any portion thereof in such manner as to make a litter or otherwise cause public annoyance.

SECTION 20. No person shall fire, discharge, explode or set off any gun, firearm, torpedo, firecracker or fireworks in such manner as to disturb the peace or quiet of any neighborhood.

SECTION 21. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECTION 22. No person shall own or keep a dog which by barking, biting or howling or in any other manner disturbs the peace and quiet of any neighborhood or endangers the safety of any person.

SECTION 23. No person shall burn anything so as to emit noxious odors to the discomfort of the neighborhood.

SECTION 24. No person shall place or suffer to accumulate on his premises any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created so as to endanger the health or comfort of the neighborhood.

SECTION 25. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles from place to place in the Town. They may also license suitable persons as junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subject to the provisions of law. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

SECTION 26. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

SECTION 27. Except when otherwise provided by law, prosecutions for offences under the bylaws of the Town may be made by any police officer of the Town.

GENERAL BYLAWS

CHAPTER 7

Building Code

Chapter 7 and 8 is hereby amended by being renumbered as Chapter 7.

The title of said chapter is hereby amended by striking out the words "Building and Plumbing Laws" and inserting in place thereof the words:—Building Code—.

Paragraph (G) of Section I is hereby amended by striking out, in the title, the first, the seventeenth and the twentieth lines, the word "Appeal" and inserting in place thereof the word:—Appeals—.

Paragraph six of Section III is hereby amended by inserting at the end thereof the following new sub-paragraphs:—

(c) No part of a building of wood construction except uncovered steps from the ground to the first floor not exceeding forty-two inches wide, chimneys and eaves not exceeding eighteen inches wide, shall hereafter be erected or placed within six feet of the line of any adjoining lot or of any other building of fire-resisting or slow burning construction; or within twelve feet of any part of any other building of wood construction except uncovered steps from the ground to the first floor not exceeding forty-two inches wide, chimneys and eaves not exceeding eighteen inches wide, on the same lot, unless the wall facing such adjoining lot or building is constructed as a fireproof masonry wall of the thickness provided in section VII and carried twelve inches above the roof, and unless all openings therein are protected by wire glass set in metal sash and frames; provided that the foregoing shall be construed as being additional to and not as limiting or lessening to any extent whatsoever the requirements of section 6 of chapter 10 of the General Bylaws of the Town.

(d) In buildings of fire-resisting or slow burning construction there shall be no openings in walls within six feet of the lines of adjoining lots unless said openings are protected by wire glass set in metal sash and frames.

(e) No building of wood construction other than detached dwellings shall exceed five thousand square feet in horizontal area in any one story unless for every such area an intercepting masonry fire wall is constructed of the thickness provided in section VII and carried twelve inches above the roof, and unless all openings therein are protected by two sets of fire doors separated by the thickness of the wall, provided with approved self-closing devices.

Section XV is hereby amended by inserting at the end thereof the following new paragraph:—

3. Fees: The following fees shall be charged on all permits issued by the Inspector of Wires for repairs or installing electric wiring, plants or appliances:

(a) Original installations	\$3.00
(b) Repairs or additional installations equal to or greater in extent than fifty per cent of the installations in the same building already approved	2.00
(c) Repairs or additional installations not greater in extent than fifty per cent of the installations in the same building already approved	1.00

Fees shall accompany the application and shall be refunded if the permit is not granted.

Paragraph (A) of Section XVII is hereby amended by inserting at the end thereof the following new sub-paragraph:—

8. The following fees shall be charged on all permits issued by the Plumbing Inspector:

GENERAL BYLAWS

- (a) Original installations \$3.00
 (b) Repairs or additional installations 1.00

Fees shall accompany the application and shall be refunded if the permit is not granted.

Paragraph 10 of Section XIII is hereby amended by striking out sub-paragraphs (c), (d) and (f) and inserting the following new paragraph:

(c) In wooden buildings the exterior walls at each floor level, and all spaces between joists over girders and bearing partitions, and from plate to roof boarding, shall be firestopped with wood, sheet metal of not less than twenty (20) gauge, asbestos, lumber, masonry, or other material satisfactory to the Building Inspector.

Section XVII, Sub-section (G), is hereby amended:

By inserting in said Sub-section (G), after paragraph 3 of said section, the following paragraphs, to be numbered 3A:

3A. Cross Connections:

(a) Any connection in piping, whereby a public or private water supply used for drinking and/or culinary purposes is connected with a secondary supply or a supply of questionable quality or whereby polluted matter may enter the supply used for drinking and/or culinary purposes, shall be considered a cross connection.

(b) No cross connection shall be installed unless the piping connections and valves connected thereto have been approved by the inspector of plumbing after tests showing that no polluted matter from such fixtures can enter the water supply system used for drinking and/or culinary purposes and all existing cross connections shown to be improper by test as herein indicated shall be removed.

(c) Check valves or other uni-flow devices may be considered as suitable mechanical means of separation only if these devices are accessible for overhauling or inspection and equipped with drains and test outlets and the installation is approved by the inspector of plumbing. Temporary connection shall not be permitted.

(d) Valves of the positive type which include gate, globe, stop and similar valves are not considered as adequate protection.

(e) Any cross connection permitted with a fire service supply shall be protected by a properly installed and adequately supervised all-bronze, rubber-seated double check valve of a type approved by the State Board of Plumbing Examiners.

Section XVII, Sub-section (D), is hereby amended:

By striking out sub-paragraph (c) of paragraph 3 of Sub-section (D) and inserting in its place the following new sub-paragraph (c):

(c) The use of Standard soil pipe is prohibited and only extra heavy soil pipe shall be used, and shall conform to the following minimum requirements:

Pattern	Average Pounds Per Length (5 feet)								
	Sizes (in inches)								
	2	3	4	5	6	8	10	12	15
Single Hub	25	45	60	75	95	150	215	270	375
Double Hub	26	47	63	78	100	157	225	285	395

Section I is hereby amended:

First. By adding after subsection (A)2 in said Section I a new subsection to be numbered 3 and to read as follows:

"3. For further restrictions upon heights and uses of buildings and upon building areas, reference is made to Chapter 10 of the General Bylaws designated

GENERAL BYLAWS

as 'Zoning'. In all cases in which the provisions of said Zoning Bylaw are inconsistent or in conflict with this bylaw, the provisions of that bylaw shall govern."

Second. By substituting in said Section I for subsection (B) the following paragraphs to be numbered as indicated:

(B) BUILDING DEPARTMENT:

1. There shall be a department to be called the BUILDING DEPARTMENT, which shall be furnished at the expense of the Town with office room, telephone, and such supplies for the transaction of its business as the Town may provide.

2. No officer or employee connected with the Department shall be interested in the doing of work or the furnishing of materials or appliances for the construction, alteration, or maintenance of any buildings, or in the making of plans or specifications thereof, unless he is the owner thereof. No such officer or employee shall be engaged in any work which is inconsistent with his duties or with the interests of the Department.

3. *Building Inspector:* The Board of Selectmen shall annually in April appoint a Building Inspector to serve for the term of one year from the first day of May following, or until his successor is appointed and qualified. His salary or compensation shall be such as the Town may from time to time vote. He shall be either an architect, builder, or structural engineer of at least ten years' practice. He may be removed from office by the Selectmen for cause and shall be so removed for cause stated in charges filed with the Board of Selectmen by any citizen, and after a hearing has been held, of which at least five days' notice has been given by registered mail to the complainant or complainants and the Building Inspector, if in the judgment of the Board the charges are sustained and constitute adequate cause.

4. The Building Inspector shall be charged with the inspection of buildings and the enforcement of this bylaw.

5. He shall report to the Department of Public Safety any violations of the regulations of the Commonwealth of Massachusetts in relation to the construction of buildings that may come to his notice.

6. The Building Inspector, subject to the approval of the Board of Selectmen, and within such appropriation as may be provided for his department, shall have authority to appoint and compensate a Deputy Building Inspector, a Clerk, and such other subordinates as the work requires, and to remove the same or any of them for cause. The Deputy Building Inspector shall be either an architect, builder, or structural engineer of at least ten years' practice. He shall assist the Building Inspector in the performance of his duties and, in the absence from the Town or disability of the Building Inspector, shall possess all the powers and perform all the duties of the Building Inspector. He shall hold office until removed by the Building Inspector or until his successor is appointed and qualified.

7. *Records and Reports:* The Building Inspector shall keep a record of the business of the Department, shall submit to the Board of Selectmen a yearly report of such business together with such recommendations for the revision of this bylaw as he may deem advisable for the best interests of the Town, and such other reports as they may call for.

8. *Examination of Structures:* The Building Inspector or Deputy Inspector shall examine all structures:

- (a) for which applications have been made for permits to alter or remove;
- (b) in the course of erection, alteration, or removal as frequently as is necessary;
- (c) reported dangerous, dilapidated or damaged by fire or accident.

GENERAL BYLAWS

He shall, in each case, make a record of such examination, stating the street and number of the premises, the name of the owner, the architect, master builder, or occupant as the case may require; make a record of all violations of this bylaw and of Chapter 10 of the General Bylaws designated as "Zoning," in the erection, alteration or removal of any structure and, in the case of a dangerous, dilapidated or damaged structure, shall record the nature and extent of the dilapidation, danger or damage, and the purpose for which the property is used or occupied, and shall within twenty-four hours of such examination submit a duplicate copy of the record of examination to the Board of Selectmen with recommendations for action. The records required by this section shall also be open to the inspection of the Town Engineer, the Board of Appeals, the Fire Department, or any officer of the Town, and of any person the value of whose property may be affected by the matters to which such records relate.

9. *Zoning*: He shall enforce the provisions of Chapter 10 of the General Bylaws designated as "Zoning" and shall have the powers and duties therein specified or provided.

Third. By substituting in said Section I for subsection (E)1(a) thereof the following paragraph to be numbered and designated as follows:

(E) PERMITS:

1. *Applications*: Before the erection, construction, or alteration of any building or part of any building, structure or part of any structure, wall, or any platform or flooring to be used for standing or seating purposes, is commenced, the owner or lessee, or agent of either, or the architect or builder employed by such owner or lessee in connection with the proposed erection or alteration, shall, except for ordinary repairs, apply to the Building Inspector for a permit to do the work, and no work shall be done until such permit is granted. The person seeking such permit shall submit to the Building Inspector a detailed description of the location, purpose and construction of the proposed structure or work, on proper blanks to be furnished by the Building Inspector, and full and complete copies of the plans of such proposed work, structural detail drawings and computations as the Building Inspector may require. All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, made by a competent engineer showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, with offset distances from all lines, distances from any existing building either on or adjacent to the lot in question, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this bylaw or Chapter 10 of the General Bylaws designated as "Zoning." All plans and plots shall be signed by the person seeking any permit and, if required by the Building Inspector, accompanied by a statement in writing sworn to before a Notary Public or Justice of the Peace, giving the full name and residence of each of the owners of the structures or premises concerned. The Building Inspector shall approve no plan for the erection or alteration of any building or part thereof the plans and specifications and intended use of which are not in all respects in conformity with the provisions of this bylaw and Chapter 10 of the General Bylaws designated as "Zoning." Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of a permit.

Section III is hereby amended:

By adding in subsection (A)5(b) after the word "Commonwealth" the following:

"or in Chapter 10 of the General Bylaws designated as 'Zoning' "

so that said subsection as amended will read as follows:

GENERAL BYLAWS

"(b) The Building Inspector shall have power, in his discretion, to waive any or all requirements of this Code (other than those also contained in any statute of the Commonwealth, or in Chapter 10 of the General Bylaws designated as 'Zoning') in the case of small dairy rooms, root cellars, poultry houses, farm and storage sheds, and other similar small structures to be so located on the owner's property as not to menace the property of another."

CHAPTER 8

Town Ways

SECTION 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than fifty feet in width, provided, however, that this section shall not prevent the layout of any way, which, prior to the time this amendment takes effect, shall have been duly approved by the Board of Survey. Provided, however, that upon written certification by the Board of Survey, in respect to the layout of a particular way, that the requirement of a width of fifty feet will cause practical difficulty or unnecessary hardship, such way, or ways, may be laid out less than fifty feet but not less than forty feet in width.

SECTION 2. If an existing private way the fee of which is in the abutters shall be laid out for the acceptance of the Town as a town way such way shall not be accepted unless and until the Selectmen shall have certified in writing that such way is well built, and as constructed it is equal to the average construction of existing highways of the Town; provided, however, that this section shall not apply to ways laid out subject to the provisions of law relating to the assessment of betterments.

SECTION 3. Whenever any way shall have been laid out or altered by the Selectmen and accepted and allowed by the Town, no entry for the purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

CHAPTER 9

Billboards

SECTION 1. No person or corporation shall erect or maintain a billboard sign or other outdoor advertising device, except as provided in Section 32 of Chapter 93 of General Laws, on any location within three hundred feet of any public park or playground or Metropolitan Park or Parkway, if within public view from any portion of such parks, playgrounds, or parkways; or within three hundred feet of any other public way and within public view from any portion of the same, if such billboard, sign or device exceeds five feet in height or eight feet in length, and no billboard, sign or device placed within three hundred feet of any such public way and within public view shall be nearer than fifty feet to any other such billboard, sign or device; or at the corner of any public ways and within the radius of one hundred and fifty feet from the point where the center lines of such ways intersect; or in any place unless the lowest portion of such billboard, sign or device is at least three feet from the ground, and the entire structure, including its braces and supports, is maintained in good repair, painted, and free from accumulation of rubbish and filth and from the pupae, eggs and caterpillars of gypsy and brown-tail moths and other tree and shrub destroying pests; provided that this section shall not apply to signs or other devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertise the property itself or any part thereof if for sale or to let.

GENERAL BYLAWS

CHAPTER 10

Zoning

SECTION I. Definitions.

A. In this by-law the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meanings:

1. *Street.* The word "street" shall include public ways established by or maintained under public authority, private ways open for public use, and private ways plotted or laid out for ultimate public use, whether or not constructed.
2. *Lot.* A "lot" is a single area of land in one ownership defined by metes, bounds or boundary lines in a recorded deed or on a recorded plan. After this By-law is adopted new lots may be established by recording the same or by filing with the Building Inspector as a part of an application for a building permit the plan of the lot appurtenant to the building signed by the owner or owners of the lot and defining the lot by metes and bounds on such plan. In determining lot areas no part thereof within the limitation of the street shall be included.
3. *One Ownership.* The term "one ownership" means an undivided ownership by one person or by several persons whether the tenure be joint, in common, or by the entirety.
4. *Recorded.* The term "recorded" or "of record" means recorded or registered in the Norfolk County Registry of Deeds or a record title to a parcel of land disclosed by any or all pertinent public records.
5. *Building.* The word "building" shall include "structure."
6. *Erected.* The word "erected" shall include the words "built," "constructed," "reconstructed," "altered," "enlarged," and "moved."

SECTION II. Establishment of Districts.

A. *Classes of Districts.* The town of Milton is hereby divided, as shown on the Zoning Map entitled "Map of Milton, Massachusetts, showing Zoning Districts," dated January 7, 1938 and filed with the Town Clerk, and hereby declared a part of this by-law, into four classes of districts:

1. Residence A districts;
2. Residence B districts;
3. Residence C districts;
4. Business districts.

B. *Boundaries of Districts.* The boundaries of Business Districts hereunder shall continue to be as existing immediately prior to the adoption of this by-law. The boundaries of Residence A Districts, Residence B Districts and Residence C Districts shall be as shown on the Zoning Map. Unless otherwise specifically indicated on the Zoning Map the boundaries between districts are either the center lines of streets or boundary lines of lots, or lines parallel to and a dimensioned distance from the nearest side lines of streets.

(Zoning map changed by vote passed under Article 57 at the March 9, 1940 Town Meeting.)

C. *Lots in Two Districts.* Where a district boundary line divides a lot recorded prior to the time this bylaw is adopted, the regulations and restrictions of the less restricted portion of such lot shall govern such portion of such lot as shall be within the more restricted district and shall lie within thirty feet of said boundary line; provided the lot has a frontage on a street in the less restricted district.

SECTION III. Use Regulations.

A. *Residence A, B, and C. District Uses.* In a Residence A, B, or C District, except as herein otherwise provided, no building or land shall be used and no building shall be erected or altered which is intended or designed to be used for a store or

GENERAL BYLAWS

shop, or for manufacturing or commercial purposes, or for other purposes except one or more of the following:

1. Detached one-family dwelling;
2. Church;
3. Educational use, not conducted for profit;
4. Agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 shall not be deemed or construed to permit or authorize the use or maintenance of any building or structure;
5. Municipal use. Public parks, playgrounds, recreation buildings, water towers and reservoirs;
6. Accessory use on the same lot with and customarily incident to any of the above permitted uses, or to the uses permitted in accordance with the following sub-section numbered 7, and not detrimental to a residential neighborhood;
7. Any of the following uses, if authorized by permit issued by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit;
 - (a) Private club not conducted for profit;
 - (b) Cemetery, not conducted for profit;
 - (c) The garaging or maintaining of more than three automobiles when accessory to a dwelling;
 - (d) Greenhouse or nursery selling only produce raised on the premises;
 - (e) Charitable or philanthropic use, hospital or sanitarium, not conducted for profit;
 - (f) Riding stable;
 - (g) Public utility or public communications building not including a service station or outside storage of supplies;
 - (h) A two-family house (as defined below) if the lot on which it will stand lies between two lots on which are buildings designed for occupancy by two or more families each, located on the same side of the street and less than 100 feet apart. A two-family house is a residential building fitted to be occupied by two families which are independent of each other as regards the preparation of food;
 - (i) A dwelling used primarily and principally for residential purposes may be used incidentally but without public display of goods or wares, or signs except as permitted in subsection *B 1 (g)* hereof, for the sale of food or of goods of home manufacture prepared or made therein by the occupants of such dwelling, or for other incidental purposes which are not primarily industrial, trade, manufacturing, or commercial purposes, provided, in each case, the Board of Appeals shall determine that the use of such building is incidental only and that such use will not be substantially detrimental to the use of other property in the neighborhood;
 - (j) Removal for sale of sod, loam, sand, gravel or quarried stone, provided that when such removal is incidental to and in connection with the construction of a building on the premises for which a building permit has been issued in accordance with the building law, no permit from the Board of Appeals shall be required;
 - (k) Buildings or structures used or maintained on or in connection with land devoted to agricultural use permitted in paragraph 4 of this Section III A.

GENERAL BYLAWS

B. Accessory Uses in Residence A, B and C Districts.

1. In Residence A, B and C Districts the following are hereby specifically declared not to be "accessory uses" within the meaning of this by-law:

- (a) The garaging or maintaining on any lot of a total of more than three automobiles at any time, unless a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
- (b) The garaging or maintaining on any lot of more than one commercial automobile, except in the case of a lot used for agriculture or for a municipal use;
- (c) The garaging or maintaining on any lot used for agriculture of more than four commercial automobiles;
- (d) The sale of produce not raised on the premises unless, in the case of a commercial greenhouse established and doing business prior to the adoption of this by-law, a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
- (e) The accommodation of, or renting of space to, more than four lodgers, boarders, or paying guests;
- (f) Accessory use shall not include dwellings, except that there may be constructed as part of a garage or stable, family living quarters for and to be occupied only by an employee of the owner or occupant of the dwelling to which such garage or stable is an accessory use;
- (g) An accessory use shall not include an advertising sign except a real estate sign advertising for sale or rent the property on which it is placed, but may include a sign not over one square foot in area, bearing a name and the designation of any authorized occupation and being such a sign as is customarily used for a purpose permitted by this section of this by-law.

C. Business District Uses. In a Business District no building shall be erected, altered or used and no land shall be used for any purpose injurious, noxious or offensive to a neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise, or other cause, or for any purpose whatsoever except the following purposes:

1. Any use permitted in a Residence A, B or C District;
2. Offices, banks, assembly halls or places of amusement;
3. Signs permitted in a Residence A, B or C District and signs advertising goods or services offered by an occupant of the premises for sale, hire, or use;
4. Retail or wholesale stores, shops for custom work where the product is sold directly by the producer to the consumer, places where services are performed, places of the building trades, sales rooms and repair shops for motor vehicles, garages, filling stations, storage warehouses, restaurants and other places for serving food and drink, places of business of bakers, dyers, confectioners, launderers, photographers, printers and undertakers. Other uses of substantially the same character may be permitted only if authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit all in accordance with the provisions of Section VIII, C.

SECTION IV. Non-conforming Uses of Buildings and Land.

A. Continuation of Non-conforming uses of Buildings and Land. Any building or use of a building or use of land or part thereof lawful and existing at the time this by-law is adopted may be continued, unless and until abandoned, although such building or use does not conform to the provisions hereof. No increase in the extent of the non-conforming use of the building or land may be made except that any

GENERAL BYLAWS

such non-conforming building may be added to, enlarged, reconstructed or replaced, and such addition, enlargement, reconstruction or replacement used for the purpose, or for a purpose substantially similar to the purpose, for which the original building may lawfully be used if authorized by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit. As a basis for such permit the Board of Appeals must be satisfied that such addition, enlargement, reconstruction or replacement and the use to be made thereof will not substantially increase any detrimental or injurious effect of the building or use on the neighborhood.

SECTION V. Height Regulations.

A. Building Heights in Residence A, B and C Districts. In a Residence A, B or C District no building shall be erected or altered to exceed two and one-half stories in height unless it is set back from each street and lot line 15 feet farther than is required by Section VI. No building shall in any event exceed three stories in height. The term "half-story" shall mean a story in a sloping roof, the area of which story at a height four feet above the floor does not exceed two-thirds the floor area of the story immediately below it.

B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C, provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands.

C. Height Exceptions. Chimneys, elevators, poles, spires, tanks, towers, and other projections not used for human occupancy may extend above the height limits herein fixed.

SECTION VI. Area Regulations.

A. Lot Sizes and Frontages.

1. In a Residence A District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 40,000 square feet each and having each a frontage of not less than 150 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot of less than 80,000 and more than 64,000 square feet may be divided into lots containing not less than 32,000 square feet each and each having a frontage of not less than 150 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 80,000 square feet and if after division into as many lots as practicable, each containing not less than 40,000 square feet and each having a frontage of not less than 150 feet, there remains a lot of 32,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 150 feet, and (c) one dwelling may be erected on a lot containing less than 40,000 square feet, or having a frontage of less than 150 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
2. In a Residence B District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 20,000 square feet each and having each a frontage of not less than 100 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 160 feet and

GENERAL BYLAWS

with an area of not less than 32,000 square feet may be divided into two lots containing not less than 16,000 square feet each and each having a frontage of not less than 80 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 40,000 square feet and if after division into as many lots as practicable, each containing not less than 20,000 square feet and each having a frontage of not less than 100 feet, there remains a lot of 16,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 80 feet, and (c) one dwelling may be erected on a lot containing less than 20,000 square feet, or having a frontage of less than 100 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.

3. In a Residence C District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 7,500 square feet each and having each a frontage of not less than 75 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 120 feet and with an area of not less than 12,000 square feet may be divided into two lots containing not less than 6,000 square feet each and each having a frontage of not less than 60 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 15,000 square feet and if after division into as many lots as practicable, each containing not less than 7,500 square feet and each having a frontage of not less than 75 feet, there remains a lot of 6,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 60 feet, and (c) one dwelling may be erected on a lot containing less than 7,500 square feet, or having a frontage of less than 75 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
4. Frontage, as required in the foregoing provisions of this section, shall be determined as follows: In the case of a lot fronting on a street, the distance shall be measured along the street line from one side line of the lot to the other and the distance shall also be measured between said side lines along a line which marks the required front setback of the dwelling on such lot, and the longer of said distances shall determine the frontage of such lot. In the case of a lot not fronting on any street, the distance shall be measured from one side line of the lot to the other along the line designated as the front line of the lot on the plot filed in accordance with this by-law with the Building Inspector as a part of an application for a building permit, and such distance shall determine the frontage of such lot.
5. Notwithstanding the foregoing provisions of this section, if adjacent lots, any of which has less area or frontage than required by this section, are recorded as all in the same ownership at the time this by-law is adopted, and if (a) substantial expenditures have been incurred, prior to that time, toward the improvement of these lots or approved ways giving access thereto, or toward utilities serving such lots, which improvements or utilities would be diminished in value in a substantial amount by a literal enforcement of the terms of this section, or if (b) adjoining areas have been, prior to that time, developed to a substantial extent by the

GENERAL BYLAWS

construction of houses on lots generally smaller than is prescribed by this section and the standard of the neighborhood so established does not reasonably require a subdivision of the applicant's land into lots as large as is hereby prescribed, then the owner of these lots may apply to the Board of Appeals for relief from the terms of this section as applying to any of these lots, and the Board of Appeals may grant such relief by making special exceptions to the terms of this section, subject to appropriate conditions and safeguards in harmony with the general purpose and intent of this by-law, where desirable relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purposes of this by-law.

B. Front Yards.

1. In a Residence A District no building shall be erected within 30 feet of the line of the street on which it fronts, provided that no building need be set back more than 30 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 30 feet being counted as though occupied by a building set back 30 feet.
2. In a Residence B District no building shall be erected within 25 feet of the line of the street on which it fronts, provided that no building need be set back more than 25 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 25 feet being counted as though occupied by a building set back 25 feet.
3. In a Residence C District no building shall be erected within 20 feet of the line of the street on which it fronts, provided that no building need be set back more than 20 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 20 feet being counted as though occupied by a building set back 20 feet.
4. In Residence A, B and C Districts no part of an accessory building shall be located within 40 feet of the front line of the lot, unless such accessory building is within the body of a dwelling or attached to a dwelling and such accessory building complies with the setback from said front line established for such dwelling.

C. Side Yards.

1. No building except a one-story building of accessory use shall be erected or maintained in a Residence A District within 15 feet of a side lot line, or within 30 feet of any other building on an adjacent lot, in a Residence B District within 12 feet of a side lot line or within 24 feet of any other building on an adjacent lot, or in a Residence C District within 10 feet of a side lot line.
2. No building of accessory use shall be erected or maintained within 10 feet of a side lot line in a Residence A District or a Residence B District nor within 8 feet of a side line in a Residence C District.
3. On a lot abutting on two intersecting streets no building shall be erected or maintained in a Residence A District within 30 feet, in a Residence B District within 25 feet, and in a Residence C District within 20 feet of the line of the side street.
4. The provisions of this section shall not reduce to less than 25 feet the

GENERAL BYLAWS

buildable width of any lot in a Residence A, B or C District recorded at the time this by-law is adopted, provided, however, that no building shall extend within 6 feet of a side lot line.

5. In a Business District no building shall be erected or maintained within 6 feet of a side line of any lot unless the wall adjoining such side be either a party wall or a wall with its outer face coincident with the lot side line.

D. Rear Yards.

1. In a Residence A, B or C District no building except a one-story building of accessory use shall be erected or maintained within 30 feet of the rear lot line, provided that no building need be set back from the rear lot line more than 30 per cent of the mean depth of the lot.
2. In a Business District no dwelling shall be erected or maintained within 20 feet of the rear lot line.
3. No building of accessory use shall be erected or maintained within 10 feet of a rear lot line in a Residence A District nor within 8 feet of a rear lot line in a Residence B or a Residence C District.

E. Appurtenant Open Space.

No yard or other open space required for a building by this by-law shall, during the existence of such building, be occupied by or counted as open space for another building.

F. Projections.

Nothing herein shall prevent the projection of steps, eaves, chimneys and cornices not exceeding 18 inches in width, windowsills, or belt courses into any required yard or open space.

G. Corner Clearance.

On lots in Residence A, B and C Districts no building, fence, or other structure shall be erected and no tree, shrub or other planting shall be planted, or allowed to exist, which prevents an unobstructed view through the space between 4 feet and 8 feet above the ground within the area formed by the intersecting side lines forming the corner of the intersecting streets and a line joining points on such lines 25 feet distant from the point of intersection in a Residence A District, or 20 feet distant from the point of intersection in a Residence B or a Residence C District, provided, however, that where the junction of the side lines of two streets forms a curve, the clearance area shall be determined and certified by the Town Engineer as nearly as may be in accordance with the foregoing and having regard to the safety of the public, and the foregoing provisions shall apply to the area thus determined.

SECTION VII. Administration.

A. Enforcement.

1. The Inspector of Buildings shall enforce the provisions of this by-law. If the Inspector of Buildings shall be informed or have reason to believe that any provision of this by-law or of any permit or decision thereunder has been, is being, or is about to be violated, he shall make or cause to be made an investigation of the facts, including the inspection of the premises where the violation may exist, and, if he finds any violation, he shall give immediate notice in writing to the owner or his duly authorized agent and to the occupant of the premises.
2. If, after such notice, such violation continues, with respect to any use contrary to the provisions of this by-law, the Inspector of Buildings shall

GENERAL BYLAWS

forthwith revoke any permit issued in connection with the premises, and shall take such other action as is necessary to enforce the provisions of this by-law.

3. Where a special permit from or relief by the Board of Appeals is required pursuant to the provisions of this by-law, or where an appeal from an order or decision of an administrative officer, or an appeal or petition involving a variance is pending, the Building Inspector shall issue no building permit until so directed in writing by said Board.

B. Submission of Plots.

All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this by-law. A careful record of such applications and plots shall be kept in the office of the Building Inspector. Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of the permit.

C. Occupancy Permit.

It shall be unlawful to use or permit the use of any land, building, or structure or part thereof which is erected or altered, wholly or partly, in its use or construction, or moved, or which has its open spaces in any way reduced, until the Building Inspector shall have certified on the building permit, or, in case no permit is required, shall have certified in a certificate of occupancy that the building and premises have been regularly inspected by the Building Inspector and apparently conform to the statutes and by-laws relating to the construction and occupancy of buildings and land in the town of Milton.

SECTION VIII. Board of Appeals.

A. Appointment.

The Board of Appeals is and shall be the board of appeal appointed from time to time pursuant to Chapter 7 of these by-laws known as the Building Code, and said board of appeal under said Building Code is hereby constituted the Board of Appeals pursuant to the provisions of Section 30 of Chapter 40 of the General Laws, as amended.

B. Notice.

When an appeal, application or petition is filed with the Board of Appeals pursuant to any of the provisions of this by-law, the Board shall give notice thereof and hold a hearing pursuant to its rules and regulations and to the law. The Building Inspector shall be entitled to receive notice in all cases involving the issuance of a building permit.

C. Special Permits.

Where a special permit by the Board of Appeals is required pursuant to the provisions of this by-law, the applicant shall make written application and shall show to the satisfaction of the Board, in addition to any specific requirements herein or in the law contained, that the desired relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this by-law. The Board of Appeals may make appropriate conditions and limitations necessary in its opinion to safeguard the legitimate use of

GENERAL BYLAWS

the property in the neighborhood and the health and safety of the public, such conditions and limitations to be stated in writing by the Board and made a part of the permit.

D. Variances and Appeals.

Appeals from an order or decision of an administrative officer and appeals or petitions involving variances from the terms of this by-law shall be dealt with by the Board of Appeals in accordance with the provisions of General Laws, Chapter 40, Section 30, as amended.

E. Relief.

When relief is applied for pursuant to the provisions of Section VI, A, 5 hereof the applicant shall file with the Board a plan, map, drawing, or document sufficient clearly to show all of the local real estate holdings of the applicant in the neighborhood, the date or dates of the recording of the lots involved, and such other pertinent documentary evidence as the Board may require, and shall show to the satisfaction of the Board that the facts requisite for such relief exist.

SECTION IX. Other By-laws, Rules or Regulations.

The provisions of this by-law shall be construed as being additional to and not as annulling, limiting or lessening to any extent, whatsoever the requirements of any other by-law, rule or regulation, provided that, unless specifically excepted, where this by-law is more stringent it shall control.

SECTION X. Penalty.

Any person, firm, or corporation who violates, disobeys, neglects, or refuses to comply with any of the provisions of this by-law shall be fined in a sum not to exceed twenty dollars (\$20.00) for each offence.

SECTION XI. Validity.

The invalidity of any section or provision of this by-law shall not invalidate any other section or provision hereof. If for any reason the area requirements in any district shall be or become invalid or inoperative, then the area requirements of the next less restricted district shall be and become the area requirements for such more restricted district.

SECTION XII. Amendments.

The Planning Board, upon petition of not less than ten citizens of the Town, or upon its own initiative, shall from time to time hold public hearings, twenty days' published notice of which shall be given, for the consideration of proposed amendments to the Zoning Map or to this by-law and report to a regular or special Town Meeting its recommendations as to what action should be taken.

CHAPTER 11

Planning Board

A Planning Board is hereby established under the provisions of General Laws (Ter. Ed.), Chapter 41, Section 81A (Acts of 1936, Chapter 211) and any amendments thereto, with all the powers and duties therein and in any existing by-laws of the Town provided, to consist of five members to be elected by ballot at the annual Town Meeting in March, 1939, one for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years and thereafter in accordance with the provisions of the statute.

The existing Board of Appeals appointed from time to time pursuant to Chapter 7 of the General By-laws known as the Building Code and acting as the Board of Appeals pursuant to Chapter 10 of the General By-laws designated as Zoning shall act as and be the Board of Appeals under General Laws (Ter. Ed.), chapter 41, Section 81-I (Acts of 1936, Chapter 211).

GENERAL BYLAWS

CHAPTER 12

Board of Water Commissioners

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended such sums to be paid to the Town Treasurer to the Credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

This bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board or Water Commissioners.

Milton, Mass.,
April 6, 1934.

I HEREBY CERTIFY, That the foregoing is a true copy of the General Bylaws as amended under Article 53 of the Warrant for the annual Town Meeting held March 10, 1934.

A true copy.
Attest.

G. FRANK KEMP,
Town Clerk.

(Seal)

Boston, Mass., June 1, 1934.

The foregoing bylaws are hereby approved.

JOSEPH E. WARNER,
Attorney General.

The amendments to Chapters 4, 7 and 10 voted at the Annual Town Meeting held March 9, 1935, were approved by the Attorney General, June 10, 1935.

The amendment to Chapter 7 voted at the Annual Town Meeting held March 14, 1936, was approved by the Attorney General, April 3, 1936.

The amendment to Chapter 10 voted at the Special Town Meeting held January 29, 1938, was approved by the Attorney General, February 10, 1938.

The amendments to Chapters 7, 10 and 11 voted at the Annual Town Meeting held March 12, 1938, were approved by the Attorney General, April 11, 1938.

The amendments to Chapter 10 voted at the Annual Town Meeting held March 9, 1940, were approved by the Attorney General, April 11, 1940 and May 1, 1940.

The amendments to Chapters 2, 3 and 4, voted at the annual Town Meeting held March 8, 1941, were approved by the Attorney General, March 20, 1941.

The amendments to Chapters 4 and 10 voted at the Annual Town Meeting held March 13, 1943, were approved by the Attorney General, March 24, 1943, and April 13, 1943, respectively.

The amendments to Chapters 2, 4, 10 and 12 voted at the Annual Town Meeting held March 10, 1945, were approved by the Attorney General, March 21, 1945.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON

March 19, 1866. Voted, To establish a high school, according to the provisions of Section 2 of Chapter 38 of the General Statutes. (Repealed 1898, Chapter 496, Section 36.)

March 2, 1874. Voted, To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the town of Milton. (Special Act.)

March 4, 1878. Voted, To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers. (General Laws, Chapter 48, Section 45.)

March 3, 1879. Voted, To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee. (General Laws, Chapter 41, Section 1.)

December 8, 1879. Voted, To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children. (Repealed, 1919, Chapter 363, Section 16.)

March 7, 1881. Voted, To accept the act of the Legislature, Chapter 158 of the Laws of 1871, entitled, "An Act to Provide for the Election of Road Commissioners." (General Laws, Chapter 41, Section 1.)

March 5, 1883. Voted, To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children. (Repealed 1898, Chapter 496, Section 36.)

March 3, 1890. Voted, To accept the first nine sections of Chapter 51 of the Public Statutes, said Chapter being entitled, "Of Betterments and other Assessments on Account of the Cost of Public Improvements." (General Laws, Chapter 80.)

February 12, 1891. Voted, To accept the act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882. (General Laws, Chapter 45, Sections 1 to 11.)

March 2, 1891. Voted, To accept the provisions of Chapter 336 of the Acts of 1890, relative to the election of town officers. (Repealed, 1893, Chapter 417, Section 345.)

February 3, 1894. Voted, That the town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of 1893, relative to the election of a separate Board of Assessors. (General Laws, Chapter 41, Section 1.)

November 28, 1894. Voted, To accept the provisions of Chapter 324 of the Acts of 1894, entitled an "Act Relative to the Reservation of Spaces in Public Ways." (General Laws, Chapter 82, Section 34.)

March 4, 1895. Voted, That the town hereby accepts the provision of Chapter 309 of the Acts of 1885, authorizing towns to license groves to be used for picnics and other lawful amusements. (General Laws, Chapter 140, Sections 188 to 190.)

March 4, 1895. Voted, To accept the provisions of Section 272 of Chapter 417 of the Acts of 1893, relative to the election of Sewer Commissioners. (General Laws Chapter 41, Section 1.)

March 4, 1895. Voted, To accept the provisions of Chapter 462 of the Acts of 1893 relative to the establishment of a building line on Public Ways. (Repealed, Acts of 1917, Chapter 344, Part 8, Section 1.)

March 4, 1895. Voted, To accept the provisions of Chapter 218 of the Acts of 1894 as amended by Chapter 473 of that same year, relative to the election of Boards of Health in towns. (General Laws, Chapter 41, Section 1.)

March 4, 1895. Voted, To accept the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relative to the establishment and grading of sidewalks by the Selectmen. (General Laws, Chapter 83, Section 25.)

June 29, 1895. Voted, To accept the provisions of Chapter 304 of the Acts of

LEGISLATIVE ACTS

1895, authorizing the town of Milton to construct one or more systems of sewerage. (Special Act.)

March 1, 1897. Voted, To accept the provisions of Chapter 101 of the Public Statutes relative to the suppression of common nuisances. (General Laws, Chapter 139.)

March 7, 1898. Voted, To accept the provisions of Section 11 of Chapter 481 of the Acts of 1894, relative to the regulation and inspection of buildings. (General Laws, Chapter 143, Section 3.)

March 5, 1900. Voted, To accept the provisions of Chapter 344 of the Acts of 1899, relative to eight-hour day for town employees. (General Laws, Chapter 149, Section 31.)

March 3, 1902. Voted, To accept the provisions of Section 18 of Chapter 122 of the Revised Laws (General Laws, Chapter 166, Section 32), relative to the appointment of an Inspector of Wires by the Selectmen.

July 14, 1902. Voted, To accept the provisions of Chapter 307 of the Acts of 1902, relative to water supply. (General Laws, Chapter 92, Section 10.)

August 16, 1902. Voted, To accept the provisions of Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to the jurisdiction of towns over highways and county bridges. (General Laws, Chapter 82, Sections 17 to 20.)

March 2, 1903. Voted, To accept the provisions of Sections 20 and 21 of Chapter 25 of the Revised Laws, relative to public baths. (General Laws, Chapter 40, Section 12.)

March 2, 1903. Voted, To accept the provisions of Section 339 of Chapter 11 of the Revised Laws, relative to the election of Overseers of the Poor. (General Laws, Chapter 41, Section 1.)

March 7, 1904. Voted, To accept the provisions of Section 70 of Chapter 75 of the Revised Laws, relative to privy vaults. (General Laws, Chapter 111, Section 126.)

March 6, 1905. Voted, To accept the provisions of Chapter 103 of the Revised Laws, relative to the supervision of plumbing. (General Laws, Chapter 142.)

July 21, 1905. Voted, To accept the provisions of Chapter 381 of the Acts of 1905, relative to the suppression of gypsy and brown-tail moths. (General Laws, Chapter 132.)

March 1, 1909. Voted, To accept the provisions of Chapter 476 of the Acts of 1908, relative to vacations for members of the Police Department. (General Laws, Chapter 92, Section 62, and Chapter 147, Sections 14 and 17.)

March 8, 1910. Voted, To accept the provisions of Sections 43 of Chapter 49 of the Revised Laws, relative to the grading and construction of sidewalks. (General Laws, Chapter 83, Section 25.)

MARCH MEETING
MILTON TOWN RECORDS IN THE MUNICIPAL YEAR
1945

1945
WARRANT
MARCH MEETING

Commonwealth of Massachusetts,
Norfolk, ss.

To any of the Constables of the Town of Milton in said County, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

- Precinct 1. Tucker School Hall, Blue Hills Parkway,
- Precinct 2. Basement, Mattapan Branch Library, Blue Hills Parkway,
- Precinct 3. Police Station, Central Avenue,
- Precinct 4. Assembly Hall, Vose School, Walnut Street,
- Precinct 5. Town Hall, Canton Avenue,
- Precinct 6. Basement, East Milton Branch Library, Edge Hill Road,
- Precinct 7. Belcher School, Church Street,

on Saturday, March third next, at fifteen minutes before six o'clock in the forenoon, then and there to bring in to the Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

- A Moderator for the term of one year.
- A Town Clerk for the term of one year.
- A Town Treasurer for the term of one year.
- A Collector of Taxes for the term of one year.
- Three Selectmen and Surveyors for one year term.
- One Assessor for the term of three years and one for two years.
- One member of the Board of Public Welfare for the term of three years.
- One Sewer Commissioner for the term of three years.
- A Tree Warden for the term of one year.
- Two members of the School Committee for the term of three years.
- One member of the Board of Health for the term of three years.
- One Trustee of the Cemetery for the term of five years.
- Three Library Trustees for the term of three years and one for two years.
- One Park Commissioner for the term of three years and one for one year.
- One Water Commissioner for the term of three years.

MARCH MEETING

One Trustee of the Wadsworth Fund for the term of three years.
One member of the Planning Board for the term of five years and one for two years.

Four Constables for the term of one year.

One hundred four Town Meeting Members as follows:

- Precinct 1. Fourteen for three years.
One for two years to fill vacancy.
- Precinct 2. Eleven for three years.
Two for two years and one for one year to fill vacancies.
- Precinct 3. Eleven for three years.
Two for one year to fill vacancies.
- Precinct 4. Twelve for three years.
One for two years to fill vacancy.
- Precinct 5. Sixteen for three years.
One for two years to fill vacancy.
- Precinct 6. Fifteen for three years.
Two for one year to fill vacancies.
- Precinct 7. Fourteen for three years.
One for two years to fill vacancy.

For these purposes the polls will be open at each and all of said Precincts at fifteen minutes before six o'clock in the forenoon and will be closed at four o'clock in the afternoon.

And thereupon, by adjournment of said meeting, to meet on the following Saturday, to wit, March tenth next, at thirty minutes past one o'clock in the afternoon at the Town Hall in said Milton, then and there to act upon the following articles, to wit:

MARCH MEETING

ADJOURNED TOWN MEETING, MARCH 10, 1945

The meeting was opened at 1:30 P.M. by the Moderator, Charles S. Pierce. The Moderator's next procedure was to read the following list of Town Meeting Members who had passed away since the last Town Meeting and the meeting was requested to stand:

John Balch
Harold A. Horracks
William G. Rodd
William Johnstone
Charles M. Rogerson

The attendance of the Town Meeting Members was: Present 228; Absent 70.

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

Voted, The following officers were elected viva voce, namely: George E. Burt and Carl R. Horne, Measurers of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

Voted, That the report of the Town Accountant be accepted and placed on file.

That the report of the Planning Board be accepted and placed on file.

No report from the Legislative Committee as there were no sessions of the Legislature.

ARTICLE 3. To see what sum of money the Town will appropriate for temporary adjusted compensation for the calendar year 1945 of officers and regular employees of the Town in addition to amounts otherwise appropriated for the several officers, employees and departments of the Town, and to act on anything relating thereto.

Voted, To appropriate for the several officers and departments of the Town the amounts set against their respective designations in the list hereinafter included, to provide for temporary adjusted compensation for the calendar year 1945, for the officers and regular employees of the Town, such amounts to be in addition to the amounts otherwise appropriated for such officers and departments, and such additional compensation to be in the amount of \$275.00 to each individual in full time employment and a portion of this amount for part time employees, and in cases of termination of employment or commencement of employment after January 1, 1945, to be adjusted proportionately; expenditures may be made at the same rate in January and February, 1946, in accordance with the provisions of General Laws, Ter. Ed., Chapter 44, Section 13.

WELFARE AND RELIEF

ARTICLE 4. To see what sum of money the Town will vote to appropriate for the Public Welfare Department the present year.

Voted, That the total sum of \$64,506.00 be appropriated as follows:

General Relief:

Relief	\$7,200.00
Administration	650.00

Old Age Assistance:

Assistance	\$42,000.00
Administration	3,880.00

Aid to Dependent Children:

Aid	\$9,800.00
Administration	976.00

ARTICLE 5. To see what sum of money the Town will vote to appropriate for Soldiers' Relief the present year.

Voted, That the sum of \$15,000.00 be appropriated for Soldiers' Relief the present year.

ARTICLE 6. To see what sum of money the Town will vote to appropriate for Soldiers' Burial the present year.

Voted, That the sum of \$100 be appropriated for Soldiers' Burial the present year.

MARCH MEETING

ARTICLE 7. To see what sum of money the Town will vote to appropriate for State and Military Aid under General Laws (Ter. Ed.) Chapter 115, the present year.

Voted, That the sum of \$1,200.00 be appropriated for State and Military Aid under General Laws (Ter. Ed.) Chapter 115, the present year.

ARTICLE 8. To see what sum the Town will vote to raise and appropriate to meet the expenses incurred under Chapter 11 of the Acts of 1942 entitled "An Act to provide war allowance, state and military aid and soldiers' relief for certain residents of the commonwealth in the military or naval service of the United States and their dependents, and to provide for the burial of certain indigent soldiers, sailors or marines, their wives, widows, dependent fathers, mothers and children," as amended by Chapter 211 of the Acts of 1943, and act on anything relating thereto.

Voted, That the sum of \$500.00 be raised and appropriated to meet the expenses incurred under Chapter 11 of the Acts of 1942 entitled "An Act to provide war allowance, state and military aid and soldiers' relief for certain residents of the commonwealth in the military or naval service of the United States and their dependents, and to provide for the burial of certain indigent soldiers, sailors or marines, their wives, widows, dependent fathers, mothers and children" as amended by Chapter 211 of the Acts of 1943.

GENERAL GOVERNMENT

ARTICLE 9. To see what sum of money the Town will vote to appropriate for General Government for salaries and expenses of the following departments, and other purposes the present year:

1. Warrant Committee
2. Selectmen
3. Accountant
4. Town Engineer
5. Assessors
6. Treasurer
7. Tax Collector and Town Collector
8. Town Clerk
9. Election and Registration
 - a. Street Listing
10. Law
11. Town Hall and Lot and Thacher Building
12. Insurance
13. Town Reports
14. Board of Appeals
15. Planning Board
16. Local Rationing Board No. 206.

Voted, That the following amounts be so appropriated:

1. Warrant Committee	\$ 1,500.00
2. Selectmen	4,661.33
Including salaries of \$500 for each Selectman.	
3. Accountant	4,197.00
4. Town Engineer	19,526.19
5. Assessors	9,006.97
Including salaries of Chairman \$1200, 2nd and 3rd members \$800 each.	

MARCH MEETING

ARTICLE 11. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1945, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws (Ter. Ed.).

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1945, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws (Ter. Ed.).

(Unanimous Vote)

ARTICLE 12. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1946, in anticipation of the revenue of the financial year ending December 31, 1946.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow on and after January 1, 1946, to an amount not to exceed \$250,000.00 from time to time in anticipation of the revenue of the financial year beginning January 1, 1946, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1946.

(Unanimous Vote)

ARTICLE 13. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

Voted, To authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

ARTICLE 14. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

Voted, To authorize the Selectmen to employ counsel to represent the town at hearings before Committees of the General Court.

ARTICLE 15. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; such committee to hold office for the calendar year next following its appointment, to have full power to fill vacancies in its own number, and to report to the Town Meeting next following the close of its term of office.

Voted, To authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with

MARCH MEETING

the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; such committee to hold office for the calendar year next following its appointment, to have full power to fill vacancies in its own number, and to report to the Town Meeting next following the close of its term of office.

COMMITTEE

Lincoln Bryant, 149 Randolph Avenue

| 6. School Teachers' Pensions, Section 42, Chapter 32, General Laws (Ter. Ed.) | 2,500.00 |

ARTICLE 17. To see what sum of money the Town will appropriate for the Contributory Retirement System as follows:

- | | |
|-------------------------------|--------------------------|
| (1) Annuity Savings Fund | (4) Pension Reserve Fund |
| (2) Annuity Reserve Fund | (5) Expense Fund |
| (3) Pension Accumulation Fund | (6) Interest Deficiency |

and act on anything relating thereto.

Voted, That the sum of \$20,782.26 be appropriated for the Contributory Retirement System as follows:

- | | |
|-------------------------------|--------------------------|
| (1) Annuity Savings Fund | (4) Pension Reserve Fund |
| (2) Annuity Reserve Fund | (5) Expense Fund |
| (3) Pension Accumulation Fund | (6) Interest Deficiency |

MARCH MEETING

ARTICLE 18. To see what sum of money the Town will appropriate under the provisions of Section 9A of Chapter 708 of the Acts of 1941 as inserted in said Act by Chapter 419 of the Acts of 1943, to provide funds for the payment into a special fund of one-half the amount which would have been paid by the members of the retirement system on military leave of absence had they remained active in the service of the Town.

Voted, That the sum of \$826.49 be appropriated under the provisions of Section 9A of Chapter 708 of the Acts of 1941 as inserted in said Act by Chapter 419 of the Acts of 1943, to provide funds for the payment into a special fund of one-half the amount which would have been paid by the members of the retirement system on military leave of absence had they remained active in the service of the Town.

ARTICLE 19. To see what sum of money the Town will appropriate under the provisions of Chapter 419 of the Acts of 1943 to provide funds for the payment into a special fund of one-half the amount which would have been paid by members of the School System on military leave of absence had they remained in the service of the Town.

Voted, That the sum of \$428.90 be appropriated under the provisions of Chapter 419 of the Acts of 1943, to provide funds for the payment into a special fund of one-half the amount which would have been paid by members of the school system on military leave of absence had they remained in the service of the Town.

ARTICLE 20. To see what sum of money the Town will vote to appropriate for the observance of Memorial Day, 1945.

Voted, To appropriate the sum of \$650.00 for the observance of Memorial Day, 1945.

ARTICLE 21. To see what sum of money the Town will vote to appropriate for the celebration of the Fourth of July, 1945.

Voted, To appropriate the sum of \$350.00 for the celebration of the Fourth of July, 1945.

ARTICLE 22. To see what sum of money the Town will vote to appropriate for the observance of Armistice Day, 1945.

Voted, to appropriate the sum of \$100.00 for the observance of Armistice Day, 1945.

PROTECTION OF PERSONS AND PROPERTY

ARTICLE 23. To see what sum of money the Town will vote to appropriate for the protection of persons and property the present year:

- | | |
|---------------------------|-------------------------------------|
| 1. Police Department | 7. Street Lighting |
| 2. Fire Department | 8. Additional Lights |
| 3. Hydrant Service | 9. (1) Building Department |
| 4. Wire Department | (2) Plumbing Inspector |
| 5. Tree Warden Department | 10. Sealer of Weights and Measures. |
| For Public Work | 11. Traffic Lights. |
| For Private Work | |
| 6. Moth Department | |
| For Public Work | |
| For Private Work | |

MARCH MEETING

Voted, That the following appropriations be made for:

1. Police Department

General	\$80,359.63
Private Work	900.00

The above appropriation of \$80,359.63 includes the sum of \$100.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

2. Fire Department 82,739.00

The above appropriation of \$82,739.00 includes the sum of \$15,300.00 for new equipment, the Department being specifically authorized to exchange old equipment as an additional consideration in the purchase of new, and the sum of \$100.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

3. Hydrant Service 26,320.00

The above appropriation to be taken from the general taxes for the current year as Hydrant Rental, payable to the Water Department in quarterly installments upon presentation of its bill.

4. Wire Department 14,072.17

Including the sum of \$100.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

5. Tree Warden

For Public Work	8,225.00
For Private Work	1,000.00

6. Moth Department

For Public Work	5,204.00
For Private Work	1,500.00

7. Street Lighting 38,610.85
8. Additional Lights 300.00
9. (1) Building Department 4,822.34

(2) Plumbing Inspector 375.00
10. Sealer of Weights and Measures 1,040.30
11. Traffic Lights 900.00

MARCH MEETING

HEALTH AND SANITATION

ARTICLE 24. To see what sum of money the Town will vote to appropriate for Health and Sanitation the present year and for unpaid bills of previous years:

1. Health—General
2. Dental Dispensary for Schools
3. Inspector of Animals
4. Sewer Maintenance
5. Maintenance and Repairs of Norfolk County Hospital
6. Maintenance of Tuberculosis Clinic.

Voted, That the following appropriations be made for:

1. Health	\$ 8,400.00
2. Dental Dispensary for Schools	750.00
3. Inspector of Animals	300.00
4. Sewer Maintenance	5,886.00
5. Maintenance and Repairs of Norfolk County Hospital	11,984.20
6. Maintenance of Tuberculosis Clinic	940.00

ARTICLE 25. To see what sum of money the Town will vote to appropriate for the disposal of garbage, ashes and other refuse and of the present year.

Voted, That the sum of \$29,832.00 be appropriated for the disposal of garbage, ashes and other refuse and of the present year.

ARTICLE 26. To see if the Town will vote to amend the General Bylaws of the Town by adding thereto a Chapter to be known as Chapter 12, as follows:

CHAPTER XII

BOARD OF WATER COMMISSIONERS

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended, such sums to be paid to the Town Treasurer to the Credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

This bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board of Water Commissioners.

and to act on anything relating thereto.

Voted, To amend the General Bylaws of the Town by adding thereto a Chapter to be known as Chapter 12, as follows:

MARCH MEETING

CHAPTER XII.

BOARD OF WATER COMMISSIONERS

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended, such sums to be paid to the Town Treasurer to the credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

This bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board of Water Commissioners.

(Unanimous Vote)

Boston, Mass., March 21, 1945

THE FOREGOING BYLAW IS HEREBY APPROVED.

(signed) Clarence A. Barnes,
Attorney General

ARTICLE 27. To see what sum of money the Town will appropriate for expenditure by the Board of Water Commissioners, said sum to be held in a special account to be known as the Account for Mains in Private Ways and to be expended for the purpose of constructing water mains and appurtenances in private ways as to which deposits shall have been made to reimburse the Town for such expenditures. No such expenditure shall be made in or liability incurred in connection with any such way in excess of the deposit made for such way and until after such deposit has been made, and until after takings have been made of rights and easements necessary for the construction and maintenance of such water mains and appurtenances, and to act on anything relating thereto.

Voted, To appropriate for expenditure by the Board of Water Commissioners, the sum of \$5,000.00 to be transferred from Water Department Surplus to a special account to be known as the Account for Mains in Private Ways and to be expended for the purpose of constructing water mains and appurtenances in private ways as to which deposits shall have been made to reimburse the Town for such expenditures. No such expenditure shall be made in or liability incurred in connection with any such way in excess of the deposit made for such way and until after such deposit has been made, and until after takings have been made of rights and easements necessary for the construction and maintenance of such water mains and appurtenances.

MARCH MEETING

ARTICLE 28. To see what sum of money the Town will vote to appropriate for the Water Department for the current year, and to provide for the disposition of obsolete property, and act on anything relating thereto.

Voted, To appropriate the sum of \$159,502.00 for the general uses of the Water Department during the present year, to be expended by the Water Commissioners in accordance with the Acts of 1902, Chapter 307, and Acts in amendment thereof and in addition thereto, said uses to include:

- (a) the Metropolitan Water Assessment;
- (b) the retirement of bonds and/or notes due in 1945;
- (c) the interest on bonds and/or notes outstanding in Town of Milton water loans;
- (d) a sum not exceeding \$4,000.00 for extensions of and/or improvements of the system of mains;
- (e) all other lawful expenditures;
- (f) the sum of \$1,700.00 for new equipment and/or replacement of present equipment and/or property and that the Water Commissioners are specifically authorized to exchange old equipment as an additional consideration in the purchase of new;
- (g) the sum of \$150.00 for the necessary expenses of the officers and employees of the Department, incurred outside the Commonwealth in securing information upon matters in which the Town is interested or which may tend to improve the service in the Department;

and that to meet said appropriation \$125,786.34 be raised from the tax levy, and \$33,715.66 be transferred from the available Water Department surplus as of December 31, 1944.

ARTICLE 29. To see what sum of money the Town will vote to raise and appropriate for the installation of water mains of not less than six inches in diameter and their appurtenances and to act on anything relating thereto.

Voted, That no appropriation be made.

ARTICLE 30. To see what sum of money the Town will vote to expend for the construction of sewers for sanitary purposes and for sewage disposal and to appropriate and raise by borrowing or otherwise money for the same and to act on anything relating thereto.

Voted, That the Town appropriate the sum of \$6,519.00 for the construction of sewers for sanitary purposes and for sewage disposal; and that to meet said appropriation there be raised in the tax levy of the current year the sum of \$6,519.00.

ARTICLE 31. To see what sum of money the Town will vote to appropriate for the maintenance and improvement of the Cemetery the present year.

Voted, That the sum of \$20,863.49 be appropriated, including the sum of \$50.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

ARTICLE 32. To see if the Town will authorize the Selectmen to acquire in the name and behalf of the Town, by purchase the lands hereinafter substantially described for cemetery purposes for an enlargement of the existing cemetery, and to authorize the Selectmen, if, in their judgment it shall seem necessary, to make ap-

MARCH MEETING

plication to the County Commissioners of the County of Norfolk to take the same by eminent domain on behalf of the Town and to see what sum of money the Town will vote to appropriate and raise by borrowing or otherwise for the purpose of acquiring said lands, and to act on anything relating thereto.

Said lands are substantially bounded and described as follows:

Three certain parcels of land in said Milton, bounded and described as follows:

First Parcel: A certain parcel of land bounded and described as follows: Beginning at a stone bound in the westerly side of the right of way to Centre Street, at land now or formerly of George M. Anderson, then bounded

Northerly by land now or formerly of said Anderson 120 feet; then

Southwesterly by land of the Town of Milton and land now or formerly of George Y. Badger 1598.20 feet; then

Southeasterly by land now or formerly of Mary McPherson and land now or formerly of Michael W. Murray 550.55 feet; then

Southerly by said land of Michael W. Murray 178.48 feet; then

Easterly by land now or formerly of Michael W. Murray 111.84 feet; then

Northeasterly by land now or formerly of J. Henry Brooks 623.88 feet; then

Northerly by land now or formerly of J. Henry Brooks and land of Elinor M. Ladd and land now or formerly of Benjamin F. Dudley Estate 429.20 feet; then

Northerly again by the southerly end of the right of way to Centre Street 20 feet; then

Easterly on the center line of said right of way 550.80 feet; then

Northerly by a portion of the westerly half of said right of way 20 feet to the point of beginning, be all of said measurements more or less.

The above described parcel is subject to and does not include a life estate in Elinor M. Ladd and Alexander H. Ladd, both of said Milton, and the survivor of them in a portion of the above described parcel, bounded and described as follows:

Northerly on other land of said Elinor M. Ladd 271.60 feet and on land now or formerly of J. Henry Brooks 20 feet; then

Northeasterly on land now or formerly of J. Henry Brooks 623.88 feet; then

Southwesterly by a straight line running from the northwesterly corner of land conveyed to Henry G. Brooks by deed dated May 24, 1928, and recorded with Norfolk Deeds, Book 1797, Page 339, to the southwesterly corner of said land of Elinor M. Ladd, measuring about 700 feet, be all of said measurements more or less.

Second Parcel: A certain parcel of land bounded and described as follows:

Northeasterly by Brook Road 425.37 feet; then

Southeasterly by land now or formerly of Rachel W. Brooks 682.35 feet; then Northerly by said Rachel W. Brooks' land by ten lines measuring together 649.68 feet; then

Westerly by land of said Rachel W. Brooks by two lines measuring 221.55 feet and 401.06 feet; then

Northerly by Brook Road by three lines measuring 474.01 feet, 263.08 feet, and 6.34 feet; then

Easterly by land now or formerly of Forbes and Perkins by two lines measuring 145 feet, more or less, and 55 feet, more or less; then

Southeasterly by land now or formerly of Forbes Real Estate Trust 553 feet; then

Southeasterly but more easterly by said land of Forbes Real Estate Trust 124.4 feet; then

MARCH MEETING

Southerly by land now or formerly of Rachel W. Brooks 200.20 feet; then Easterly by said land of Rachel W. Brooks 228.67 feet; then Easterly by land now or formerly of said Forbes Real Estate Trust about 706.33 feet; then Southerly on Murray Avenue 230.07 feet; then Westerly by land now or formerly of Henry G. Brooks 137.30 feet; then Southerly on said land of Henry G. Brooks 120 feet; then Southerly again by land now or formerly of Bingay 45.08 feet; then Southwesterly by land now or formerly of Bingay and by the third parcel hereinafter described being land now or formerly of Henry G. Brooks, 322 feet; then Southeasterly by said land of Henry G. Brooks 140.25 feet; then Southwesterly by land now or formerly of Alexander H. Ladd 623.88 feet; then Southeasterly by said land of Alexander H. Ladd 20 feet, more or less; then Westerly by land now or formerly of Elinor M. Ladd 971.8 feet, to the point of beginning, be all of said measurements more or less.

The above described parcel is to be subject to and not to include the following:

1. A life estate in Rachel W. Brooks of said Milton in a portion of the above described parcel, bounded and described as follows:

Northeasterly by Brook Road 425.37 feet; then Southeasterly by other land of the said Rachel W. Brooks 682.35 feet; then Northerly by said land of Rachel W. Brooks by ten lines measuring together 649.68 feet; then Westerly by said land of Rachel W. Brooks by two lines measuring 221.55 feet and 401.06 feet; then Northerly by Brook Road by three lines measuring 474.01, 263.08 and 6.34 feet; then Easterly by land now or formerly of Forbes and Perkins by two lines measuring 145 feet, more or less, and 55 feet, more or less; then Southeasterly by land now or formerly of Forbes Real Estate Trust 553 feet; then Southeasterly but more easterly by said land of Forbes Real Estate Trust 124.4 feet; then Southerly by land now or formerly of Rachel W. Brooks 200.20 feet; then Southerly by a line commencing at said land of Rachel W. Brooks hereinbefore last mentioned and running westerly to a point distant 250 feet southerly from the northeasterly corner of land of Alexander H. Ladd hereinbefore mentioned, about 560 feet; then Westerly by said land now or formerly of Alexander H. Ladd 250 feet; then Southerly by said land now or formerly of Alexander H. Ladd 20 feet; then Westerly by land now or formerly of Elinor M. Ladd 971.8 feet to the point of beginning, be all of said measurements more or less.

2. An easement belonging to Rachel W. Brooks, her heirs and assigns, appurtenant to all her land on the southerly side of Brook Road to use, maintain, repair, and replace the existing water main extending from a point near the junction of Pleasant Street and Murray Avenue in a northerly direction to said land of Rachel W. Brooks.

3. An easement belonging to said Rachel W. Brooks and her heirs and assigns as appurtenant to all her land on the southerly side of Brook Road during her life and for a period of five years after her death to use for purposes of ingress and egress on foot and in vehicles the carriage road extending from the premises conveyed to her by John Henry Brooks by deed dated April 24, 1907, and recorded with Norfolk Deeds, Book 1052, Page 161, in a general northeasterly direction to Brook Road.

MARCH MEETING

4. To any existing easements belonging to the Town of Milton.

Third Parcel: A certain parcel of land bounded and described as follows:

Easterly by land now or formerly of J. Henry Brooks 165.18 feet; being the land hereinbefore described in Parcel 2; then

Northerly by said land of J. Henry Brooks in Parcel 2, 140.25 feet; then

Westerly by land now or formerly of Alexander H. Ladd 112.36 feet; then

Southerly by land now or formerly of Helena M. Hoy 195.85 feet, be all of said measurements more or less.

Voted, That the Town hereby authorizes the Selectmen to acquire in the name and behalf of the Town by purchase the lands substantially described in Article 32 of the Warrant for cemetery purposes for an enlargement of the existing cemetery and hereby authorizes the Selectmen if in their judgment it shall seem necessary to make application to the County Commissioners of the County of Norfolk to take the same by eminent domain on behalf of the Town and that the Town will permit the use of said lands for burial and that the sum of \$39,000 be and hereby is appropriated for acquiring the said lands as aforesaid and expenses of the same and that to meet said appropriation there be raised from the tax levy of the current year the sum of \$10,000; and that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of \$29,000 and to issue bonds or notes, bearing on the face the words "Town of Milton Cemetery Loan 1945" and to be payable in accordance with Section 19 of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than ten years from the date of the first bond or note, or such earlier date as the Treasurer or Selectmen may determine. Each bond or note shall be in coupon form and shall be subject to registration as to principal and may be exchanged in compliance with the statutory provisions for a registered certificate representing an equivalent obligation for principal and interest. The coupon bonds shall not be obligatory without the authenticating certificate thereon of a National Bank or Trust Company located in Boston, Massachusetts.

(Carried by more than 2/3 vote)

The count under this vote was: Yes 174; No 32.

ARTICLE 33. To see what sum of money the Town will vote to appropriate for the general use of the Board of Park Commissioners the present year.

Voted, That the sum of \$7,145.00 be appropriated for the general use of the Board of Park Commissioners the present year.

4. Private Work	1,500.00
5. New Equipment	13,443.85

ARTICLE 41. To see if the Town will vote to accept the relocation and alteration of the southerly side of Eliot Street, a Town Way, beginning at a point 473.34 feet westerly from the point of curve at Central Avenue, as laid out by the Selectmen, and to raise and appropriate money therefor, and to act on anything relating thereto.

MARCH MEETING

Voted, To accept the relocation and alteration of the southerly side of Eliot Street, a Town Way, beginning at a point 473.34 feet westerly from the point of curve at Central Avenue, as laid out by the Selectmen, and to raise and appropriate the sum of \$200.00 therefor.

ARTICLE 42. To see what sum of money the Town will vote to appropriate for the care and maintenance of Granite Avenue Bridge over the Neponset River, under Chapter 58, General Acts of 1915.

Voted, That the sum of \$4,022.00 be appropriated for the care and maintenance of Granite Avenue Bridge over the Neponset River, under Chapter 58, General Acts of 1915.

ARTICLE 43. To see what sum the Town will appropriate for maintaining, repairing, improving and constructing ways under the provisions of General Laws (Ter. Ed.), Chapter 90, said sum, or any portion thereof, to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, and to act on anything relating thereto.

Voted, That the sum of \$900.00 be raised and appropriated to meet the Town's share of the cost of Chapter 90 Highway Maintenance, and that, in addition, the sum of \$1,800.00 be transferred from unappropriated available funds in the treasury to meet the State's and County's share of the cost of the work, the reimbursements from the State and County to be restored, upon their receipt, to unappropriated available funds in the treasury.

ARTICLE 44. To see if the Town will vote to accept Denmark Avenue, running from Squantum Street to Private Land, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, to accept Denmark Avenue, running from Squantum Street to Private Land, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 52.

ARTICLE 45. To see if the Town will vote to accept Greenleaf Road running from Windsor Road to Standish Road, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept Greenleaf Road, running from Windsor Road to Standish Road, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Art. 52.

ARTICLE 46. To see if the Town will vote to accept part of Holborn Street, running from Otis Street to Private Land, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Holborn Street, running from Otis Street to Private Land, as a Town Way, as laid out by the Selectmen under laws authorizing the assessment of betterments. Appropriation voted under Article 52.

ARTICLE 47. To see if the Town will vote to accept Rockwell Place, running from Rockwell Avenue to Private Land, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

MARCH MEETING

Voted, To accept Rockwell Place, running from Rockwell Avenue to Private Land, as laid out by the Selectmen under laws authorizing assesment of betterments. Appropriation voted under Article 52.

ARTICLE 48. To see if the Town will vote to accept part of Victory Avenue, running from the Town Line to Private Land, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Victory Avenue, running from the Town Line to Private Land, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 52.

ARTICLE 49. To see if the Town will vote to accept Wildwood Road, running from Clifton Road to Town Land, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept Wildwood Road, running from Clifton Road to Town Land, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 52.

ARTICLE 50. To see if the Town will vote to accept part of Crown Street, running from Essex Road 281 feet northwesterly, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Crown Street, running from Essex Road 281 feet northwesterly, as a Town Way, as laid out by the Selectmen under laws authorizing the assessment of betterments. Appropriation voted under Article 52.

ARTICLE 51. To see if the Town will vote to accept part of Essex Road, running from Decker Street 400 feet west, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Essex Road, running from Decker Street 400 feet west, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 52.

ARTICLE 52. To see what sum of money the Town will vote to appropriate or raise by borrowing or otherwise, for original construction of public ways, including land damages and the cost of pavement and sidewalks laid at the time of construction, accepted under Articles 44, 45, 46, 47, 48, 49, 50, 51 or any of them, and to act on anything relating thereto.

Voted, That the sum of \$32,400.00 be appropriated to be expended for original construction as follows:

Article 44. Denmark Avenue	\$8,100.00
Article 45. Greenleaf Road	3,500.00
Article 46. Holborn Street	3,500.00
Article 47. Rockwell Place	2,800.00
Article 48. Victory Avenue	1,600.00
Article 49. Wildwood Road	4,100.00
Article 50. Crown Street	3,900.00
Article 51. Essex Road	4,900.00

MARCH MEETING

and that to meet said appropriation there be raised from the tax levy of the current year the sum of \$10,368.90 and that the unexpended street betterment balances of \$2,031.10 as itemized below, be transferred to this account:

Kenilworth Road	\$ 305.56
Lawndale Road	245.53
Lawrence Road	919.94
Westvale Road	560.07
	<hr/>
	\$2,031.10

and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$20,000.00 and to issue bonds or notes, on the face the words "Town of Milton, Street Construction Loan 1945", and to be payable in accordance with Section 19 of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than ten years from the date of the first bond or note, or such earlier date as the Treasurer or Selectmen may determine. Each bond or note shall be in coupon form and shall be subject to registration as to principal and may be exchanged in compliance with the statutory provisions for a registered certificate representing an equivalent obligation for principal and interest. The coupon bonds shall not be obligatory without the authenticating certificate thereon of a National Bank or Trust Company located in Boston, Mass.

(Unanimous Vote)

ARTICLE 53. To see if the Town will vote to raise and appropriate the sum of \$895.35 to offset unpaid balance of Chapter 90, Highway Account of 1938 for Granite Avenue relocation.

Voted, to raise and appropriate the sum of \$895.35 to offset unpaid balance of Chapter 90, Highway Account of 1938 for Granite Avenue relocation.

ARTICLE 54. To see what sum of money the Town will vote to authorize the Assessors to use out of the Excess and Deficiency Account in fixing the tax rate for 1945.

Voted, To authorize the Assessors to use the sum of \$98,000.00 out of the Excess and Deficiency Account in fixing the tax rate for 1945.

ARTICLE 55. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures during the current year and to apply from overlay reserve such amount as the Town shall determine to meet in whole or in part such appropriation, and to act on anything relating thereto.

Voted, That the sum of \$22,000.00 be appropriated and that to meet said appropriation the sum of \$18,710.25 be transferred from the Overlay Reserve accumulated as of December 31, 1944 and the balance of \$3,289.75 be raised in the Tax Levy.

ARTICLE 56. To see if the Town will accept Section 3A of Chapter 115 of the General Laws (Ter. Ed.) providing that no almoner or member of the board of public welfare, or officer performing similar duties, or any agent of any of them, shall directly or indirectly act as agent or disbursing officer of the selectmen for the payment of state or military aid or soldiers' relief; provided, that this section shall not operate to prevent selectmen in towns who are also members of boards of public welfare from acting in their capacity as selectmen or through an agent acting for the selectmen.

MARCH MEETING

Voted, To accept Section 3A of Chapter 115 of the General Laws (Ter. Ed.) providing that no almoner or member of the board of public welfare, or officer performing similar duties, or any agent of any of them, shall directly or indirectly act as agent or disbursing officer of the selectmen for the payment of state or military aid or soldiers' relief; provided, that this section shall not operate to prevent selectmen in towns who are also members of boards of public welfare from acting in their capacity as selectmen or through an agent acting for the selectmen.

ARTICLE 57. To see if the Town will vote to accept Chapter 42 of the Acts of 1945, repealing Chapter 305 of the Special Acts of 1917 relating to the Wadsworth Trust and act on anything relating thereto.

Voted, To accept Chapter 42 of the Acts of 1945, repealing Chapter 305 of the Special Acts of 1917 relating to the Wadsworth Trust.

ARTICLE 58. To see if the Town will vote to adopt an amendment of the provisions of Chapter 10 of the General Bylaws of the Town, known as the Zoning Bylaw, in Section V. Paragraph B thereof, by striking out the period at the end of said paragraph and by inserting at the end of said paragraph the words

"unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C."

so that the said paragraph shall read:

B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C.

or to adopt said proposed amendment as the same may be amended by the Town at said meeting.

Voted, To amend the amendment of the Zoning Bylaw proposed under Article 58 of the Warrant by striking out the period after the letter C and inserting a comma in place thereof and by adding to such proposed amendment the words "provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands so that the same shall read:

B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C, provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands.

(Carried by more than 2/3 vote)

Boston, Mass., March 21, 1945

THE FOREGOING BYLAW IS HEREBY APPROVED.

(signed) CLARENCE A. BARNES,
Attorney General.

MARCH MEETING

ARTICLE 59. To see if the Town will accept Chapter 45 of the Acts of 1945, entitled "An Act authorizing the board of selectmen of the Town of Milton to permit Walter Baker & Company, Inc., to construct and maintain a bridge over Adams Street in the Town of Milton" and act on anything relating thereto.

Voted, That the Town do not so vote.

ARTICLE 60. To see if the Town will vote to amend the provisions of several sections of Chapter 10 of the General Bylaws of the Town known as the Zoning Bylaw and to change the Zoning Map which is part of said Zoning Bylaw, as follows:

Section II, Paragraph A, by inserting at the end thereof after Sub-section 4

"5. Industrial Districts."

Section II, Paragraph B, by striking out the first and second sentences thereof and inserting in place of them the following:

"The boundaries of Business Districts hereunder shall continue to be as existing immediately prior to the adoption of this Bylaw except as changed by the setting apart of any portion of a Business District as an Industrial District. The boundaries of Residence A Districts, Residence B Districts, and Residence C Districts, and the Industrial Districts, shall be as shown on the Zoning Map."

Change said Zoning Map with respect to the Business District shown thereon as located in and near Milton Lower Mills, so-called, by setting apart on said Map a portion of said Business District as an Industrial District, the boundary lines of said Industrial District to run and to be shown on said Map as follows:

Beginning at a point on the town line of Milton and Boston at the thread of the Neponset River directly under the center of the main line of the N.Y., N.H. & H. R.R. tracks at the bridge, thence running in a generally southwesterly and westerly direction 1665.80 feet more or less along the center of the main line of the railroad tracks of the N.Y., N.H. & H. R.R., thence turning and running in a northerly direction 33.5 feet more or less to a stone bound which is a common property corner between the Metropolitan District Commission, the N.Y., N.H. & H. R.R., and Walter Baker and Company, Inc., and thence turning and running in a northeasterly direction 167 feet more or less along the property line between the Metropolitan District Commission and Walter Baker and Company, Inc. to the town line of Milton and Boston which is approximately the center of the Neponset River, thence turning and running in a generally easterly, northeasterly and southeasterly direction along the Milton-Boston town line which is approximately the center line of the Neponset River 1692 feet more or less to the point of beginning.

Add to said Zoning Map a Zoning Symbol for the Industrial District which will provide that Industrial Districts shall be shown by solid color.

Section III, by inserting at the end thereof the following new Paragraph D:

"D. Industrial District Uses. In an Industrial District no building shall be erected, altered or used and no land shall be used for any purpose injurious, noxious, or offensive to the neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise, or other cause, or for any purpose whatever except the following purposes:

1. Any use permitted in a Residence A, B, or C District;
2. Any use permitted in a Business District;

MARCH MEETING

3. Any industrial, trade, manufacturing, commercial or other purpose not prohibited by Sub-paragraph 5 of this section, or by statute or bylaw of the Town;
4. Such purposes as are incidental to or usual in connection with the purposes authorized by this section;
5. No building or structure or part thereof shall be constructed, maintained or used in whole or in part, and no building or structure or part thereof shall be altered, enlarged, reconstructed, or used for any of the following specified purposes, unless such use is incidental to or usual in connection with a use authorized by this section: acetylene gas manufacturing, ammonia, bleaching powder, or chlorine manufacturing, asphalt manufacturing or refining, assaying, other than gold or silver; blast furnace; boiler making, brass, copper, iron or steel manufacturing; candle manufacturing; celluloid manufacturing; treatment, or storage; cement, lime or plaster of paris manufacturing; coal tar products manufacturing; coke manufacturing; cork manufacturing; cremation, except in cemetery; creosote treatment or manufacturing; dextrine, glucose, or starch manufacturing; distillation of bones, coal or wood; dye-stuff manufacturing; emery cloth or sandpaper manufacturing; enamel, japan, lacquer, oil, paint, shellac, turpentine, or varnish manufacturing; explosives, fireworks, or gunpowder manufacturing; fat rendering; fertilizer manufacturing; gasoline, naphtha, or petroleum refining; gelatine, glue, or sizing manufacturing; grease, lard, or tallow manufacturing; hydrochloric, nitric, picric, sulphuric, or sulphurous acid manufacturing; incineration or reduction of dead animals; garbage, offal, or refuse, except in a municipal plant; lampblack manufacturing; linoleum or oilcloth manufacturing; match manufacturing; pickle, sauerkraut, sausage, or vinegar manufacturing; potash refining; printing ink manufacturing; pyroxylin plastic manufacturing; rolling mill, rubber, caoutchouc or gutta percha manufacturing; salt manufacturing; shoe blacking, cleaning, or polish manufacturing; slaughtering of animals or fowls, except on premises used for farming, or in the case of fowls to be sold at retail on the premises; smelting of iron; soap manufacturing; soda and soda compound manufacturing; stove blacking or polish manufacturing; sugar refining; tanning, curing, or storage of raw leather, raw hides, or skins, tar distillation or manufacturing; tar roofing or tar waterproofing manufacturing; tobacco (chewing) manufacturing; yeast manufacturing.

Section V, by inserting a new Paragraph B1 as follows:

"B1. Building Height in Industrial District. In an Industrial District no building shall be erected or altered so that the maximum height shall exceed 60 feet above the bench mark of the Town of Milton, which mark is located on the Adams Street Bridge across the Neponset River."

or to adopt said proposed amendments as the same may be amended by the Town at the Town Meeting.

Voted, That the Town do not so vote.

ARTICLE 61. To see if the Town will vote to amend Chapter 2 of the General Bylaws in Section 2 thereof by striking out therefrom the words "from fifteen minutes before six o'clock in the forenoon until four o'clock in the afternoon" and by inserting in place thereof the words:

"from eight o'clock in the forenoon until six o'clock in the afternoon"
so that the same shall read:

Section 2. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the

MARCH MEETING

forenoon until six o'clock in the afternoon for the election of such Town officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

Voted, To amend Chapter 2 of the General Bylaws in Section 2 thereof by striking out therefrom the words "from fifteen minutes before six o'clock in the forenoon until four o'clock in the afternoon" and by inserting in place thereof the words:

"from eight o'clock in the forenoon until six o'clock in the afternoon"
so that the same shall read:

Section 3. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the forenoon until six o'clock in the afternoon for the election of such Town officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

(Unanimous Vote)

Boston, Mass., March 21, 1945.

THE FOREGOING BYLAW IS HEREBY APPROVED.

(signed) CLARENCE A. BARNES,
Attorney General.

ARTICLE 62. To see if the Town will vote to amend the General Bylaws of the Town in Chapter 4 thereof by adding at the end of said Chapter the following section:

Section 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

and act on anything relating thereto.

Voted, To amend the General Bylaws of the Town in Chapter 4 thereof by adding at the end of said Chapter the following section:

Section 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing

MARCH MEETING

provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

(Unanimous Vote)

Boston, Mass., March 21, 1945.

THE FOREGOING BYLAW IS HEREBY APPROVED.

(signed) CLARENCE A. BARNES,
Attorney General.

ARTICLE 63. To see if the Town will vote to authorize the Board of Selectmen to lease or will make other disposition of the forty acres of land received under the will of Governor William Stoughton and the buildings thereon, formerly known as the Town Farm or Town Infirmary, or any part thereof, and to appropriate money therefor and to act on anything relating thereto.

Voted, That the Board of Selectmen be and hereby is authorized in name and behalf of the Town, from time to time until otherwise voted by the Town, to lease forty acres of land received under the will of Governor William Stoughton and the buildings thereon, or any part thereof, for a term or terms not exceeding three years each term, for such rental and on such terms and conditions as the Selectmen shall determine; the net proceeds of such lease or leases to be applied for the benefit of the poor of the Town as the Selectmen shall judge best.

ARTICLE 64. To see if the Town will vote the following:

Appointing officers shall grant to permanent employees of the Town of Milton the following:

For twenty years' service, but less than thirty years' service, vacation allowance of three weeks with pay.

For thirty years' service or more, vacation allowance of four weeks with pay.

The provisions of this rule shall not apply to teachers and supervisors in the School Department whose weeks of service and basis of payment of salary are regulated.

Voted, That the Town do not so vote.

ARTICLE 65. To see if the Town will vote to authorize the Selectmen to appoint an Advisory Committee for Veterans, to furnish information and advice to veterans of the present war upon their return to civilian life, and to appropriate money for the use of said Committee and to act on anything relating thereto.

Voted, To authorize the Selectmen to appoint an Advisory Committee for Veterans, to furnish information and advice to veterans of the present war upon their return to civilian life and that the sum of \$250.00 be appropriated to the account of the Selectmen for the use of this committee.

ARTICLE 66. To see if the Town will request the Moderator to appoint a committee of five citizens to consider the selection of a site, and the advisability of erecting thereon a building which will be under the jurisdiction of the Board of Park Commissioners.

This building will contain a swimming pool, and an auditorium to be utilized by the Town as a recreational center and for Town business. The auditorium to be equipped for basketball, badminton and similar athletic activities, and which will

MARCH MEETING

also be available for meetings and activities of various organizations in the Town. As well as providing a healthy outlet of activity for the youth of the Town, its use would be available to all of our citizens in its many aspects.

This project is further described in the plan submitted to the Board of Selectmen on January 22 by the Board of Park Commissioners as a major item of the Post-war Capital Budget Plan.

It is proposed that the structure be regarded as a "Memorial Hall" commemorating the men of Milton who have been sacrificed in this war and previous ones as well, and it will be a live memorial in its utilitarian as well as recreational facilities.

Said committee to consider the utilization of said site and building for any or all the above purposes or for such other purposes as to the committee may seem advisable and to report with their recommendations in writing filed in the office of the Board of Selectmen on or before December 31, 1945.

DANIEL E. DUGGAN
CHARLES F. BATCHELDER, JR.
JOSIAH BABCOCK

Selectmen of Milton.

MARCH MEETING

Commonwealth of Massachusetts, Norfolk, ss. February 26, 1945.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the postoffices of the Town and leaving attested copies at the dwellings of the inhabitants.

(Signed)

WILLIAM B. LADD,
Constable.

March 10, 1945. 5:08 P.M. Voted, That the meeting be dissolved.

The foregoing meeting was opened March 3, 1945 at 5:45 A.M. by the Wardens in the several precincts.

G. FRANK KEMP,
Town Clerk.

The following is a true copy of the form as posted of the

(SEAL)

GENERAL BYLAWS

Chapter 2 Section 2, Chapter 4 Section 14,
Chapter 10 Section V Paragraph B, and
Chapter 12; as amended at Town Meeting
March 10, 1945 and approved by the Attorney
General, March 21, 1945.

Commonwealth of Massachusetts, Norfolk, ss.

To any of the Constables of the Town of Milton in said County, Greeting:

You are hereby requested to post the following bylaws in one or more public places in each of the seven precincts in accordance with Chapter 185 of the Acts of 1933.

Hereof fail not, and make due return of these bylaws with your doings thereon to the Town Clerk, Milton.

Given under my hand at Milton, the 26th day of March, Nineteen hundred and forty-five.

G. FRANK KEMP,
Town Clerk.

CHAPTER 2

Section 2. The annual meeting for the election of Town Officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the forenoon until six o'clock in the afternoon for the election of such Town Officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

CHAPTER 4

Section 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with

MARCH MEETING

the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

CHAPTER 10

Section V Paragraph B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C, provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands.

CHAPTER 12

Board of Water Commissioners

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended such sums to be paid to the Town Treasurer to the Credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

The bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board of Water Commissioners.

March 26, 1945.

I HEREBY CERTIFY that the foregoing is a true copy of Chapter 2, Section 2, Chapter 4 Section 14, Chapter 10 Section V Paragraph B and Chapter 12 of the General Bylaws as amended by votes passed under Articles 61, 62, 58 and 26 of the Warrant for the annual Town Meeting held March 10, 1945.

G. FRANK KEMP,
Town Clerk.

Boston, Mass.
March 21, 1945

THE FOREGOING AMENDMENTS TO BYLAWS ARE HEREBY APPROVED.

A true copy, attest:

(Signed) CLARENCE A. BARNES,
Attorney General.

(Signed) JOHN B. SHIELDS,
Constable of Milton.

MARCH MEETING

Commonwealth of Massachusetts, Norfolk, ss.

March 26, 1945.

I hereby certify that I have posted attested copies of the within bylaws at the following places in the seven precincts of the Town:

- Precinct 1. Mattapan Branch Library
- Precinct 2. Field House at Brook Road Playground
- Precinct 3. Police Station
- Precinct 4. Town Hall
- Precinct 5. Central Library, Canton Avenue
- Precinct 6. East Milton Library
- Precinct 7. Fire Station, Hose #2

JOHN B. SHIELDS,
Constable of Milton.

REPORTS OF
SPECIAL COMMITTEES

REPORTS OF SPECIAL COMMITTEES

REPORT OF MILTON WAR FINANCE COMMITTEE

January 16, 1946.

*To the Citizens of the Town of Milton,
Milton, Mass.*

Although there were but two War Loan Drives during 1945 as compared to three drives during 1944 the people of the Town of Milton subscribed to a larger number of war bonds this year than ever before. The overall total to date is \$7,604,000.00 as against \$7,524,000.00 last year.

In the Seventh War Loan Drive held in June a new record of \$4,208,000.00 total sales was set as compared with our overall quota of \$1,934,000.00. Our "E" Bond quota of \$414,000.00 was not met as \$293,000.00 "E" Bonds were sold but our individual quota of \$910,000.00 was exceeded by over 200%.

In the Victory Loan Drive in November and December our quota was set at \$1,715,000.00. Sales totaled \$3,396,000.00. "E" Bond sales totaled \$218,000.00 or 117% of the quota of \$181,000.00 originally set.

The War Finance Committee wishes to thank the people of Milton for their generous and patriotic response to all the War Loan Drives.

Respectfully yours,

MILTON WAR FINANCE COMMITTEE,

Standish T. Bourne, Chairman.

REPORT OF MILTON WAR TRANSPORTATION COMMITTEE

January 21, 1946.

To the Board of Selectmen,

Town of Milton, Massachusetts

Gentlemen:

This Committee is proud of and grateful for the splendid patriotic cooperation during the war period of our fellow citizens who, at great inconvenience and much discomfort to themselves, whole-heartedly complied with the many burdensome but necessary limitations and restrictions upon their travel.

Now that the war is over and most of the Directives of the Office of Defense Transportation have been withdrawn, there seems no longer to be need for activity by this Committee.

May we, in bringing to a close our war-time assignment, remind all that transportation means and methods are yet insufficient and inadequate to supply all the needs which our total desires require. Until reconversion is completed and conditions settled, let us travel as little as possible and conserve our automobiles or other methods of transportation.

Respectfully,

JOHN J. MURRAY,

Local Administrator.

REPORTS OF SPECIAL COMMITTEES

REPORT OF THE MILTON SALVAGE COMMITTEE

To the Honorable Board of Selectmen,

Dear Sirs:—

The Milton Salvage Committee, which acted under the supervision of the Massachusetts Salvage Committee and the authority of the War Production Board, submits herewith its final report. The first part of the report covers the period from January 1st, 1945 until the Committee was dissolved on September 30th, 1945. The second part is a summary of all Milton Salvage Committee activities from its start on May 27th, 1942 under the Chairmanship of Knight Ames, then under Theodore E. Brown, and finally under the present Committee from the summer of 1943 to its dissolution on September 30th, 1945.

PART I

(Period from January 1st, 1945 to September 30th, 1945)

Salvage Collected:

Paper Collections (3 in all)	258 tons
Tin Can Collections (3 in all)	40 tons
Kitchen Fats (partly estimated)	14½ tons
Total for the Period	312½ tons

FINANCIAL STATEMENT

(January 1st, 1945 to September 30th, 1945)

Receipts—

Cash on hand January 1st, 1945	\$ 104.25
Sale of Paper Salvage:	
December 29th, 1944 Collection	1,283.36
(Funds received in 1945)	
March Collection	1,262.10
June Collection	1,144.35
September Collection	835.53

Miscellaneous Expenses	492.19

\$13,230.73

Milton's record of Salvage Collections was outstanding, and one that the Town may look back on with satisfaction.

It was only because of the wholehearted patriotic cooperation of all concerned, the householders, the Board of Selectmen, the various Town Department Heads and Town employees, who helped with the collections, that the thirty-two salvage drives went off as smoothly and successfully as they did.

Our thanks and gratitude goes out to you all.

Respectfully submitted,

MILTON SALVAGE COMMITTEE

Mrs. Weston Howland,
Mrs. Maxwell E. Macdonald,
George L. Campbell,
Forrest J. Maynard,
C. Fisher Luther, Chairman.

REPORTS OF SPECIAL COMMITTEES

REPORT OF MILTON COMPANY, MASS. STATE GUARD 19th Company, 26th Infantry

Cunningham Gymnasium, Milton, Mass.

Milton, Mass., January 15, 1946.

To the Citizens of Milton:

I herewith submit my report of the 19th Co., 26th Inf., M.S.G., for the year ending December 31, 1945.

Drill

The Company meets at the Cunningham Gymnasium every Wednesday from 8 P.M. to 10 P.M. The drill period consists of Infantry Drill, Guard Duty, Extended Order, Special Formations, Riot Formations and Lectures on Military Duties. The Company, which excels in work with the bayonet, is composed mostly of men who are expert marksmen, due to the great amount of training that they have received at Camp Curtis Guild in Wakefield, Mass.

Change in Officer Personnel

1st Lieut. William Flaherty was transferred to the 3rd Company and is now stationed at the East Newton Street Armory in Boston. First Sgt. John J. Magner was commissioned 2nd Lieut. in the Massachusetts Organized Militia on May 19th, 1945 and attached to the 19th Co. 26th Infantry.

Change in Equipment

The Federal Government has issued the latest type gas mask and combat helmets to the organization, which is now one of the best equipped units in the State.

Mobilization

The Milton Company has been mobilized several times in the past year for duty in Boston and Milton. It took charge of the Seventh War Loan caravan when it was in Milton for a period of 48 hours. The Company also stood by on V-J Day to be of any possible aid to the people of the Town, also to protect any public buildings from any acts of vandalism.

The Milton Company wishes to take this opportunity to express its sincere appreciation for the co-operation extended it by the Board of Selectmen, Police and Fire Departments, as well as the Committee on Public Safety. We also wish to express our appreciation to Mr. Jesse B. Baxter, who has been instrumental in making many improvements at the Armory for the benefit of the Company.

To the members of the Company I wish to express my utmost appreciation for their unflinching sacrifices of time and effort and their willingness to assist me in every way to fill the duty which I assume as Commanding Officer.

Respectfully submitted,

CAPT. WILLIAM C. GREEN,
Commanding Officer.

Officers:

Lt. John J. Magner

REPORTS OF SPECIAL COMMITTEES

REPORT OF THE LOCAL MILEAGE ADMINISTRATOR

Milton, Mass., January 4, 1946.

To the Honorable Board of Selectmen,

Gentlemen:

This office ceased to exist after last August. Up to that time records were kept of all Town departments and submitted to the State Mileage Administrator, Major Cronin, State House, Boston.

All Town departments cooperated with this office 100% and their work was appreciated as is shown by the following letter, received from the Regional Office of the Office of Price Administration:

Dear Mr. Maynard:

Now that World War II is over, I would like to take this opportunity to express to you my appreciation for the whole-hearted cooperation you have shown this agency.

The important and valuable contribution to the war effort which you have made is now a matter of history.

Your city has made an enviable record in the conservation of automobiles, gasoline and tires. We are informed that many communities such as your own may carry some of the experience gained into peace-time administration of civic transportation problems.

The job has been well done and this office greatly appreciates the competent cooperation which it has received. Because of it, the rationing program as it pertained to automobiles, gasoline and tires has been conducted with gratifying efficiency.

May we express to you, and to Major Cronin of the State House, our thanks for an outstanding contribution to the war effort.

Very truly yours,

/s/ WILLIAM E. HALE,

Assistant Regional Administrator.

It has been a pleasure to have been of service in this capacity during World War II, and I wish to extend my thanks to all Town departments who cooperated so faithfully and made our efforts a success.

Respectfully submitted,

FORREST J. MAYNARD,

Local Mileage Administrator.

REPORTS OF SPECIAL COMMITTEES

REPORT OF SPECIAL COMMITTEE APPOINTED TO CONSIDER PROVISIONS OF ARTICLE 66 OF THE 1945 ANNUAL TOWN MEETING WARRANT

December 18, 1945.

*To the Honorable Board of Selectmen,
Milton, Massachusetts.*

Gentlemen:

The Committee appointed under Article #66 of the March 1945 Warrant submits herewith its report.

The problem was one of the recreational needs of the Town and divided itself into two parts,—first a study of the present facilities, their use and adequacy,—and second the need for additional places of recreation.

All the Town buildings, such as schools, libraries and the Town Hall, the Town playgrounds, as well as Parish houses, private clubs and Cunningham Park were visited by various members of the Committee. Also a study was made by the Community Recreation Center,—one of the Red Feather Services,—and a report submitted to your Committee.

A meeting was also held with the Planning Board.

The resulting conclusions were as follows:

- (1) Milton's outdoor playgrounds seem adequate for the present population.
 - (2) The Town buildings, with the exception of the school buildings, are used to capacity.
 - (3) The school gymnasiums and rooms could be used more provided they were made more readily accessible and proper supervision was available.
 - (4) The High School gymnasium, lockers, showers, etc., are inadequate for the size of the School.
 - (5) The High School auditorium has no adequate stage or dressing rooms.
 - (6) There is a genuine need in the Town for rooms where Boy Scouts, Girl Scouts, Youth Canteen and many other organizations can meet.
 - (7) Cunningham Park and Gymnasium are blessings to the Town. Their facilities are taxed to the utmost and serve the East Milton area well. Seventy-five percent of their use is made by those living in the East Milton area well. Seventy-five percent of their use is made by those living in the East Milton area.
 - (8) The summer play activities at both the Town Field and at Andrews Field are well supervised and attended.
 - (9) An indoor swimming pool would be an expensive luxury and the funds left to the Town "for swimming pool purposes" would provide but a small percentage of the total cost of building same, let alone the subsequent upkeep.
 - (10) The densely populated Mattapan area is in need of a recreation center such as Cunningham Gymnasium is to East Milton.
 - (11) An ideal situation would seem to be on the land at the corner of Brook Road and Lincoln Street, adjoining the parking area at the Town Field,—a location that can be conveniently reached by all bus lines. This lot contains approximately 17,300 square feet of land on which a suitable building could be erected.
 - (12) Such a building, approximately 75 feet by 125 feet, should contain on the upper floor a gymnasium, stage, dressing rooms and a kitchenette,—and on the lower floor six bowling alleys, boiler room, locker room, showers, storage and meeting rooms.
- The Committee wishes to emphasize the fact that a building such as has been described would be of little value without proper supervision under a trained recrea-

REPORTS OF SPECIAL COMMITTEES

tional director. Such a man should be hired by and be under the direction of the Park Department and it should be his duty to guide all the recreational activities of the Town.

Due primarily to the fact that Cunningham Park is operated by private funds, Milton spends far less than most Towns do on Recreation. No longer can we consider Milton a small Town with plenty of space and no need for places of recreation or recreational guidance. It is roughly figured that a building such as has been described would cost in the neighborhood of \$150,000 and that the annual upkeep, including the salary of a full-time director, but excluding maturing debt and insurance, would approximate \$7500.

The question as to whether a building of this type would be a fitting World War II Memorial is still an open one. The Committee is strongly in favor of a living memorial and feels that such a building, with the proper plaque placed in the entrance, could well be one of which Milton would be proud. It hesitates, however, to recommend such action until all those who have been in the various services have returned and can have a voice in the matter. First, let the Town's people decide whether or not they wish to build a recreation building,—then let them decide whether or not they wish that building to be a war memorial.

In conclusion, therefore, your Committee recommends that the following two articles be placed in the March 1946 Warrant:

(1) To authorize the Moderator to appoint a committee of five citizens to procure plans for a Recreation Building to be erected on the land located at the corner of Brook Road and Lincoln Street, as described in Article #52 of this warrant,—and to procure estimates for the cost of building same and to submit said plans and estimates to the next Annual Town Meeting or any Special Town Meeting called prior thereto.

And further to see what sum of money the Town will vote to appropriate for the use of said committee.

(2) To see if the Town will authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain under General Laws, Chapter 79, for the purposes of a public recreation centre the land in Milton described substantially as follows:

Northeasterly on Brook Road, 75.82 feet

Easterly on the junction of Brook Road and Lincoln Street, 40.46 feet

Southeasterly on Lincoln Street, 170.32 feet

Southwesterly on land now or formerly of Dudley Talbot, Trustee, 96.12 feet

Northwesterly on land now or formerly of Dudley Talbot, Trustee, 159.36 feet

Containing 17,308 square feet.

And to authorize the Board of Park Commissioners of said Town, or such other board or officers as the Town shall determine, to exercise in connection with said land the powers conferred by General Laws, Chapter 45, Section 14, and further to see if the Town will vote to apply for the purpose of acquiring land as aforesaid and paying the purchase price or damages incurred, the funds, or part thereof, received in 1933 from the Commonwealth of Massachusetts as damages on account of taking of 49,000 square feet of land on Brush Hill Road, or otherwise to appropriate money therefor and act on anything relating to the above.

Respectfully submitted,

LINCOLN W. PIERCE, Chairman
DONALD F. CAMERON
ERNEST E. ERICKSON
PHILIP M. HORAN
RICHARD A. WALLACE

REPORT OF WARRANT COMMITTEE

REPORT OF THE WARRANT COMMITTEE

March Meeting, 1945

Milton, February 26, 1945.

To the Citizens of Milton:

The Warrant Committee respectfully presents its recommendations upon articles in the Warrant for the annual Town Meeting and a comparison of our recommendations for 1945 with the appropriations voted in 1944.

All budget requests have been carefully considered and all those desiring to appear before the committee were heard.

We have added new charts and an explanation as to their use so that the taxpayer may determine how the Town spends its income. The overhead or operating expenses of the various departments change very little year to year. The 1944 Town Report shows the actual expenditures for the items making up overhead costs during the past year and 1945 budget estimates for these same items are practically the same. In this Foreword we are explaining unusual items of expense which may occur in some budgets this year, making the department requests and our recommendations higher than previous years.

It must be apparent to the townspeople that our deliberations and recommendations have continued to be influenced by war conditions presenting unusual problems new to all of us. A manpower shortage exists in both our Fire and Police Departments but the Town has not suffered any hardship because of this for two reasons: first, the fine spirit of cooperation of the men in these departments and secondly, the Town has seen fit in recent years to purchase new equipment for both departments which has made their operations more efficient and effective.

A shortage of manpower has also affected our Highway Department and our Health and Sanitation work. The men in these departments have worked long and arduously to keep up their usual service. Whatever inconvenience the citizens may have experienced has been accepted in good spirit in recognition of the common cause to which all our energies are devoted.

We believe good judgment and foresight have been exercised by the Selectmen, Department Heads and the several Boards, who are responsible for the conduct of Town affairs, in meeting the problems facing them through these unusual times.

In making the following recommendations the Committee has kept in mind that adequate services from the various departments of the Town must be maintained and the taxpayer must be protected in the economical spending of his tax dollar. A factor growing out of war conditions and the continued inflationary trend affecting living costs to all of us, is the subject of Adjusted Compensation. We have again placed this at the head of our list of recommendations.

Adjusted Compensation

For the past two years, the Town has voted to the Town employees pay in addition to their base rates in the form of Temporary Adjusted Compensation. The subject has been dealt with very completely in the Warrant Reports of 1943 and 1944. In both of these reports we published a Cost of Living Index established by the Mass. Division of Necessaries of Life and we publish this chart again, corrected to date. In January, 1944 the cost of living was at 121% as compared with the normal of 100% based on the years 1935-1939. This year in January, the figure stood at 124.2%.

The Highway Department employees have requested a sum of \$400.00 each for the year 1945 as Adjusted Compensation. The School Committee has voted

REPORT OF WARRANT COMMITTEE

REPORT OF WARRANT COMMITTEE

to accept the vote of the Town Meeting and has made no specific request. All other Town employees have asked for a sum of \$6.00 per week or approximately \$310.00 each for the year 1945.

At our March Meeting in 1944 the Town voted \$260.00 per year for each full time employee and a portion thereof for part time employees. We believe the Town is aware of the reasons for considering Adjusted Compensation for all Town employees. The increased cost of living affects all taxpayers as well as Town employees who in many cases are also taxpayers in the Town. While it is true that some individuals have been fortunate enough to have had increases in their income enough to offset the added costs of today's living, it is also true that there are others who are meeting these increased expenses with a stationary income. These too are asked to pay their part of this Adjusted Compensation for Town employees. We have met twice with the heads of all departments and discussed all of these factors and have attempted to place the matter on as fair and equitable a basis to all concerned as is possible under the circumstances. In the last two years the most practical method, while not perfect, has been found to be a flat sum and our recommendation this year is again on that basis.

The Town has 330 full time employees whose total yearly payroll is \$660,022.69 or an average of approximately \$2,000.00 each per year. There are 19 part time employees with a payroll of \$16,362.50 or approximately \$860.00 each. We recommend that the Town appropriate as "Adjusted Compensation for the calendar year 1945" a sum of \$275.00 per year for each full time employee and elected official of the Town whose principal means of livelihood is derived from the Town. We have also recommended a portion of the Adjusted Compensation for part time employees and have included the sums in the separate department totals. The total amount of \$94,050.00 is approximately 14% of our total payroll.

This is a direct addition to the tax levy which is the reason your Committee has placed it as a separate article in the Warrant rather than include all the items in the various departmental budgets. The Committee feels that existing conditions are such that additional compensation should be granted the Town employees and that the financial condition of our Town warrants this adjustment.

Welfare

This Department has again had a decrease in the number of people receiving relief from the Town since last year. For the purpose of comparison we show below active cases as of December 31 in each of the last five years:

	1940	1941	1942	1943	1944
General Relief	38	29	16	9	7
Old Age Assistance	188	183	184	159	151
Aid to Dependent Children	22	19	13	9	8
	248	231	213	177	166

The Federal and State Governments continue to bear a large share of the total cost of relief and we include in this report a chart showing the total cost of relief and the net cost to the Town.

General Government

The bonded debt of the Town has continued its favorable downward trend. The total bonded debt of the Town as of January 1, 1945 was \$700,000, a net decrease from last year of \$82,000. Of this total the Water Department bonds amount to \$271,000. These are self-liquidating from the Water Department revenue.

REPORT OF WARRANT COMMITTEE

WELFARE COSTS IN MILTON 1921-1943

YEAR	GROSS	NET
1921	\$1466351	\$935

1944	9407425	2513

Net Column is amount paid by Town of Milton.
Gross Column is total including Federal and State grants.

REPORT OF WARRANT COMMITTEE

This year we are retiring \$35,000 out of the tax levy leaving the net funded debt excluding Water bonds, at \$344,000. The Water Department is retiring \$43,000 this year leaving a net balance of all their bonds in the amount of \$228,000. This will leave the total bonded debt of the Town at \$572,000 subject to the addition of such bonds as the Town may vote to issue this year.

Your Committee is recommending that the Town issue bonds to the extent of \$20,000 for Betterment Streets and \$19,000 for the purchase of cemetery land. It should be noted that we are retiring high interest bonds and that the new bonds may be issued as low as 1%. Last year we recommended and the Town voted to issue Betterment Street bonds in the amount of \$40,000. These were placed at an interest rate of $\frac{1}{2}$ of 1% on a five year term.

There is an item of expense in the budget for the Town Hall and lot covering repairs to the Thacher Building where the Accounting, Engineering and Water Departments have their offices. These repairs are necessary to correct a heat loss which has existed for a long time and makes the building expensive to heat and uncomfortable for those working in the building.

The Thacher Building is a frame building consisting of three ells each of which has three exposed walls and a ceiling height of 14 feet. The Water Department has storm sash on north and west sides which has not helped noticeably because of heat loss through walls and ceiling.

Despite the fact that the Town Hall has 186,918 cubic feet to be heated and the Thacher Building only 104,558 cubic feet, the amount of fuel used in the Thacher Building in the last three full heating seasons was 18% more than was required in the Town Hall and even then the Thacher Building was uncomfortably cold and drafty.

The main entrance has a double door which is out of shape and permits loss of heat. It is beyond repair and should be replaced because of above and as a safety measure.

We recommend that side walls and roof be insulated and new front doors installed to correct the condition which now exists and also to gain as much as possible in fuel saving. The amount involved for this work is \$1,800.00.

The Town Hall roof needs repairs and the budget also includes \$1,000.00 for this necessary work.

Protection of Persons and Property

The Police Department would, under normal conditions, purchase new cruising or prowling cars, since the ones now in service have speedometer readings in excess of 60,000 miles. It is impossible to secure new cars and every effort is being made to extend the life of the present equipment as long as possible. The same condition exists with the radio equipment which is kept in repair and at the present time is still working satisfactorily. The Town will face the need of replacing both the cars and radio when new equipment becomes available.

The Fire Department requests a new piece of equipment for the Central Fire Station. In last year's report we published a complete study of all equipment and at the March meeting the Town voted to purchase a new pumping unit. This has been delivered to the Atherton Street Station and is an excellent addition to our protective service.

At the Central Fire Station we have a ladder truck which was purchased in 1926 and should be replaced now. The cost of a new unit is \$15,000 which is practically the amount we are saving on the Fire Department payroll due to the fact that six men are on leave of absence in the Armed Services. The overall budget for the department is not seemingly affected over previous years but we call to your attention our recommendation that this new unit be purchased. Providing the Town votes to

REPORT OF WARRANT COMMITTEE

buy this new ladder it should bring our equipment up to such an excellent standard that further additions would be unnecessary for several years to come. With the return of employees now in the Armed forces, to the service of the Town and the availability of required new equipment for all departments, it may be financially less practical to make this purchase at a later date.

Also, we are recommending an alteration to the Central Fire Station which involves the widening of the door openings. The present station was built in the days of horse drawn equipment and the door openings are not wide enough. The widest door is now 9 feet allowing a clearance of about 1½" on either side for the movement of the equipment through the opening. Also we recommend that the control room be enclosed at the same time. The cost of this work is estimated at \$2,500.00 and we believe it should be done now.

The Wire Department plans to replace existing 16 conductor lead cable with 30 conductor lead cable from Randolph Avenue at Adams Street to the Police Station on Central Avenue. This cable was installed when the Rapid Transit was put in service in 1928. At the present time the cable is fully utilized leaving no spare wires in the event of a breakdown. The amount required for this work is \$1,600.00, and is included in our recommendation of the Wire budget.

The Town has 84 fire alarm boxes and the Fire Department estimates we require 60 more to bring us to a proper level. The Fire and Wire Departments would like to do this work in the next five years and we recommend \$1,500.00 be included in this year's budget to install 12 boxes in the following locations:

Blue Hill Avenue and Ferncroft Road
Gulliver and Channing Streets
Wendell Park and Channing Street
Brook Road and Cape Cod Lane
Granite Avenue and Bassett Street
Franklin and Church Streets
Bates Road and Belcher Circle
Washington and Eaton Streets
Emerson and Osborne Streets
Collamore Street, opp. Berlin Avenue
Cedar Terrace Street and Hope Avenue
Denmark and Hope Avenues.

The Forestry Department budget includes \$1,600.00 for a new truck. This is to replace a 1934 Chevrolet 1½ ton truck which, besides its other uses, is used to carry the spraying equipment. Because of its constant use it is worn out and should be replaced now.

Health and Sanitation

This is the second year of a two year contract for the collection of garbage, ashes and offal. The amount shown is the full amount for one year based on the contract price.

For the last two years the Water Department has done a minimum amount of new construction work. In many cases regulations due to the war made it impossible to secure some of the necessary materials. The curtailment in new construction has helped to bring about a large reduction in the bonded indebtedness of this department. In order to carry their favorable position in the Post War Era when new building is resumed and presumably new developments may be started, the Water Department is recommending a change in the by-laws under Article No. 26. This will require developers of new areas to pay for the construction of water mains. If the Town accepts this amendment to the by-laws it will require a sum of \$5,000.

REPORT OF WARRANT COMMITTEE

to start a revolving fund as requested under Article No. 27. This sum, however, can be taken from the Water Department surplus and will not therefore go into the tax levy.

The Sewer Department has been advised by the Boston Office of the War Production Board that, in view of the existing manpower shortage any application made for sewer extensions at this time will not be approved. Your Committee has also talked with the War Production Board who informed us that they are adhering rigidly to this policy and have recently refused applications from several municipalities and are only making an exception in the case of a hospital or similar need. It therefore appears to the Sewer Commissioners that it is unnecessary to ask for any sewer construction funds this year. Should the situation change there is a small balance in the sewer construction account, amounting to approximately \$6,000.00, available for them to begin some of the most urgent work. In the meantime the Sewer Department will prepare plans and specifications for post war sewer construction and the amount in the construction budget is largely salaries for this department and will enable them to carry on this work.

Cemeteries

The Cemetery Trustees have made a request that the Town vote to acquire certain lands as shown on a map in this report. The cost of this land is \$38,500.00 and \$500.00 is needed for other expenses which may be incurred in the acquisition. The Warrant Committee is unanimous that the Town requires more cemetery land and that the Town should spend the money to purchase land.

Land for a cemetery was first purchased by the Town ten years after its incorporation, that is, in 1672,—40 rods for 10 shillings—approximately 100 ft. frontage on what is now Centre Street, and 100 ft. deep—the section of the slate headstones. Construction of tombs in the same area was authorized in the early 1700's.

Since that time there have been eight additions as follows:

1. 1760 Half acre and 6 rods by gift, apparently adjoining and south of the original 40 rods.
2. 1794 One-half acre and 22½ rods from one owner and 17½ rods from another at the rate of 24 pounds the acre.
3. 1837 One and one-quarter acres by gift.
4. 1854 Eighteen acres and 116 rods at a cost of \$1,804.00. This acreage extended the cemetery limits south through the low land and over the hills to the present rear boundary.
5. 1858 One acre for the nominal sum of \$125.00 giving access to Gunhill Road.
6. 1870 A small strip to straighten boundary line by gift.
7. 1874 Twelve acres by purchase east of the then existing cemetery line and extending from Centre Street to an extension of the rear boundary. Cost apparently not recorded.
8. 1897 Twenty-two acres at a cost of \$15,800.00, a strip similar to the purchase of 1874, from Centre Street to the rear boundary.

Hearings concerning the purchase of additional land were held on February 8 and February 15, 1945. A number of citizens appeared in protest at both hearings.

The map printed in the back of this report shows land the Cemetery Trustees want to acquire designated by diagonal lines and by dots; the latter section being the one in which the present owners will retain a life interest. This land was recommended by the Cemetery Special Committee in the Town Report of 1937, and again by the Planning Board in its special report to the Milton Cemetery Trustees dated October 1939. The Planning Board now advise the Warrant Committee that they unanimously recommend this purchase as being in the best interests of the Town at this time.

REPORT OF WARRANT COMMITTEE

In recommending this purchase, the Warrant Committee recognizes their responsibility as going beyond the money involved. However, the Warrant Committee is not qualified to select a site for the cemetery and must be guided by the Cemetery Trustees, the Planning Board and the citizens of the Town. Article No. 32 outlining lands selected by the Cemetery Trustees as the most desirable for their purpose, has the unqualified approval of the Planning Board.

The Warrant Committee wants to make it clear that it feels restrictions on the use of the land should be imposed on the Cemetery by the Board of Appeals, to protect the abutters, such as: a screen of evergreens or suitable trees along the border, flat headstones in certain areas, and most important of all, definite restrictions on gates whether to be used as entrances or exits.

The Warrant Committee realizes that the authority to impose these restrictions is in the hands of the Board of Appeals but wants the Town Meeting Members to know that the above factors have been considered and have had an influence in their recommendation.

Schools and Libraries

The School budget is by far the largest of any Town appropriation. Of the total sum requested, namely \$399,666.00, 84½% or \$338,716.00 is in salaries. The salaries of principals, teachers and janitors are all on a definite schedule with an established basic minimum and maximum rate. Fixed charges in the form of fuel, light and water amount to \$22,300.00 or 5½%. \$8,500.00 amounting to approximately 2% is estimated for the cost of transportation. This leaves the variables (text books, supplies, repairs, office expenses, etc.) at approximately 8% or a total of \$30,150.00. The budget was presented in excellent form and we are recommending the entire amount. The function of the Warrant Committee in relation to the fixed charges representing 92% of the budget, is by law, secondary to that of the School Committee which Board is entrusted by the citizens with the heavy responsibility of the care and operation of the school system.

Article No. 37 is a request from the School Committee for an improvement in the basement. The amount required for this work is \$5,600.00 and an examination has been made by a sub-committee of the Warrant Committee including the chairman and we agree these repairs and alterations are necessary.

Article No. 38 proposes a change in the present method of operating the school lunch room. The act referred to reads as follows:

"Chapter 71 of the General Laws; Section 72. The School Committee may prepare and sell lunches at one or more school buildings for the pupils and teachers of the public schools at such prices as it deems reasonable."

The School Committee is not in favor of any change in the present method and it is legally impossible for the Town to place the employees of the lunch room on the Town payroll under the present system. The lunch room is being operated satisfactorily and we do not believe a change is desirable.

The Warrant Committee has enjoyed excellent cooperation with the Library Trustees in the examination of their budget. There are no unusual demands and we recommend the sum as shown.

Highways

The Board of Selectmen received eleven petitions for Betterment Streets this year. Of this group eight have been approved for construction in 1945. The amount required for this work is \$32,400. There is available \$2,031.10 as a balance in the Betterment Street account which may be used. We recommend that \$20,000 in addition to this be bonded and the balance of \$10,368.90 be raised in the tax levy.

REPORT OF WARRANT COMMITTEE

This year there is an increase in the work to be done under permanent construction. For several years it has been recognized that work must be done on Eliot Street from Central Avenue to Valley Road and the amount required for this work is \$31,700. The Warrant Committee, in recommending that this be done over a two year period, has made their recommendation on the basis of the amount of work we feel the department can do this year. We have based our estimate on the actual work completed in 1944 by this department. With the present manpower shortage we believe it will be impossible for the Highway Department to do more than they did last year and on that basis they would be unable to do the entire amount of this construction in 1945 and complete their other duties. We therefore have recommended that work be done to Oak Road a distance of 1760 feet out of a total amount to be done eventually of 2675 feet. The amount required this year will be \$19,600, and this is the amount of our recommendation.

The drainage budget covers the correction of a bad watershed problem on Canton Avenue at a point approximately opposite the Sutermeister property at 1631 Canton Avenue. An easement has been granted the Town through the vacant land alongside the Sutermeister home in order to complete this work.

We are recommending the following new equipment in the Highway budget. A new Mack truck costing \$8,200.00 to replace a thirteen year old truck which is all worn out. An Air-Compressor to run jack hammers and air drills, etc. at \$4,130.00 to replace a machine purchased in 1931 which has been obsolete for the last several years. A new roadside mower costing approximately \$950.00. The Department will retain the old piece of equipment to use for other purposes. A belt conveyor for the sand pit to cost \$810.00. Your Committee considers this item important from a labor saving standpoint.

Reserve Fund

We recommend that the Town appropriate a Reserve Fund of \$22,000.00 of which \$18,710.25 be transferred from the Overlay Reserve and the balance of \$3,289.75 be raised in the tax levy. With the possible return of Town employees, now in the Armed Forces, to full employment, there would be heavy demand upon the Reserve Fund. The following transfers were made from the 1944 Reserve Fund:

Library—Adjusted Compensation	\$ 50.00
Assessors	1,486.80
Aid Dependent Children Administration	300.00
Board of Appeals	200.00
Town Hall and Lot	125.00
Selectmen	185.75
State Census, Chapter 25, Acts of 1934	510.00
Laborers' Pensions	669.61
Treasurer	50.00
Contributory Retirement System.....	43.72
Schools—New Equipment	375.00
Collector—Adjusted Compensation	138.91
Memorial Day	6.74
Police—Private Work	250.00
Soldiers' Relief	400.00
Committee on Enlargement of Cemetery	50.00
Highway—General	1,000.00
Fire	567.75
 Total Transfers	 \$ 6,409.28
Transferred to Overlay Reserve	15,590.72
	<hr/>
	\$22,000.00

REPORT OF WARRANT COMMITTEE

Miscellaneous

Article No. 53 is to clear our accounts on a balance of \$895.35 for the work done on Granite Avenue. The Town acted as Contractor under the State on this job and the cost went over the contract price. The State refused to pay this item when billed. We recommend that it be taken off our books.

Articles Nos. 58, 59 and 60 relate to the Walter Baker Company request for permission to erect a five story building opposite the Webb Mill. The request for Article No. 59 has been withdrawn and the Hearing on the other two articles by the Planning Board was held on February 19, 1945. The Planning Board unanimously recommend that Article No. 60 be the one approved by the Town. However, both articles should be explained in complete detail to the Town Meeting members. It is a matter of importance to the Town and the utmost consideration and the best possible judgment should be exercised. The recommendation of your Committee was based on the explanation and recommendation of the Planning Board.

Article No. 61 is a change in the voting laws to afford opportunity for more voters to reach the polls.

Article No. 64. The Warrant Committee is recommending that this article shall not be approved. The present manpower shortage makes it unwise to consider a change at this time.

Tax Rate

The Warrant Committee is required in the general by-laws Chapter 3, Section 4B to include in its report of recommendations for the annual Town Meeting an estimate of the tax rate for the ensuing year if its recommendations are adopted. This year, as last year, the Warrant Committee has enjoyed excellent cooperation from the Board of Assessors in setting up the necessary figures.

Normally the State Tax Commissioner's Office furnishes income estimates of State controlled funds accruing to the Town. The estimates for 1945 are not available at this time. These figures will be furnished to the assessors about March 15 and, by law, are the ones which must be used in fixing the tax rate. We have been advised by the Tax Commissioner's office that the new estimates may be increased over last year's since our actual receipts in 1944 were approximately \$41,000 more than the Commissioner's 1944 estimates. In order to be conservative, your Committee and the Board of Assessors, in estimating the 1945 tax rate at this time, have used the low 1944 estimates as our possible income in 1945 from State Controlled sources.

As of January 1, 1945, our Excess and Deficiency account stood at \$257,000 and we are recommending that the Assessors be authorized to use the sum of \$98,000 in fixing the tax rate for the current year. This would leave a balance of \$159,000. We have been encouraged to believe that our actual income will at least equal last year's and it is apparent therefore that \$40,000 in excess of our estimates should accrue to our Excess and Deficiency account in 1945, from this source alone. We therefore feel that the balance left in this account is sufficient.

If the Town Meeting does not appropriate more than we recommend and if it makes the transfers and issues the bonds that we recommend we estimate the tax rate can be maintained at the present favorable rate, namely \$25.00. If all departmental requests were granted in full we estimate the 1945 tax rate would be \$26.30. Because of uncertain information relative to possible changes in our tax relations with the State both as to income and charges against the Town by the State, it would have been almost impossible for the Warrant Committee to have given the Town an accurate estimate without the invaluable help of the Board of Assessors.

REPORT OF WARRANT COMMITTEE

Warrant Committee

The Warrant Committee has two principal functions: to administer the reserve fund for extraordinary or unforeseen expenses and to make recommendations on articles in the Warrant at the annual Town Meeting. The bulk of our work lies in investigating the facts upon which to base recommendations to the Town for action at our annual Town Meeting.

Our heaviest duties begin early in December and continue until the end of February. During that time numerous meetings are held with department heads and the various boards in consideration of operating budgets. For several years past the Town has used an excellent budget form submitted by the various department heads to the Warrant Committee. As a matter of record these forms, new to Town Finance Committees at the time they were introduced and used here in Milton, have been copied by many Towns in the Commonwealth. These budgets have been a great help since this phase of the Committee's work is carried on under considerable pressure of time. The smallest item of expense is investigated and comparisons are made with previous years for such items as telephone, postage, printing, advertising, fuel, light, stationery supplies, etc.

This year we are requesting that the Town vote for the use of the Warrant Committee, the sum of \$1,500.00. The Chairman of the Warrant Committee urges that a paid assistant be hired by the succeeding committee to relieve the secretary and the chairman from a great amount of detail work.

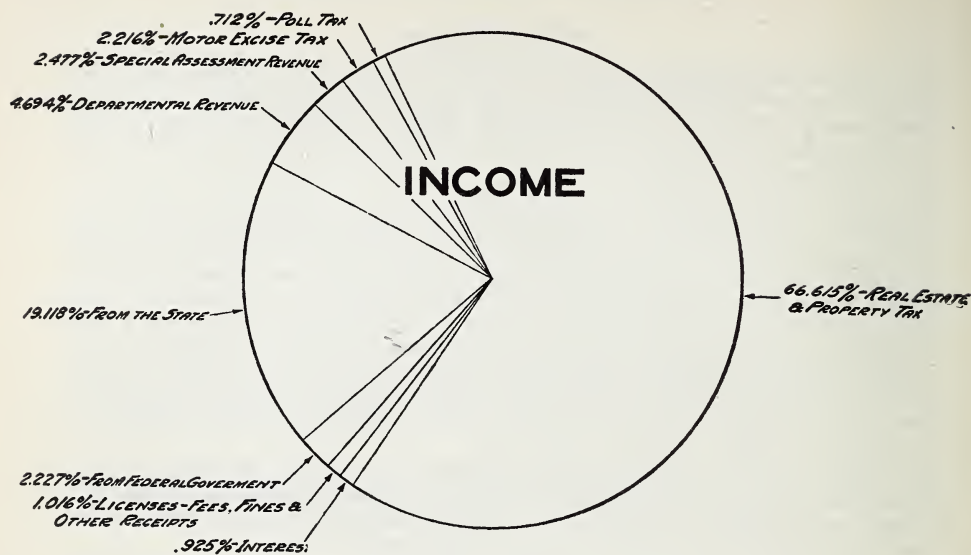

The Chairman wishes to extend his personal sincere thanks to each member of the Committee and to the Secretary for their cooperation and interest in the task which we have just completed.

For the Committee, we wish to express our thanks and appreciation to the Department heads and their personnel who have helped us in our endeavors.

Respectfully submitted,

BENJAMIN F. JAKUES, Chairman
PHILIP M. HORAN, Secretary

REPORT OF WARRANT COMMITTEE

On the preceding two pages are figures and charts relative to the tax dollar showing its source and distribution in the form of service to the taxpayer. These amounts do not include Water Department figures since this department is self-supporting and does not affect your tax dollar. The figures correspond to the division of accounts as used in the financial section of our annual Town report. The circles were drawn, and the figures compiled, for a very practical purpose. A taxpayer can determine exactly what he paid for various services in the Town by multiplying the amount of his Town tax bill by the percentage shown for each specific item.

For comparative purposes we have compiled figures for five years and also show the 1945 budget recommendations for the same services. We were unable to get a comparison of these costs in other towns which would have made this tabulation even more interesting.

As a practical and simple illustration we are using the actual 1944 costs, an assessed valuation of \$8,000.00 and a \$25.00 tax rate, making a tax payment of \$200.00 and have compiled below figures showing the amount each service in the Town costs such a taxpayer.

\$8,000.00 Valuation

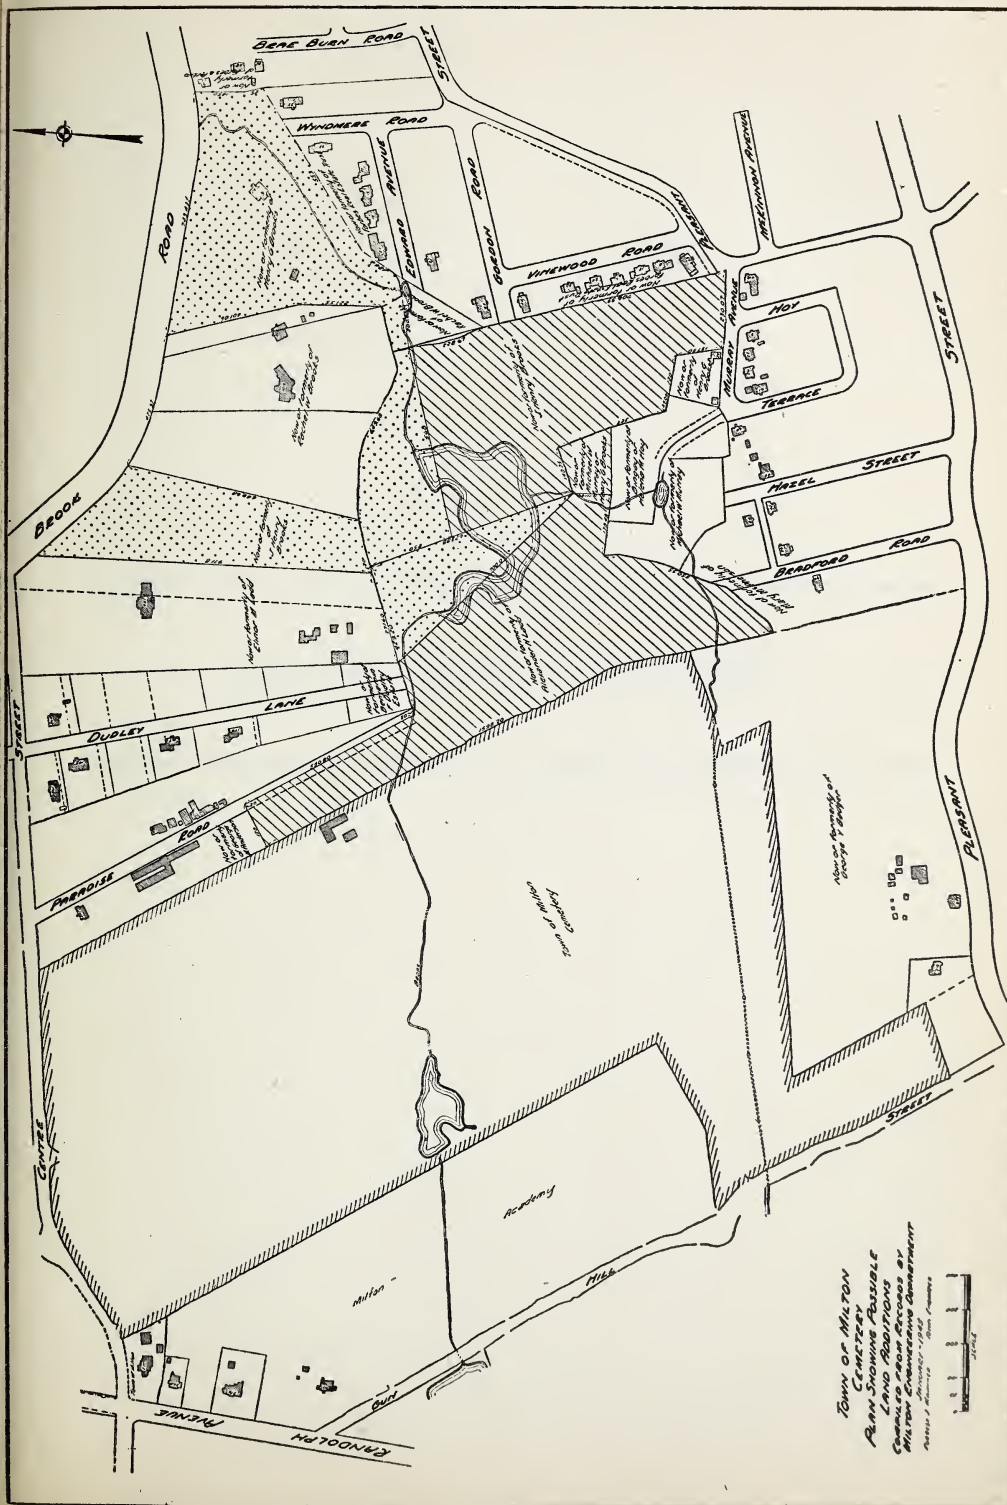

\$25.00 Tax Rate

\$200.00 Tax bill

Costs of Town services to the taxpayer for the year 1944

General Government	\$ 9.04	Relief from Govt. Funds	\$ 4.26

REPORT OF WARRANT COMMITTEE

DEPARTMENT REPORTS

THE UNIVERSITY OF CHICAGO

REPORT OF SELECTMEN

REPORT OF SELECTMEN

Milton, Mass., January 24, 1946.

To the Citizens of Milton:

The Selectmen submit the following report for the year ended December 31, 1945.

On March 3rd the following were elected Selectmen: Daniel E. Duggan, Josiah Babcock and Charles F. Batchelder, Jr., and on March 8th the Board organized with Daniel E. Duggan, Chairman, and Charles F. Batchelder, Jr., Secretary.

The usual problems of Town Government have recurred with their apparently infinite variety, and in increasing volume following the ending of the war. We have tried to handle these problems to the best interest of the Town, and have held a number of public hearings and many conferences with groups of citizens or individuals for the widest possible expression of public sentiment.

Although their work was not, strictly speaking, under Town Government, we want to call attention to the outstanding performance of the Milton-Randolph Selective Service Board and the Milton Rationing Board, and to express on behalf of the Town the cordial appreciation of all our citizens for the efforts of the members of both these boards and of those who assisted them. The record of each of these Boards was outstanding, and will long be remembered by those who came in contact with them.

The transfer of the remaining rationing work to the Quincy office freed the so-called banquet room in the basement of the Town Hall for meetings of organizations of the Town's people. For years this room has been the only one under our jurisdiction readily available for groups not wanting to use the main hall. On January 17, 1946 the Milton Chapter of the American Red Cross was granted the use of this banquet hall to serve as their headquarters until the completion of the new Milton Hospital building provides permanent headquarters for the Chapter. We again call to the attention of the citizens of the Town the lack of space in the Town Hall and the inadequacy of the Thacher Building. We feel that this problem of space for group meetings should be considered in connection with the plan for the construction of a recreational building.

We have asked in the year's budget funds to permit the removal of the porte-cochere on the west side of the Town Hall, and the widening of the driveway on this side of the building. This driveway is only wide enough for one car. It has to be used by the fire engines going to the westerly part of the Town, and the hidden entrance to the building is a man-trap for anyone leaving the building.

Petitions were received for the acceptance and construction during 1946 under the Betterment Act of parts or the whole of the following private ways: Bailey Avenue, Berlin Avenue, Dean Road, Gulliver Street, Houghton Road, Magnolia Road, Pillon Road, Reservation Road, Waldeck Road, and Fuller's Lane. The total length petitioned for was almost a mile and a quarter, and the estimated construction cost practically \$100,000. During 1945 the Highway Department completed those betterment streets which had not been finished in 1944, and except for a little loaming and seeding completed the substantial program for 1945 construction. Because of the lack of manpower due to the war, the department was only able to make a small beginning on the reconstruction of Eliot Street between Central Avenue and Oak Road. This job should be done this year without question. The regular public hearings were held on the above petitions, and after careful study the Selectmen voted not to recommend for this year's program one street where the Sewer Department is not yet able to install sewers, and several other streets where

REPORT OF SELECTMEN

there was substantial objection by part of the abutters. The following ways, totaling over half a mile in length and estimated to cost not over \$55,300, were recommended: Bailey Avenue, Berlin Avenue, Gulliver Street, Pillon Road, Reservation Road and Waldeck Road.

The Board also received petitions pertaining to the property of the Diamond Match Company which suffered such a severe fire last summer. The substance of these petitions was also expressed in person by those who spoke at the hearings held by the Board of Appeals on the question of rebuilding this property.

The Town Service Flags were revised before the ceremonies on Memorial Day and Armistice Day, and at the time of writing this report a total of 2,800 citizens were recorded as having entered the service, of whom 76 had given their lives. To them all we humbly pay our tribute. We are glad to report that the great majority of those who left the Town's employ to enter the service have now returned. A public welcome to all returned veterans is planned for this coming Fall.

The Milton Advisory Committee for Veterans, which was organized in response to the request of the Governor and which was authorized by the 1945 March Meeting, has been kept on an inactive basis because it has so worked out that the aims of this committee could be better handled directly by the Draft Board. The Board of Selectmen has taken over at its office and without expense to the veteran, the permanent recording of his discharge with full details. This service makes it possible in the future for a veteran whose discharge paper might be lost or destroyed to get a certified copy to replace the original.

On this occasion the Selectmen wish to thank all the other Town Boards, Department Heads and Employees for their fine cooperation.

Respectfully submitted,

DANIEL E. DUGGAN,
JOSIAH BABCOCK,
CHARLES F. BATCHELDER, JR.

Selectmen of Milton.

REPORT OF LEGISLATIVE COUNSEL

REPORT OF LEGISLATIVE COUNSEL

January 1, 1946.

To the Board of Selectmen,
Milton, Massachusetts

In the session of the legislature of 1945, I have in accordance with your instructions received from time to time, attended twenty-eight hearings before legislative committees on bills affecting the Town of Milton.

The practice of the Legislative Committee has been to go over bills that appeared to affect in any way the interests of the Town. It is often the case that committees of the legislature give very short notice on hearings, so that it has not in every case been possible to get our committee together but in connection with most of the bills one or more members of the committee beside myself have been able to be present to consider the advisability of action. Recommendations of our committee have been transmitted to your Board and I have obtained instructions from your Board on bills which were considered of sufficient importance to require my attendance at the hearing.

Respectfully submitted,

LINCOLN BRYANT,

Legislative Counsel.

REPORT OF THE TOWN COUNSEL

REPORT OF THE TOWN COUNSEL

Milton, January 1, 1946.

To the Board of Selectmen:

Gentlemen:

I herewith submit my report for the fiscal year 1945.

My annual retainer, or salary, of \$2,000 covers all legal matters, except cases in court and proceedings and hearings before boards or commissions similar to court cases. It includes opinions upon request of all Town boards, examination and reports to the Board of Selectmen of claims made against the Town from time to time in connection with alleged defects in ways or for other reasons, adjustment of claims for damages on account of takings where no suits have been brought, collection of claims by the Town against persons or corporations, drafting layouts and takings for streets, sewers, and drainage and other projects, contracts and other instruments necessary in connection with various Town activities, by-laws, articles, and votes for the Town Warrant, and licenses, permits, etc.

Tax Foreclosure Proceedings

Seventeen cases have been disposed of.

Decrees of foreclosure were obtained in eleven cases.

Two cases were dismissed, taxes having been paid. In one of these cases \$1133.87 was collected from the defendants.

Three cases were withdrawn on account of defects in the records.

Litigation

One case against the Town in the Superior Court Norfolk County, brought on account of an accident occasioned in connection with the operation of a town truck, was settled by payment of \$75.00.

Hollingsworth case: By a deed dated January 1, 1896 Amor L. Hollingsworth and his wife, Marion Davis Hollingsworth, deeded to the Town a parcel of land containing five and 85/100ths acres, bounding on Brush Hill Road and on the Neponset River at Mattapan, "to be laid out, improved and used as and for a public park and playground".

On November 10, 1931 the Commonwealth made a taking for the purpose of a state highway of a portion of this land. The taking covered a part of the land bounding on Brush Hill Road and was the most valuable part of the tract. Damages were paid by the Commonwealth in the sum of \$14,760. There was a considerable doubt as to whether on account of the language of the Hollingsworth deed a trust was imposed on the money received from the Commonwealth. A petition for instructions was brought in the Supreme Judicial Court.

In 1939, under vote of the Town, \$4,352. was expended in obtaining the public playground on Belcher Circle, it being considered at the time that, even if there were a trust relation in connection with this property, the expenditure for a purpose similar to the purpose expressed in the Hollingsworth deed would be legitimate.

The court decided on the above petition for instructions that no part of the fund was impressed with a trust. In other words, the Town may expend the money for its purpose as it determines. The amount now remaining available for appropriation by the Town is \$10,408.

REPORT OF THE TOWN COUNSEL

Three appeals were taken before the Appellate Tax Board from assessments. One of these was disposed of by settlement, two remaining.

A petition was brought in the Superior Court to enforce a decree previously obtained relative to the occupation of a house at East Milton in violation of the Zoning Bylaws. The petition was successful.

Notices were sent to owners on Quarry Lane requiring the abatement of fire risk caused by deposit of rubbish. The owners promised to abate the nuisance and have done something toward that end but more remains to be done. A bill in equity was brought to assist in enforcing the obligations of the owners.

Orders were issued by the Board of Health and numerous notices sent out to require owners in the vicinity of Prince Street, Blue Hill Avenue, Dexter Street, and other streets in that locality to connect houses on the premises with the sewer. Eighteen connections have been made; more remain to be done. The difficulty in the situation is that there are only one or two drain layers capable of doing this kind of work and such as there are find it hard to get the necessary labor.

Claims

Seven claims, including the claim above referred to, have been paid by the Town to an aggregate amount of \$614.70.

Several claims have been collected for the Town on account of damage to hydrants, poles, and police-box.

The cooperation of the departments of the Town in legal matters have been prompt and efficient.

I desire to express my appreciation for the continued consideration shown me by the Board during the year.

Respectfully submitted,

LINCOLN BRYANT,

Town Counsel.

REPORT OF BOARD OF APPEALS

REPORT OF BOARD OF APPEALS

Milton, Mass., January 10, 1946.

To the Citizens of the Town of Milton:

The Board of Appeals presents the following report for the year 1945.

Mr. John M. Curley, whose term expired in March, was reappointed to serve until the Annual Town Meeting to be held in March, 1948.

During the year we have held fifteen hearings as follows:

Date of Hearing	Name of Applicant	Nature of Appeal	Decision
Feb. 8 and Feb. 15	Town of Milton by the Trustees of the Milton Cem- etry	Special Permit to use a lot off Centre Street for a cemetery	Pending
Feb. 12	Albert R. Whittier	Variance to permit creation of a lot 37,750 sq. ft. in area at 241 Adams Street, the mainte- nance of bldgs. thereon and the sale of said lot and bldgs.	Granted
May 31	Daniel & Katherine M. Collins	Special Permit to add to an existing single car garage at 11 Hope Avenue	Granted
May 31	Lena A. Ward	Special Permit to erect a two- family dwelling at 77 Blue Hill Avenue	Pending
June 6	Mary Z. Wixted and Francis J. Wixted, M. D.	Special Permit for medical office at 630 Adams Street	Granted
June 6	John J. Murphy and Mar- garet M. Murphy	Variance to permit erection of one car garage at 581/583 Eliot Street within six feet of side lot line and seven feet of rear lot line	Granted
June 25	Primo and Cleofe Isidori	Variance to permit erection of a one car garage at 250 Thacher Street within six feet of a side lot line	Granted
July 23	Louise Bolton Draper	Variance to permit erection of a two car garage at 5 Bunton Street within 21 ft. 6 in. of the front line	Granted
Sept. 24	W. Cameron Forbes, William H. Forbes and David C. Forbes, Trustees	Variance to permit the division of an existing lot at 162-172 Adams Street into two lots so that existing house 162 may be sold.	Granted
Nov. 5	Charles C. Copeland Co. Inc.	Special Permit to add to and enlarge existing building at 1139 Randolph Avenue	Granted

REPORT OF BOARD OF APPEALS

Nov. 5	Francis R. Belliveau and Louise V. Belliveau	Special Permit to erect a one story barn at 1244 Randolph Avenue to be used as a Riding Stable	Granted
Nov. 13 and Nov. 20	The Diamond Match Company	Permit to replace buildings destroyed by fire on Lot 5 on Curtis Road.	Granted
Nov. 13	Alfhild Pasquantonio	Variance to permit the erection of a one car garage at 42 Orchard Road within five feet, one and five-eighths inches of a side lot line.	Granted
Nov. 26	Herbert F. West	Relief on Adjacent Lots on Thacher Street.	Granted
Dec. 10	Mrs. Mary E. Conway, Miss Mary E. Conway and Christopher C. Conway, M. D.	Variance to permit addition to existing office on rear of house at 3 St. Mary's Road within ten feet of rear lot line and Special Permit to use existing office and addition as a medical office.	Pending

Respectfully submitted,

EDWARD C. JOHNSON 2d, Chairman,
JOHN M. CURLEY,
GEORGE F. SHEPARD,

Board of Appeals, Town of Milton.

REPORT OF ENGINEERING DEPARTMENT

REPORT OF ENGINEERING DEPARTMENT

Milton, Mass., January 10, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my annual report of the Engineering Department for the year ending December 31, 1945, in accordance with the By-Laws of the Town.

There is not a department in the Town which does not come to the Engineer's office for information and aid at some time during the year. The larger and more active departments are constantly seeking our assistance for surveys, land lines, grades, and various types of maps. All of these requests have been cheerfully filled as far as possible.

The Milton Planning Board has been particularly busy this year. We have allowed the use of this office for Board meetings, and your Town Engineer, who is a member ex officio, has attended the meetings. We have also furnished space and allowed access to our plan files for the Planning Board's draftsman, who has used our office almost constantly since a year ago December.

Surveys and plans for post-war work in connection with Pine Tree Brook from Brookside Park to Brook Road have been prepared. The survey extends all the way to Canton Avenue near Blue Hills Parkway. If this work is done at some future time, Turner's Pond will be eliminated and the brook bed lowered three to four feet its entire length, disposing of any possibility of flooding and doing away with the wet cellars of the residents in the Thacher Plain area. All lands now swampy will be available for building and the pond of the Metropolitan Ice Company, together with the mosquito nuisance which it creates, will be removed.

Further topography has been taken in the field this year and there are now many notebooks of field notes ready to be plotted on the topographical map of the Town, which is drawn to the scale of 200 feet to 1 inch.

All permits for street openings are issued from this office. We have this year issued 136 permits. After street openings have been made, this department measures them and submits bills for collection. We are the only department at which maps of the Town may be obtained. To town departments they are supplied without charge, while private individuals are charged five cents per map. We have turned in \$5.70 for maps sold during the year.

This department keeps a diary of its activities. The following table shows the diversity of our work:

1945 Street Betterments	25.35%
1946 Street Betterments	10.81
Milton Cemetery	19.55
Topography	8.23
Pine Tree Brook	6.27
General Departmental Work	8.64
Drainage Work	5.57
Assessors Department	5.18
Building Department	1.83
General Highway Work	6.43
Water Department	1.12
Park Department58
Police Department44
	<hr/>
	100.00%

Drainage

The drainage problem is always with us and requires much study and planning during the year. The main drain installed was through land of Miss Margaret

REPORT OF ENGINEERING DEPARTMENT

Sutermeister from a brook near Blue Hill Avenue to Canton Avenue, thence via Canton Avenue to the front of Miss Sutermeister's house, a total distance of 1069 feet of 24 inch pipe. Along Canton Avenue catch basins were constructed and connections made to the new drain.

On Valley Road an extension from an existing drain was installed to care for a low area on the road. This eliminates surface water from private lands. Following is a list of drainage installed during the year:

Location	Length	Size	No. Catch Basins	No. Manholes
Easement (Sutermeister)	1069.12	24"	4	3
Canton Avenue	43.20	18"		
Essex Road	251.75	12"	4	2
	143.30	8"		
Crown Street	77.50	8"	2	
Easement (Waldeck Rd. to Holborn St.)	108.00	10"	2	1
	31.60	8"		
Denmark Avenue	135.50	10"	3	1
	21.00	8"		
Greenleaf Road	34.80	8"	1	
Rockwell Place	58.55	8"	2	
Adams Street	90.00	10"	1	
Churchills Lane	28.00	8"	1	
Squantum Street	36.13	15"	2	
Easement (from culvert on Fenno's Lane to D.M.H.)	43.60	15"		1
Valley Road	101.50	10"	2	
	36.00	8"		
	<hr/> 2309.55	<hr/>	<hr/> 24	<hr/> 8

Number of Catch Basins in Town January 1, 1945	1483
Number of Catch Basins constructed in 1945	24

	<hr/> 1507
Number of Catch Basins abandoned in 1945	2
	<hr/> 1505

Surveys and plans have been made for a new drain to start from the end of Bradford Road to Pleasant Street, thence via Pleasant Street to a point near Mathaurs Street. This portion of Pleasant Street has never had any underground drainage. All storm waters have been carried off on the surface so that after a severe storm the street water gathers in such volume that the existing catch basins cannot take all the water. The existing drainage system below Bradford Road on Pleasant Street was installed years ago by the Street Railway Company. The pipes are small and inadequate to carry the volume of water required. Thus the existing system is overtaxed and causes back water on all other drains entering the line below Bradford Road, causing flooding of cellars.

The length of the new line of pipe to be installed is 2100 feet, beginning with a 21" pipe in Bradford Road and reducing in size as it approaches the source on Pleasant Street at Mathaurs Street.

Other drainage estimated on land of the Milton Ice Company on Central Avenue at a point opposite Hinckley Road is planned. The purpose of this drain is to conduct the water now crossing Central Avenue through a culvert to be detoured through a pipe to the present ice pond to do away with the flooding condition that exists on the lands of the Milton Ice Company and others.

REPORT OF ENGINEERING DEPARTMENT

Betterment Streets

During the year all betterment streets that had been planned and moneys appropriated for, were built and assessments computed, listed, and turned in to the Selectmen's Office. The following is a list of Betterment Streets constructed during 1945:

Street	From	To	Length	Width
Crown Street	Essex Road	283.95 Northwesternly	293.95	40
Denmark Avenue	Squantum St.	Private Land	663.00	40
Essex Road	Decker St.	367.04 Westerly	367.04	40
Greenleaf Road	Windsor Rd.	Standish Road	288.80	40
Holborn Street	Otis St.	Private Land	274.81	40
Rockwell Place	Rockwell Ave.	Private Land	238.37	40
Victory Avenue	Town Line	Private Land	166.00	40
Wildwood Road	Clifton Rd.	Town Land	409.11	40

2701.08

There were nine petitions received for streets proposed to be built under the Betterment Act in 1946. The following is a list of streets proposed for Betterments:

Street	From	To	Length	Width	Estimated Cost	Estimated Cost per front ft.
Bailey Avenue	Pleasant Street	Town Land	579.59	40	\$ 8,800.	6.11621
Berlin Avenue	Squantum Street	571' South	570.71	40	11,000.	6.83614
Dean Road	Pleasant Street	Pine Avenue	499.70	30	9,800.	7.183588
Fullers Lane	Edge Hill Road	841.92' Southeast	841.92	40	14,300.	6.247639
Gulliver Street	Pine Tree Brook	Channing Street	810.36	40	11,600.	5.1359
Houghton Road	Brook Road	25' Northernly	251.33	50	4,100.	7.25406
Magnolia Road	Bonad Road	Walnut Street	902.45	40-50	16,300.	7.223786
Pillon Road	Public Portion	Hurlcroft Road	576.47	40	8,300.	5.77309
Waldeck & Reservation Road	Adams Street	Brook Road	1058.18	40	15,600.	6.727256
			6090.71		\$99,800.	

These streets were surveyed, plans drawn, abutments checked, and estimates of cost computed for the public hearing held in the Town Hall on December 27, 1945.

REPORT OF ENGINEERING DEPARTMENT

Cemetery Department

Much work has been requested of the Engineering Department for the addition of land to the Milton Cemetery, voted to be purchased in 1945. It took a crew of Engineers several months to produce a land court plan of all of the several parcels of land to be acquired. The Cemetery Trustees requested that the Town Engineer's office produce a proposed future layout of the entire new area with proper connections with the existing cemetery. We were fortunate to have had in our employ a man who has had much experience in this type of design and a plan was produced that was favorably met by the Trustees. As this development will not be attempted as a whole but will be developed as needs arise, one of the initial requirements will be an adequate main drain the entire length of the property. Topography is being taken on the area adjoining the present cemetery so that this work can be started in the spring.

During the fall the last remaining areas in the old cemetery were staked out in lots, which shows how urgent is the need for more land. It has been suggested that the Cemetery Department be given sufficient appropriation to purchase the necessary equipment, so that the areas to be developed may be so done under Cemetery Department supervision. With an increased appropriation, employment could be given returning veterans.

Assessors' Department

The usual amount of work has been carried on for this department. Hundreds of transfer cards from the Registry of Deeds have been checked and changes made on our Town plans so that our records are up to date. The Assessors Department and the Engineering Department have to work in close cooperation. Changes are constantly coming up regarding land lines and areas, descriptions, etc.

Victory Gardens

This Department was again called upon to stake out the Victory Gardens. Sketches were supplied for the allotting of ground to be planted.

Automobiles

This Department has three automobiles purchased long before the war. These machines are now worn out. One is a Chevrolet Coupe purchased in 1930 for Mr. Ernest Choate, then Wire Inspector. This machine has passed its days of usefulness. Another automobile is a Chevrolet Suburban purchased in 1937. This car carries heavy loads and is beginning to fall apart.

The third car which needs to be replaced is a 1938 Nash sedan, used by the Town Engineer. It has run over 60,000 miles and is used much as a taxi, constantly stopping and starting. To continue the use of this vehicle will be costly and impractical. We are, therefore, asking for an appropriation to replace these three machines.

Recommendations

I again recommend the land taking for the widening of Adams Street from Brook Road to the Milton-Quincy line. This should be done before more building permits are issued along this road. Plans have been prepared and are on file in this office to make Adams Street a seventy foot wide thoroughfare between these points. At one place the existing road is less than forty feet wide, causing congestion and creating a dangerous condition. The work can be done at some future time by the State under Chapter 90 so that the actual cost of construction would be one-third of the estimated cost of construction.

REPORT OF ENGINEERING DEPARTMENT

I also recommend that an appropriation be made annually for improvement of our gravel sidewalks to hard surface sidewalks. There are now several petitions on file in the Selectmen's office, requesting that this work be done.

There are State surveys started for express highways crossing our Town. There is a proposed State post-war job to build an express highway from the end of the present Veterans of Foreign Wars Highway which now ends at Cummins Highway. This new road will be an extension of the Veterans of Foreign Wars Highway, entering Milton in the vicinity of Beacon Circle, crossing Neponset River Parkway and Hollingsworth land, thence across Brush Hill Road to the end of Blue Hills Parkway, thence through lands of the Town of Milton and James S. Russell and others, crossing Randolph Avenue south of Highland Street, thence through the quarry lands and south of the City of Quincy and connecting at the Hingham Traffic Circle. Another feeder to this highway will start from Hancock Street, Quincy, near the Neponset River draw-bridge, thence via the Old Granite Railway to East Milton, making a separation of the grade crossing in East Milton Square and connecting with the new highway in Quincy. This proposed State Highway work all ties in with the recommended widening of Adams Street from Brook Road to the Milton-Quincy line. These roads and changes are approved by the Milton Planning Board. Your Town Engineer together with the Planning Boards of Milton and Quincy attended hearings in the Massachusetts Department of Public Works at 100 Nashua Street, Boston. These new highways are proposed to reduce travel time to the beaches and Cape Cod. They will also relieve the congestion of the traffic through Milton and Quincy and will do much for the safety and comfort of those going in this direction.

Appreciation

In concluding this report, I want to thank the Board of Selectmen for their kindness and consideration. During war years there were many problems to be solved and with their cooperation and understanding the Town business at the end of 1945 is well done.

I wish to express my thanks and appreciation to the employees of the Engineering Department for their help and cooperation. Several men went into the armed service of the country, which left the office shorthanded at the time. We have been fortunate in securing adequate help and none of the Town work has had to be neglected.

Respectfully submitted,

FORREST J. MAYNARD,

Town Engineer.

REPORT OF ASSESSORS OF TAXES

REPORT OF ASSESSORS OF TAXES

Dec. 31, 1945.

To the Citizens of the Town of Milton:

The Assessors herewith submit their report for the year 1945. At the annual election of the town officers for 1945 Mr. Robert Bowie was elected for a two year term, and Mr. George S. Murray was elected for a three year term. On March 7th the Board organized as follows: Robet Bowie, Chairman; William C. Hoxie, Secretary. Miss Bertha M. Johnson was appointed Clerk to the Board, and Mrs. Alice L. Stephens and Miss Ruth A. Dodd were appointed Assistant Clerks.

The total number of tax bills committed to the Collector during the year was as follows: 6222 Real Estate; 533 Personal Property; 6918 Poll; and 6301 Motor Vehicle Excise.

The following are the figures used by the Assessors in determining the tax rate for the year 1945:

REPORT OF MILTON CEMETERY

REPORT OF THE TRUSTEES OF THE CEMETERY

Milton, Mass., January 9, 1946.

Citizens of the Town of Milton:

The Trustees of the Milton Cemetery submit the following report for the year 1946:

Our work has been confined to the 60 acres of cemetery property as it existed on January 1, 1945. The title to the new land, about 39 acres, purchased by the Town during 1945 was not finally acquired until about September 1st. No work on this land could be done to convert it into cemetery property due to the lack of available funds and the lateness of the season.

Perpetual care was placed on 79 lots and 19 single graves. A special bequest was received for perpetual care of one lot; and part payments toward perpetual care of 18 lots were accepted. The total receipts for the perpetual care were \$13,755.00.

We continued our policy of filling in gravel paths and of rebuilding gravel roads with permanent material. Approximately 1,300 square yards of permanent road were built on Centennial Avenue where frequent washouts had previously required constant repair.

51 lots and 25 single graves were assigned to residents. The burials during the year numbered 217.

The total expenditures for the year were \$31,554.09, but as the interest on the perpetual care funds and other cash receipts totalled \$27,355.08, the net cost to the Town was \$4,199.01.

The Trustees face the immediate necessity of developing the 39 acres of new land as well as maintaining the older part of the Cemetery. To do this, the Trustees estimate that they will require a much larger appropriation for 1946 than in 1945.

We have a waiting list of some 70 residents who wish lots, but we are unable to supply them and at the same time keep enough lots ahead to meet requirements for immediate burials. Over the last 26 years we have granted 1,358 lots but during this period we have been able to put in condition only 1,395 lots.

We have been working on a plan to develop the new 39 acres. This involves surveying, building roads, cutting out trees and brush, grading and planting grass.

Our plan for this work involves the purchase of new equipment and the hiring of additional men. The present personnel is hardly sufficient to care for the older part of the Cemetery.

Your Trustees believe it will take a good deal of time to get the new land in shape. It is not their intention to try to do all the work at once, but to develop from year to year enough lots for pressing needs with a reasonable margin.

We have discussed whether the work should be done by the Cemetery employees working with labor saving equipment, or whether it should be done by contractors. We believe that it can be done more efficiently and less expensively if the Town will grant us the men and machinery necessary, rather than to have the work done by contractors.

During the past 25 years the number of permanent employees in the Cemetery has not been materially increased. We have, however, from time to time had

REPORT OF MILTON CEMETERY

temporary additional help. But, temporary help is not so efficient as permanent help. During this period, the number of lots in the Cemetery has increased some 1,395. This means that we have now 16 acres of land which had not been laid out in lots 25 years ago which involve the care of lawns, trees, and roads. And, with the new land and the gradually increasing number of burials each year, it is impossible that the Cemetery continue without an increase in its personnel. However, there are offsets to the additional expense of more employees and more machinery. The constant additions to the perpetual care fund and other revenues from the growth in the use of the Cemetery go a long way towards providing for the annual maintenance. The net cost of your Cemetery operations, therefore, would be relatively low even though the Town grants a substantial increase in the appropriation.

In the death of our Chairman, Percy E. Sheldon, on December 4th, the Town lost a devoted and efficient officer, and the Trustees a congenial and warmhearted friend. His father had served on the Board of Trustees before him. Shortly after his father's death in 1915, Mr. Sheldon became a member of the Board and from 1918 on, he had served as our Chairman.

At a meeting of the Selectmen and the Trustees on the 20th of December, John E. Sheldon, our Chairman's son, was elected to fill the vacancy until the next annual Town Meeting.

Respectfully submitted,

REGINALD L. ROBBINS, Chairman,
ALEXANDER H. LADD, JR., Secretary,
G. NEWELL HURD,
W. P. WOLCOTT,
JOHN E. SHELDON,
ALBERT G. MARTIN, Supt.

REPORT OF FIRE DEPARTMENT

REPORT OF THE FIRE DEPARTMENT

Milton, Massachusetts, January 2, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report of the Fire Department for the year ending December 31, 1945.

Alarms

There were 501 alarms received during the year: 147 Bell alarms, two of them being General Alarm fires, and 354 Still alarms.

Alarms Each Month

January	38	May	21	September	21
February	27	June	35	October	56
March	81	July	17	November	30
April	83	August	39	December	53

Mutual Aid

Milton to Boston	0	Boston to Milton	7
Milton to Quincy	18	Quincy to Milton	9

Other Calls

Persons locked out of homes; release children from upper rooms; flushed streets as a result of accidents; leaking oil tanks and refrigerators; vehicle accidents; boat used to drag river for drowning victims; gas leaking; heater explosion; fumes and excess water in basements. Inhalator calls for drowning persons and heart attack victims have been more numerous during the past year than in previous years.

Property at Risk—Loss—Insurance Paid

Value.....	\$772,400.00	Insurance paid.....	\$118,698.27
	Estimated loss.....		\$103,015.00

Work Performed

Feet of hose laid (1½ inch).....	23,650	Gallons of water:	
Feet of hose laid (2½ inch).....	20,700	Booster tanks	29,904
Feet of ladder raised	2,358	Gallons of chemicals	80

Inspections Made and Permits Issued

Oil Burners	83	Underground tanks:	
Range Burners	34	Removed	2
Space Heaters	4	Installed	6
		Oil tank replacement	7
		Oil storage	158
		Others	2
Out of door fires	784	Stores, garages, etc.	571

IN MEMORIAM

Joseph H. Shields

Appointed a permanent fireman at Engine No. 2—April 21, 1921

Died—April 13, 1945

Both Fire Department and the town have lost a loyal and faithful servant.

REPORT OF FIRE DEPARTMENT

Personnel

D. F. Noris was promoted from the call force to a permanent fireman on May 21, 1945 to fill a vacancy.

G. T. Hoadley, H. B. Horne, S. L. Monahan and C. E. Park, who have been on leave of absence to serve in the Armed Forces during the past three years, have been reinstated as permanent firemen.

R. O. Tucker, who also was on leave of absence due to Military Service, has been reinstated as a permanent callman.

I would like, at this time, to take the opportunity to thank the Auxiliary firemen for their services and assistance rendered at the multiple alarm fires. It might be of interest to the citizens of the Town to know that these men have volunteered to respond to all special calls for emergency service whenever needed and I extend to them my appreciation for their valuable services rendered during the past year.

Two members of the department still remain out on leave of absence.

Apparatus

After a year of continuous service and operation, all the fire apparatus is in good condition, with the exception of Ladder No. 1. Delivery of the new ladder truck, replacement of Ladder No. 1, is anticipated for early spring.

Buildings

The alteration work at the Central Fire Station, which included the widening of the three front doorways, the installation of three overhead doors with automatic openers and the building of a control room, approximately 11' x 7', was completed most satisfactorily in the early fall. The interior woodwork and ceilings on the main floor at Headquarters has been painted.

Minor repairs have been made on all buildings during the year.

Recommendations

I strongly recommend the appointment of a committee to consider the erection of a new fire station at East Milton to replace the present station which is inadequate to house the equipment which should be located at this station, or is it in a suitable location due to traffic conditions which are constantly obstructing the equipment in responding to alarms. Furthermore, the existing station is not suitable for the housing of the men as the sanitary conditions and the sleeping facilities are inadequate and obsolete.

A further recommendation is the adoption of the 70 Hour, 10 Group, Two Platoon System, in order to eliminate the twenty-four hour continuous tour of duty of the firemen.

I wish to thank your Honorable Board for your advice and assistance, Department heads and employees for their very fine and sincere cooperation during the year. To the officers and men of this department, my sincere thanks for their faithful and loyal services during the year.

Respectfully submitted,

JAMES F. HANNA,
Chief of Department.

REPORT OF THE TREE WARDEN DEPARTMENT

REPORT OF THE TREE WARDEN DEPARTMENT

Milton, Massachusetts, January 10, 1946.

To the Citizens of the Town of Milton:

I came to this department as your Tree Warden shortly after Town Meeting in March. Mr. Arthur O. Allen, who had been Superintendent since the death of Mr. Balch, was most cordial in his reception and gave me every aid. Mr. Allen was a fine instructor; his wealth of knowledge after thirty-seven years with this department was very much appreciated. No man could have been more sincere or could have done more for anyone. Mr. Allen had reached the retirement age the year before but carried on in this department as part of his war effort. He stayed on and worked with me until August 1st when he felt I had the control well enough in hand so that he could retire to his home with a free conscience, and enjoy his leisure in his garden. Mr. Allen gave his best to the Town of Milton, and the citizens he served and did business with have only praise for the man himself and his good work.

I found the department very short of help. The men he left behind are all good citizens and showed a great interest in their work. They have co-operated with me in every way. When I arrived here I found the gypsy moth most prevalent, and a great number of old trees were dangerous to the traveling public. Because of the heavy wind storms last Fall many trees had split and needed almost immediate attention, either to be repaired with bolts or to be removed entirely. Mr. Lawrence J. Mahoney has been made General Foreman of both Tree Warden and Moth Department. Mr. Mahoney has been with the Department nine years and has a fine knowledge of tree surgery and spraying work and understands handling men.

Due to the loss of the saw mill by fire it needed several new parts before it could be put in operation. It is now in good shape and does a fine job sawing lumber.

Since the death of Mr. Balch these departments have been curtailed for the lack of funds and manpower to do the needed work.

The office never had a full time clerk. The office now has Miss Ruth Howsberger, a Milton High School graduate, as full time clerk. The accounts and records are up to date. Additional furniture was obtained from the Rationing Board office when it was disbanded.

Planting

Because of the lack of sufficient appropriation, trees could not be purchased this year. Trees have not been planted for the last four years because of the war and lack of funds and labor. There are many streets in Town where trees should be planted. The construction of new streets has continued and all of these streets should be planted with shade trees as soon as possible. The cost of trees from the nursery has more than doubled during the past five years.

Private Work

This account has a balance of forty cents. I request, because outside tree trimming is increasing, the appropriation be increased.

Equipment

The equipment is very old and in poor condition. Much of the spraying machinery is antiquated and should be renewed. A big heavy truck is very much needed, with a crane attached to a winch for raising and loading, for transporting logs, heavy wood and stumps. The present truck is a G.M.C. 1926. It is now equipped with a winch and cable so that all heavy materials have to be rolled aboard over skids. This machine is constantly out of order. It is so old there are no spare parts available to make repairs. The engine is so unreliable that it is dangerous to men and property. Just as soon as this type of equipment is available we plan to ask for a new machine complete with winch and crane.

The new Ford truck, purchased this last Spring, has to do practically all the work and is very much appreciated.

Respectfully submitted,

FORREST J. MAYNARD,

Tree Warden.

REPORT OF MOTH DEPARTMENT

REPORT OF THE MOTH DEPARTMENT

Milton, Massachusetts, January 10, 1946.

To the Citizens of the Town of Milton:

The fight against the gypsy moth is a serious struggle. Much of the Blue Hills and the wooded area back of the residence of James S. Russell were badly stripped of all foliage. Many pine trees were stripped. Much painting of nests had been done in the early winter, but this had very little effect because these nests are in stone-walls and under old limbs of trees. It is impossible to find them all.

We were so short of man-power that it was impossible to do much private spraying for Town residents who had for years depended on the Town to do their work. With the one spraying machine, we had all we could do to look after our Town roadside trees. We need new spraying apparatus with larger capacity for liquids and more powerful pumps. It takes much valuable time to be constantly returning to the source of supply and to keep making new batches of poison liquids. We sprayed all we could reach from the roadsides. What spraying we could reach was very noticeable in driving through Harland Street. Wherever the spray came in contact with the foliage the trees seemed to be in good condition; those beyond were badly stripped and looked about as they would in the winter time. I have attended several meetings of Forestry men who were discussing the use of the new insecticide known as D.D.T. The United States Agricultural Department has an experimental station at Greenfield, Massachusetts and their claims for D.D.T. are amazing.

They recommend applying D.D.T. with oil from an airplane, and from their experiments, which covers a period of three years, they claim the oil is so light and broken up that it does not injure the foliage. D.D.T. that had been applied in one area after seventy days had the power of 60% kill. This material used in a 2½% solution is not dangerous to man or beast. Cattle, which have fed on grass recently treated with D.D.T. 2½%, were made ill for a day or two only. No humans have ever been known to be killed with it. It is known to be 100% efficient for the eradication of mosquitoes. The time is not far distant when the whole Town will be sprayed with D.D.T.

Poison ivy grew on many roadsides where children were traveling to and from school. They got poison on their legs and arms from this ivy. We rigged up one of the old spraying machines and used the Dolge weed killer on the poison ivy. We found our efforts very successful. This material not only kills the ivy but all the grass and other vegetation as well. This solution, which comes in drums and is used in a 20 to 1 mixture, is very expensive but the results are most gratifying. Many of these areas must have the second treatment to be 100% effective.

We are asking for a much larger appropriation this year so that we can take on more men and do a much more satisfactory job and give the citizens better service.

The men we hire must not only have to be good laborers but must be fair mechanics to understand the operation of mechanical sprayers.

The men must also be tree climbers and work in the tops of high trees held only by ropes, that they must manipulate themselves. The work is a job for a specialist. The men we hire must co-operate to carry on our work in the most efficient manner.

Respectfully submitted,

FORREST J. MAYNARD,

Superintendent of Moth Department.

REPORT OF THE BOARD OF HEALTH

REPORT OF THE BOARD OF HEALTH

Milton, Mass., December 31, 1945.

To the Citizens of the Town of Milton:

The number of diseases dangerous to the Public Health reported to the Board of Health for the past seven years has been as follows:

	1945	1944	1943	1942	1941	1940	1939
Anterior Poliomyelitis	5	2	0	0	0	0	0
Chicken Pox	17	97	183	188	98	132	11
Dog Bite	49	50	41	55	38	45	65
Dysentery, Bacillary	0	0	0	0	0	1	0
German Measles	22	17	167	23	9	1	2
Lobar Pneumonia	7	5	8	6	3	11	7
Malaria	1	1	0	0	0	0	0
Measles	84	187	196	303	276	19	154
Meningitis Meningococcal	1	4	3	1	1	0	0
Meningitis, other forms	1	0	0	0	0	0	0
Mumps	240	49	66	276	48	26	27
Salmonella Infections	0	1	0	0	0	2	0
Scarlet Fever	38	27	108	30	23	62	39
Septic Sore Throat	1	0	3	1	2	1	1
Tuberculosis (Pulmonary)	3	2	7	9	5	6	8
Tuberculosis (Hilum)	0	1	0	0	0	0	0
Tuberculosis (all other forms)....	0	0	1	2	1	0	1
Typhoid Fever	0	0	0	1	0	0	0
Undulant Fever	0	1	0	0	0	1	0
Whooping Cough	13	16	78	22	38	40	75
Gonorrhea	6	1	4	3	7	5	7
Syphilis	8	6	10	13	14	12	8
	496	467	875	933	563	364	405

The Board organized March 6, 1945. Mr. Hervey W. King was elected Chairman and Mr. C. H. S. Merrill, Secretary. The following appointments were made: Agent, Paul W. Kimball; Inspector of Milk, S. R. Ramsdell; Agent for Issuing Burial Permits, G. F. Kemp; General Contractors, H. C. Snow, J. S. Hannon; Inspector of Slaughtering, Dr. R. H. Sewell.

One establishment for the bottling of non-alcoholic beverages was inspected and licensed.

All milk sold in the Town of Milton is required to be pasteurized whether from tuberculin-tested herds or not, the only exception being certified milk. The report of the Milk Inspector shows that fifty-four licenses were issued for the sale of milk and cream, an increase of seven over last year. Eighteen dealers are licensed to sell oleomargarine, an increase of five over last year. One establishment was licensed to pasteurize milk, a decrease of one from last year, and one to manufacture ice cream.

The average quantity of milk sold daily in Milton is 10,150 quarts. The average amount of milk produced daily in Milton is 3,700 quarts. 352 samples of milk, cream and ice cream were tested for fats, solids and bacteria content.

REPORT OF THE BOARD OF HEALTH

Diphtheria Prevention Clinics were held as usual this year in cooperation with the School Department. A total of 239 treatments were given this year at an average cost of 40 cents each. No cases of diphtheria have been reported in Milton for ten years with the single exception of one case in 1937 which occurred in an adult, uninoculated maid who had been in Milton for two days.

Five cases of Infantile Paralysis were reported in Milton this year which is a considerable increase over the two cases reported last year, and our fortunate record of no cases for the five years previous to that time. While the cases reported in Massachusetts up to December 15, 1945 totaled 530 against 427 for the same period in 1944, conditions at no time assumed epidemic proportions.

No case of rabies in animals was reported throughout the State up to December 15, 1945. In 1944 only one case was reported during the same period.

It appears reasonable to believe that this is due to the widespread inoculation of dogs against rabies which has been carried on for the past several years.

The Board of Health again urges every dog owner to have his dog inoculated once every year.

The Board held a public hearing on February 8th on the application of the Trustees of Milton Cemetery for approval of laying out and maintenance of an extension of the existing Milton Cemetery. Due to a heavy snowstorm the hearing was adjourned for one week. On February 15th, after the adjourned hearing at which no objections were raised on the ground that the proposed cemetery extension would be detrimental to the Public Health, the Board approved the use of the premises described in the Cemetery Trustees petition for purposes of burial.

Attention is called to the report of the Director of the Tuberculosis Clinic which has labored under a heavy handicap due to the nursing staff being shorthanded throughout the year.

Respectfully submitted,

HERVEY W. KING, Chairman
PAUL R. WITHINGTON, M.D.,
C. H. S. MERRILL,
Milton Board of Health.

REPORT OF MILTON TUBERCULOSIS CLINIC

REPORT OF MILTON TUBERCULOSIS CLINIC

Milton, Massachusetts, December 31, 1945.

To the Milton Board of Health:

Gentlemen:

I have the honor to submit a report of the Tuberculosis Clinic for the past year.

The work of the Clinic has proceeded under considerable handicap in that the Nursing Staff has been shorthanded throughout the twelve months. War service has made itself felt in this way.

Furthermore the high level of employment, long hours and attractive wages have acted as a deterrent to clinic attendance.

Both of these factors are reflected in the following statistics.

	1940	1941	1942	1943	1944	1945
Number of Clinics	11	11	12	12	12	12
Total Clinic Visits	167	154	151	78	115	74
New Patients	23	21	44	20	32	24
Contacts	8	13	18	6	21	15
Suspects	15	7	18	13	11	9
Arrested Cases	0	1	5	1	0	0
X-Ray Examination	26	44	44	18	42	38
Discharged	14	15	39	22	28	27
Nurses Home Visits	313	443	609	400	426	211

All the tuberculin testing was done at the State Clinic.

Respectfully submitted,

CLEAVELAND FLOYD, M.D.

REPORT OF COLLECTOR OF ASHES AND GARBAGE

REPORT OF COLLECTOR OF ASHES AND GARBAGE

December 31, 1945.

To the Board of Health:

I herewith submit my report for the year ending Dec. 31, 1945.

There have been collected 33,411 yards of ashes, rubbish and paper, and 319 cords of garbage.

Respectfully submitted,

SAMUEL G. CRAIG, INC.,

SAMUEL G. CRAIG,
Treas.

REPORT OF THE INSPECTOR OF SLAUGHTERING

December 31, 1945.

To the Honorable Board of Health:

There were no animals slaughtered during the year 1945.

Respectfully submitted,

ROBERT H. SEWELL, D.V.M.,
Inspector of Slaughtering.

REPORT OF GENERAL CONTRACTORS

Milton, Mass., December 31, 1945.

To the Board of Health:

Gentlemen:

I herewith submit my report for the year ending December 31, 1945.

35 cesspools cleaned
3 grease traps

Respectfully submitted,

ALVAH D. SNOW.

Milton, Mass., January 12, 1946.

To the Board of Health:

Gentlemen:

I report for the year 1945 there were cleaned:

20 grease traps cleaned
115 cesspools cleaned

Respectfully submitted,

JAMES F. HANNON.

REPORT OF INSPECTOR OF MILK

REPORT OF INSPECTOR OF MILK

Milton, Mass., January 3, 1946.

To the Board of Health:

Gentlemen:

During the year 1945, licenses were issued as shown by the following tabular form, which also includes those for 1944.

	1944	1945
Milk and Cream:		
Vehicles	26	27
Stores	21	27
	<hr/>	<hr/>
Total	47	54
 Sale of Oleomargarine	 13	 18
Pasteurization of Milk	2	1
Manufacture of Ice Cream	1	1

Fees for the above licenses, amounting to \$196, have been collected and turned over to the Town Treasurer.

During the past year, 352 samples of milk, cream, and ice cream have been collected and tested for fat, milk solids, and bacterial content.

Respectfully submitted,

SHERMAN R. RAMSDELL,
Milk Inspector.

REPORT OF FENCE VIEWERS

December 24, 1945.

To the Honorable Board of Selectmen:

Gentlemen:

There were no official requests for our services during 1945.

Respectfully submitted,

RICHARD H. SCHMIDT,
JOHN H. MARR,
Fence Viewers.

REPORT OF WIRE DEPARTMENT

REPORT OF WIRE DEPARTMENT

Milton, Massachusetts, January 3, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report of the Wire Department for the year ending December 31, 1945.

Number of inspections made	365
Number of certificates issued	10
Number of incandescent lamps wired	1,572
Number of motors installed	178
Total horse power	287
Number of heaters and ranges installed	16
Total watts	139,500

Permits were issued as follows:

Month	Total No. Permits Granted	Original	Alterations	Fees Received
January	11	1	10	\$ 13.00
February	12	2	10	16.00
March	10	—	10	10.00
April	17	—	17	18.00
May	11	—	11	11.00
June	8	—	8	9.00
July	16	—	16	17.00
August	22	1	21	24.00
September	23	1	22	27.00
October	43	5	38	56.00
November	25	5	20	35.00
December	43	—	43	45.00
	<hr/> 241	<hr/> 15	<hr/> 226	<hr/> \$281.00

Fees for the above permits amounting to Two Hundred and Eighty-One Dollars (\$281.00) have been collected and paid to Town Treasurer.

Fire and Police Alarm Signals

New Fire Alarm Boxes have been installed at the following locations:

- 71 Relocated at Granite Avenue and Bassett Street
- 712 Granite Avenue and Squantum Street
- 721 Wood and Church Streets
- 724 Emerson and Osborne Roads

A new single circuit register, replacing the old one, has been installed on the Quincy Fire Alarm Circuit at the Central Fire Station. New Fire Alarm batteries have been installed at the Central Fire Station. The Fire and Police Alarm wires on Granite Avenue and the Fire Alarm wires on Huntington Road, broken and burned during the severe snowstorm in February, have been replaced.

REPORT OF WIRE DEPARTMENT

The underground cable on Eliot and Adams Streets from Central to Randolph Avenues has been replaced. All Police Boxes have been painted during the year. Police Box #24 was repaired after having been struck by an automobile.

Traffic Lights

All traffic light controllers have been overhauled and oiled. As a result of automobile accidents during the year it was necessary to replace three traffic light standards.

Wiring in Buildings

We have done a considerable amount of wiring in town buildings including the relocation of service in the Central Fire Station as well as repairs to the wiring in Engine #2 and #4. Other work includes the rewiring and installation of new lighting fixtures in the Forestry Department Office, new service in boiler room and sand shed of the Highway Department, a three phase service in the Thacher Building and repairs to wiring in the Town Hall.

In accordance with the regulations of Chapter 143 of the General Laws of Massachusetts, as amended, an auxiliary lighting plant will be installed in the Fire Alarm room of the Central Fire Station with feeder wires running to the Town Hall and Thacher Building. In the event of a break in the Edison current, this unit would supply enough light for the buildings and sufficient power for charging the Fire Alarm batteries.

I wish to thank your Honorable Board for your advice and assistance during the year.

Respectfully submitted,

ROBERT E. PARK,

Inspector of Wires.

REPORT OF INSPECTOR OF ANIMALS

December 31, 1945.

To the Honorable Board of Selectmen:

I herewith submit my report for the year ending December 31, 1945. Dairy cows shipped interstate for addition to herds have been reported. During the year it was necessary to restrain 57 dogs that had bitten people.

Respectfully submitted,

ROBERT H. SEWELL, D.V.M.,

Inspector of Animals.

REPORT OF BUILDING DEPARTMENT

REPORT OF BUILDING DEPARTMENT

Milton, Massachusetts, January 3, 1946.

Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the Building Department for the year ending December 31, 1945.

Month	Number of Permits	Permits for New Dwellings	Permits for Garages	All Other	Permits for Alterations	Valuation	Permit Fees
January	15	—	—	—	15	\$ 6,300.00	\$ 16.00
February	12	—	—	—	12	4,530.00	12.50
March	62	—	1	2	59	13,380.00	62.00
April	63	—	2	1	60	15,880.00	64.00
May	56	—	2	1	53	13,590.00	56.50
June	48	1	3	2	42	19,241.00	53.00
July	65	—	2	4	59	28,567.00	72.00
August	54	4	1	2	47	38,895.00	69.50
September	85	1	1	6	77	24,452.50	90.00
October	69	3	5	2	59	107,240.00	117.50
November	62	7	7	2	46	96,225.00	105.00
December	27	3	5	—	19	56,833.00	52.50
Totals	618	19	29	22	548	\$425,133.50	\$770.50

On May 1, 1945 Lorenzo E. Young, Inspector of Plumbing, and Bernard F. Murray, Deputy Inspector of Plumbing, were re-appointed for one year.

All violations of the Zoning By-law that have been brought to my attention have been attended to.

I wish to extend to your Honorable Board my sincere appreciation for your cooperation.

Respectfully submitted,

CARL R. HORNE,

Building Inspector.

REPORT OF INSPECTOR OF PLUMBING

REPORT OF INSPECTOR OF PLUMBING

Milton, Mass., January 3, 1946.

Carl R. Horne, Inspector
Building Department
Milton, Massachusetts

Dear Sir:

Report of the work of the Department of Inspection of Plumbing for the year ending December 31, 1945 is respectfully submitted:—

Month	Total No. Permits Granted	Original	Alterations	Fees Received	Valuation of Work
January	15	0	15	\$ 15.00	\$ 2,390.00
February	8	1	7	10.00	1,199.00
March	10	0	10	10.00	1,110.00
April	17	0	17	17.00	3,665.00
May	21	0	21	21.00	2,640.00
June	13	0	13	13.00	2,020.00
July	14	0	14	14.00	2,715.00
August	11	1	10	13.00	1,465.00
September	16	3	13	22.00	3,591.00
October	19	3	16	25.00	5,040.00
November	20	2	18	24.00	6,380.00
December	11	1	10	13.00	2,375.00
Totals	175	11	164	\$197.00	\$34,590.00

Fees received for permits in the amount of One Hundred and Ninety-Seven Dollars (\$197.00) have been paid to the Town Treasurer, whose receipts for which are held by me.

Automobile mileage for 1945 — 888 miles.

Respectfully submitted,

LORENZO E. YOUNG,

Inspector of Plumbing.

REPORT OF SEALER OF WEIGHTS AND MEASURES

REPORT OF SEALER OF WEIGHTS AND MEASURES

Milton, Mass., January 7, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report of services of Sealer of Weights and Measures.

All moneys received on account of sealing and adjusting fees have been paid to Town Treasurer. This amounts to \$89.12.

Number Scales, Weights and Measures sealed	536
Number adjusted	74
Number not sealed	1
Number condemned	8
Number reweighings	928
Number found underweight	307
Number found overweight	621
Hawkers' and Peddlers' licenses inspected	24
Hawkers' and Peddlers' scales inspected	12
Junk dealers' licenses and scales inspected	2
Violations of Hawkerc' and Peddlers' law found	7

Goods Underweight and Ordered Repacked

Butter	58 lbs.
Coal in Transit—shortage ordered made up	2 deliveries
Fruits and Nuts	40 lbs.
Cheese	20 pkgs.
Potatoes	20 pkgs.

Respectfully submitted,

FREDERICK L. RIPLEY,

Sealer of Weights and Measures.

REPORT OF THE BOARD OF PARK COMMISSIONERS

REPORT OF THE BOARD OF PARK COMMISSIONERS

Milton, Mass., January 4, 1946.

To the Honorable Board of Selectmen:

The following is our report for the year 1945.

The Brook Road Playground was the center of Park Department activities although baseball and football were at a low ebb due to the absence of so many.

The regular playground activities for the summer season were supervised by Aaron H. Yeaton, assisted by Miss Gunvor Henriksen and Mrs. Muriel Sheppard, Miss Anna Higgins and Mr. Francis X. Walsh. The usual series of inter-playground baseball games took place between different age groups. The tennis courts had a good attendance and a number of tournaments were held.

Under the direction of our superintendent, John L. Kelly, certain construction work was carried out—for example, a large amount of material excavated from streets under construction was obtained from the Highway Department and dumped into the edge of the pond at the Andrews Playground, as we hope to progressively reclaim a good portion of this marshland and also eliminate possible danger. Over 350 barrels of cinders were collected from the Vose, Tucker and High Schools, and these were screened, mixed with clay and used in conditioning the track at the Brook Road Playground. One-half the distance of the track has now been resurfaced to a depth of two inches.

The appropriation we are requesting for 1946 is somewhat larger than heretofore, and this is reflected in the need of additional equipment, such as another power mower, power roller, etc. The Park Department has always functioned under a very low appropriation, and this has been successfully accomplished by the ingenuity of Mr. Kelly and his ability to improvise and make do with a small amount of material and help. We feel this condition should be improved, although we know there will be no lessening of previous methods of efficiency.

It is necessary that a chain link fence should be erected at the earliest opportunity at the Andrews Playground, bounding the properties on Belcher Circle. These good neighbors are being continuously bothered by trespassing of children going to and from the playground, and the matter of a fence was requested and proposed at the beginning of the war.

The department was again undermanned as in past years due to the war, and with one full-time man working under Mr. Kelly it was at times extremely difficult to obtain even part-time additional help. In December we suffered the loss by death of Cornelius Quill, an efficient and faithful employee for about nine years, and his genial good nature will be missed. This season it is planned to have two full-time employees under the direction of the superintendent.

We have felt that the Town should possess a building for recreational purposes as well as a meeting place for the many organizations in the Town, and to this end, we initiated the proposal outlined in Article 66 of the March 1945 Meeting.

This board was represented on the committee selected by the Moderator and a favorable report has been made to the Selectmen.

We wish to thank this committee, the Warant Committee, also Town Departments and your honorable board, for all cooperation received during the past year.

Respectfully submitted,

RICHARD A. WALLACE, Chairman,
HAROLD S. HALLIDAY, Secretary,
JOHN F. KERRIGAN,

Board of Park Commissioners.

REPORT OF POLICE DEPARTMENT

REPORT OF POLICE DEPARTMENT

January 10, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1945.

Arrests

Total	140
Males	135
Females	5
Residents	56
Non-residents	84

Offences

Arson	4
Assault and Battery	5
Breaking and entering and larceny	7
Delinquency	15
Deserter—U.S.N.	1
Drunkenness	50
Failing to furnish heat in dwelling	1
Larceny	6
Larceny of automobile	2
Lewd and lascivious	1
Malicious mischief	1
Motor Vehicle Laws, violating	27
(Operating to endanger	6)
(Operating under the influence	16)
Neglect of family	7
Non-payment of wages	1
Receiving stolen property	2
Stubbornness	1
Threats	2
Tramp	1
Using motor vehicle without authority	1
Violation of probation	5

Miscellaneous Work

Automobile accidents reported	148
(132 personal injuries and 2 deaths)	
Ambulance calls	186
Automobiles found abandoned	17
Automobiles reported stolen	19
Buildings found open and secured	276
Buildings broken into	61
Cases investigated by officers	3021
Defective bridges	5
Defective hydrants and pipes	17
Defective poles	44
Defective sidewalks and streets	37
Defective trees	49
Defective wires	46

REPORT OF POLICE DEPARTMENT

Disturbances suppressed	37
Dogs ordered confined on account of biting people	51
Houses reported vacant and special attention requested	543
Lost children restored	44
Milton writs served by other departments	36
Missing persons	27
Officers detailed at request of citizens	314
Writs served for other departments	331

This has been an exceptional year for serious crimes throughout the Commonwealth but our Town has maintained its usual good standing. Several houses were broken into but in most cases the burglars were caught and given long sentences. A great amount of the stolen property has been recovered. Several young men have been arrested for arson and their cases are pending.

There was an increase in automobile accidents. Many were due to negligence by the operators and others to the poor condition of the cars.

January 1st Patrolman George P. Bertram was retired on pension, as he was physically incapacitated for duty. April 12th Jeremiah J. Mahoney was appointed a regular patrolman. Sergeant Thomas F. Doyle returned to duty November 29th after being discharged from the Marine Corps. Three of our patrolmen are still in the service.

I take pleasure in reporting my confidence in the force and extend to the members my sincere thanks. The conduct and discipline has been good and the work performed has been creditable to the department.

Our Auxiliary Police force automatically disbanded with the ending of the war. I could not, however, let them go without thanking them for their kind cooperation and willingness to assist when called upon to do so. They were a great help and a fine body of men.

We are still registering bicycles. Two hundred forty-four were registered this year and \$61 turned over to the Town Treasurer. The larceny of bicycles has fallen off considerably since the registration law was put into effect.

I recommend that the officers be given one day off in six. The appointment of one man will be necessary to grant this.

I recommend that the Town supply the men with uniforms. This can be done with very little cost to the Town.

I recommend that three patrolmen be appointed to the department. This would give twenty-four hour service in all parts of the Town and be an excellent investment in the protection of life and property.

Our cruising cars have gone over 100,000 miles and must be replaced. A new car was purchased this year to replace one that was worn out. Two new cars will be needed as soon as they can be obtained.

Our radio equipment is nine years old and is practically worn out. I recommend a new radio set be purchased this year. It would be practically impossible for a police department to function satisfactorily today without up to date radio equipment.

In conclusion, allow me to extend to your Honorable Board my sincere thanks for the many courtesies extended and advice given during the year. I wish to extend my thanks to the Justices of the District Court; the Clerk of Court and his assistants; to the District Attorney and his assistants; and to others who have aided the department in any way.

Respectfully submitted,

JOHN B. SHIELDS,
Chief of Police.

REPORT OF MILTON PLANNING BOARD

REPORT OF THE MILTON PLANNING BOARD

Milton, Mass., January 10, 1946.

To the Citizens of Milton:

No changes in the membership of the Milton Planning Board occurred during the year.

The Board has completed during the year a traffic flow map of Milton showing graphically among other things the following data:

- (1) The amounts of traffic flow over all the more important streets when last this flow was normal before the war.
- (2) The predicted amounts in 1948 and in 1968.
- (3) The possible traffic capacities of the streets without acquiring more land, and by comparison with (2) the possible present or future points of congestion.

The Board has met with the Massachusetts Department of Public Works in regard to the proposed super-highway to pass through Milton and Quincy to a point beyond Weymouth Landing for traffic to and from the south and southeast. The Department of Public Works is now studying this matter in cooperation with the Town of Milton.

The Board has conferred with the Department of Public Works also as to Route 135 in the Town, and as a result this route has been relocated to diminish the passage of heavy traffic through narrow, crooked, or hilly streets.

The Board feels that a most important project in the Town is the widening of Adams Street from Brook Road to Quincy. Plans have been completed in cooperation with the City of Quincy which is ready to widen that portion of Adams Street running from the Milton line to where Quincy has already widened it. The Board appeared before the Selectmen, and the Selectmen have agreed to prepare an article for the Town Warrant asking for an appropriation for the necessary takings. Attention of the Selectmen was called to the fact that the State has appropriated \$2,635,000 for road construction under Chapter 90.

With the approval of the Selectmen the Planning Board has addressed the State Department of Public Works suggesting post-war projects, included in which is an underpass at East Milton.

The Board has completed a land use map showing the location of every house and the actual use of all the land in the Town in relation to the present zoning requirements.

A count was made of the number of lots already occupied in District C and the are a not occupied was estimated to determine how many more lots could be made available for building in this District. A similar count was made in District B. The Board has carefully reviewed the whole Zoning By-Law to be sure that it will regulate the expected more rapid growth in the post-war period for the benefit both of the land owners and developers and of the Town generally. Based on the above study the Board will make certain recommendations to the Town Meeting.

The Board appreciated that many of the large estates in Milton will, soon or eventually, be subdivided, though not necessarily into small lots, and that every

REPORT OF MILTON PLANNING BOARD

effort should be made to allow this process to take place and further taxable residential values to be created with no unnecessary hindrance or expense to the owner and developer, but at the same time in accordance with a consistent general plan and without creating future unnecessary costs of construction, service, and maintenance for the Town. The Board has scrutinized individual cases and conferred with other Town boards with the above purposes in mind.

The Board has conferred and cooperated with the Special Committee appointed at the last meeting for the study of recreational facilities and the advisability of erecting a recreation center as a war memorial.

The Board has again recommended that an official long-range financial planning committee be inaugurated, and that an article be included in the Town Warrant by the Selectmen, which would well serve the best interests of the Town.

The Rules and Regulations of the Planning Board, which is the Board of Survey, have been prepared in revised form and are being printed. These changes were reviewed with the Selectmen who felt they were a step in the right direction.

During the last part of the year the Board has been able to obtain the consulting services of Mr. Roland B. Greeley in some of the most pressing questions of long term planning. This has greatly facilitated the work of the Board by placing the necessary facts before them in shape for complete discussion.

It is hoped that in the coming year sufficient appropriation and personnel will be available to the Board so that the information necessary for the handling of the problems which come before the Board may be presented in sufficiently complete form so that the Board may concentrate its time and energy as it should on matters of policy and procedure and comprehensive planning. There will doubtless be greatly increased demands on the Board along these lines which will come with returning activity in the development of the Town.

Respectfully submitted,

JOSEPH D. LELAND, Chairman,
ALFRED BECK, JR.,
FRANK B. FREDERICK,
HENRY V. HUBBARD,
WILLIAM P. MELLEY.

REPORT OF BOARD OF PUBLIC WELFARE

REPORT OF BOARD OF PUBLIC WELFARE

Milton, Massachusetts, January 5, 1946.

To the Citizens of the Town of Milton:

We hereby submit our report for the year ending December 31, 1945.

Comparison of active cases on December 31st of each year. (This is the actual number receiving assistance on that date and *not* the total number of cases which have been assisted *during* the year.)

	1940	1941	1942	1943	1944	1945
General Relief	38	29	16	9	7	6
Old Age Assistance	188	183	184	159	151	138
Aid to Dependent Children	22	19	13	9	8	6
	<hr/> 248	<hr/> 231	<hr/> 213	<hr/> 177	<hr/> 166	<hr/> 150

Data on Old Age Assistance in 1945:

	Applications	Granted	Denied or Withdrawn	Pending	Closed
Men	7	4	3	0	9
Women	15	12	3	0	20
	<hr/> 22	<hr/> 16	<hr/> 6	<hr/> 0	<hr/> 29

This makes 45 changes with a net decrease of 13 cases.

Reasons for closing were as follows:

13 deaths (4 men and 9 women)
5 moved out of town
8 relatives able to support
1 ineligible a/c property
2 assets
<hr/> 29

At the close of the year the number of Old Age Assistance cases with Milton settlement being aided in other cities and towns was 17, viz. 4 in 3 towns and 13 in 5 cities. On the other hand, we are aiding in Milton 19 cases with legal settlement elsewhere in Massachusetts and 25 cases with no legal settlement in Massachusetts. The 19 mentioned have legal settlement as follows: 15 in 5 cities and 4 in 4 towns. The legislation relative to billing other cities and towns, mentioned in our report for 1944, failed of passage.

All bills against the state, cities and towns have been paid in full.

The case load in all categories has slowly but steadily decreased, Old Age Assistance from a maximum of 195 in the summer of 1942, and Aid to Dependent Children from a maximum of 23 in 1941.

During 1945 we had 3 new ADC applications, of which 2 were granted and 1 withdrawn. 4 cases were closed, 2 because of return of husbands, 1 because of children's earnings, and 1 by remarriage.

REPORT OF BOARD OF PUBLIC WELFARE

The General Relief load remains low. The end of the war has absorbed all employable to date. Of the few receiving assistance under this category, none is employable.

One of our biggest problems has been the frequent changes in the Old Age Assistance law. The 1945 General Court amended it decidedly, mostly, however, for the benefit of children legally liable for support or partial support of their parents, and effective January 1, 1946. This has made it difficult to foresee at the moment how to estimate the increased cost to the town. State mandatory budgets are in effect. Several years ago our average monthly Old Age Assistance grant was about \$27. It is now over \$40, with 1946 unpredictable.

Stringent Federal and State requirements about recording all incidents, visits, etc., keep our staff just as busy as it was with higher case loads.

Respectfully submitted,

JOHN TALBOT, Chairman,
THOMAS M. GIBBONS,
EDWARD C. JOHNSON 2d,
EDITH ENDICOTT STEBBINS,
FLORENCE CLOTHIER WISLOCKI, M.D.

REPORT OF TRUSTEES OF MILTON PUBLIC LIBRARY

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

January 7, 1946.

To the Citizens of Milton:

The Milton Public Library has occupied its present quarters at the Central Library for forty-one and one-half years and has grown during this time from a modest collection of volumes to about 60,000. It has expanded to include the branch libraries in East Milton and Mattapan and the Russell Reading Room on Hillside Street and has developed during 26 years of this time under the able guidance of Miss Carrie S. Allen who has announced her intention to retire after over forty-five years of service to the Town.

Miss Allen's unflinching good will, courtesy, friendly assistance and efficient management will long be remembered and appreciated by the Trustees who received the benefit of her help and cooperation. It is their desire to record in this report their profound thanks to her and best wishes for the future. During her tenure of office, she has lead the Library through a World War and a serious depression with all the attending difficulties and obstacles and has always met these trying circumstances with courage, resourcefulness and vision.

The Milton Public Library almost unique by not having any changes in its loyal staff, suffered during the year from the fuel shortage and the necessity for curtailed operation. This contributed with gasoline rationing to a drop in circulation. The removal of these restrictions, together with the reduction of work in various war agencies, has produced a marked revival and a very much increased burden on the staff particularly noticeable at the Central Library where the circulation has increased by 961 over the previous year. Although the Branches are at present extremely active, losses in circulation for the year were 2379 at East Milton and 946 at Mattapan. The Russell Reading Room ended the year with a gain of 32. The total circulation for the year was 150,347 volumes, a per capita use by the Town of 6.8.

Through the assistance and cooperation of the Girl Scouts and Boy Scouts under the direction of Mrs. Robert S. Edwards, Mrs. Walter Aylward and Mr. Laurence Engdahl, about 100 books have been delivered to shut-ins. This service, very much appreciated, would not have been possible without their help.

A card of welcome and circular letter has been delivered to each discharged service man when he reported to the Draft Board, stating what the Library has to offer in vocational books or pamphlets on veteran's legislation, the G. I. Bill of Rights, educational opportunities and rehabilitation.

Hundreds of pounds of magazines have been collected and distributed to men in the service through the Boston Seamen's Friend Society and the Massachusetts Citizen's Committee, as well as 1254 books to the Victory Book Committee, Russian Relief, the Chelsea and Cushing Hospitals and the American Red Cross. Six chests of children's books have been shipped through the cooperation of the Women's Council for Collecting Books for Children in the Devastated Areas with the help of the Public Schools and Milton Academy, and have gone to Norway, Belgium, England, China, the Philippines and Holland.

REPORT OF TRUSTEES OF MILTON PUBLIC LIBRARY

The Library is glad to extend to the citizens of the Town the use of the Committee and Assembly rooms. During the year those rooms were used 241 times by 29 different organizations.

An important part of the Public Library work is the selection and purchase of reading material, and one that is much handicapped by lack of funds. A total of 2406 books has been bought at a cost of \$2,748.71 from Town appropriations, \$709.50 from the income of invested Trust Funds and \$308.94 from Oakland Hall Fund. The Library has been fortunate in acquiring 250 additional volumes through gifts.

With the advent of peace, a very active year is anticipated and the need of an addition to the Central Library will become more pressing. Costs of books, binding and supplies of all kinds have increased. The Town has been asked to appropriate the sum of \$29,453.00 for the coming year. The slight increase is to cover these additional costs, an adjustment in compensation for the staff and for repairs and maintenance postponed during the war.

Respectfully submitted,

CARLETON R. RICHMOND, Chairman,
FRANK E. LANE, Treasurer,
STANLEY CUNNINGHAM, Secretary,
JAMES F. BALLARD,
C. RODGERS BURGIN,
RUTH E. PIERCE,
ROGER L. SCAIFE,
ELIZABETH M. SHELDON,
ROGER WOLCOTT,

Trustees, Milton Public Library.

REPORT OF THE SEWER COMMISSIONERS

REPORT OF THE SEWER COMMISSIONERS

January 1, 1943.

The Board of Sewer Commissioners makes the following report of operations of the Sewer Department during the year ending December 31, 1945.

General

Population by the Assessors' Census of 1945	21,800
Estimated length of streets of the town (miles)	90.00
Percentage of length provided with sewers	50.82%
Method of disposal	Metropolitan System

Collection Mains

	For Sewage			
	Town-built Sewers	Privately- built Sewers	Total, Town and Private	
Linear Feet:				
Total, Dec. 31, 1944	238,822.6	21,305.7	260,128.3	700 (storm overflow)
Extended, 1945	637.1	637.1	
Total, Dec. 31, 1945.....	239,459.7	21,305.7	260,765.4	
Miles	45.352	4.035	49.387	

Number of manholes	1,396
Number of inverted siphons	3
Number of storm overflows	1
Number of emergency overflows	7
Number of automatic pumping stations	3
Linear feet of force main (8")	2,236.7
Linear feet of force main (12")	960.6
Number of gate chambers on force main	1

House Connections

Number made during the year	60
Includes connections laid from sewer to house (completed)	58
and connections laid from sewer to side line of street only (incomplete)	2
Number relaid during year	6
Number of stoppages coming to the notice of the department	44

Discharge of Sewers

Estimated population using the sewer system	18,058
Number of buildings connected	4,029
Includes:	
No. of buildings connected as of Dec. 31, 1944	3,971
No. of buildings connected completely from sewer to house during 1945	56
No. of buildings connected from end of house connection previously run out to side line of street only	2
	4,029

REPORT OF THE SEWER COMMISSIONERS

Financial

Total cost of collection mains to December 31, 1945, (including the East

Milton sewer and drain through Babcock Park district) \$1,081,125.41

Bonded debt at date (including East Milton sewer and drain bonds) 68,000.00

Average rate of interest on bonds 1.548%

For details of sewer construction and maintenance accounts, reference is made to the Financial Report compiled by the Town Accountant, as shown elsewhere.

The sewer extensions made during the year were as follows:

Street	Size of pipe	Length (feet)	No. of M.H.'s
GRANITE AVENUE (E'ly side)			
from Emerson Road, Northerly	8"	358.8	3
PLEASANT STREET			
from McKinnon Avenue, Southerly	8"	123.2	—
VICTORY AVENUE			
from Milton/Quincy Line to end	8"	155.1	1
Total		637.1	4

Respectfully submitted,

FRED Y. MARSHALL,
JAMES F. CAMPBELL,
S. CUNNINGHAM,

Board of Sewer Commissioners.

REPORT OF HIGHWAY DEPARTMENT

REPORT OF HIGHWAY DEPARTMENT

Milton, Massachusetts, January 10, 1946.

To the Honorable Board of Selectmen:

I herewith submit my annual report for the year ending December 31, 1945.

The Highway Department has carried on its regular activities together with many special jobs such as salvage work, collecting waste paper and tin cans periodically, as well as supplying men and trucks for the Clean-Up Week Committee. These interruptions have interfered with our regular work and caused delay in accomplishing the full program as planned in the spring.

There were three Betterment Streets carried over from last year. They were Clifton Road, Ferncroft Road and Pagoda Street and Circle. Because of the two months delay to complete these roads, we were unable to get started on Eliot Street which was listed on our Permanent Construction Account. It was so late in the season when this work could have been started that it was considered advisable not to open this road until it could be carried through to completion.

Because the war with Germany and Japan ended this year, more men have been available and we have filled the places of men who left by returning veterans.

The following listing of accounts shows the amounts appropriated, the amounts expended and the balances:

Account	Appropriations, Transfers and Balances from 1944	Expenditures	Balances
Highway—General Expense:			
Appropriation	\$84,080.00		
Transfers	8,300.00		
	<u>\$92,380.00</u>	\$92,380.00	
Drainage	7,000.00	7,000.00	
Permanent Construction	19,600.00	790.25	\$18,809.75
Private Work	1,500.00	1,500.00	
Crown Street	3,900.00	3,900.00	
Denmark Avenue	8,100.00	8,100.00	
Essex Road	4,900.00	4,900.00	
Greenleaf Road	3,500.00	3,001.24	498.76
Holborn Street	3,500.00	3,500.00	
Rockwell Place	2,800.00	1,950.37	849.63
Victory Avenue	1,600.00	1,216.49	383.51
Wildwood Road	4,100.00	4,100.00	
Clifton Road: '44, \$9,196.58; '45, \$538.42..	9,735.00	9,735.00	
Ferncroft Road: '44, \$4,794.20; '45, \$3,802.95	8,597.15	8,597.15	
Pagoda Street & Circle: '44, \$8,456.40; '45, \$973.60	9,430.00	9,430.00	
Chapter 90: Appropriation	\$ 900.00		
Temporary Transfer	<u>1,800.00</u>		
	2,700.00	2,700.00	

REPORT OF HIGHWAY DEPARTMENT

Adjusted Compensation:

Appropriation	\$11,000.00		
Transfer	964.43		
	11,964.43	11,964.43	
New Equipment	13,443.85	13,431.88	11.97
Granite Avenue Bridge	4,022.00	3,892.13	129.87

General Expense

All types of highway work are done out of this account such as road and sidewalk repairs, fence repairs, cleaning and repairing of drains, curbing, grass plots and about every conceivable kind of job required of a Highway Department.

Some of the major repair work was the resurfacing of a section of Hillside Street at a cost of \$325.74. Smith Road was repaired where the action of the frost had heaved the roadway. This was cut down, leveled and a covering of asphalt and stone chips applied. \$112.72 was spent to do this work. Squantum Street, between Granite Avenue and Antwerp Street, was resurfaced with asphaltic concrete. The old macadam surface on this street was badly broken and out of shape because of the large amount of trucking due to the war. This work was done at a cost of \$395.11.

We seal coated with tar, T-5, Harland Street from Hillside Street to the M.D.C. line and the entire length of Governor Stoughton Lane. We also put a tar cover on Decker Street, State Street, Buckingham Road, Glendale Road, Elton Road, Clark Road, McKinnon Avenue and Hope Avenue. Some of these streets were Betterment Streets surfaced with war material which was a tar mix. The surfaces had begun to disintegrate so that a seal coating treatment was necessary. Later in the season we did a portion of Cary Avenue, Hillside Street from Randolph Avenue to the M.D.C. line and the entire length of Reed Street with cutback asphalt and pea gravel used on the last two and cutback asphalt and pea stone on Cary Avenue. These made a very satisfactory cover.

In sidewalk repair we covered with bituminous concrete approximately all the old granolithic walk on Granite Avenue between Squantum Street and East Milton Square. This job cost \$535.19. On Edge Hill Road between Westvale Road and Otis Street a resurfacing of the old amiesite walk was done and several driveway aprons repaired. This was necessary because of the dangerous condition of the old surface. There were numerous other small repairs where slabs of concrete had been lifted by tree roots. These were removed and asphaltic concrete was used to replace the cement.

This year we purchased a new roadside tractor mower. This machine did a wonderful job in much less time than was possible with the old mower. All the main thoroughfares were mowed twice so that no ragweed, which is so offensive to many people, grew on the public ways.

There are 1505 catch basins in Town. It is getting to be a major problem to keep them cleaned and in good working condition. Most of the sand used on the streets during the winter months washes into these basins during heavy rain storms. They are also a catch-all for all kinds of rubbish spilled along the roads and all this material must be spooned out and carted off. This job is getting to be so costly that in the not too distant future it will be necessary to purchase a catch basin cleaning machine to take the place of the large crew of men who are doing this work most of the year.

Every year there is a great deal of Hallowe'en damage done, mostly to street signs, and this year the cost of repairs and replacements was \$108.91.

REPORT OF HIGHWAY DEPARTMENT

The money for snow and ice is included in our General Expense Account and this year there were several severe storms causing an unusually large amount of snow. The Town owns six small and three large trucks with plows and seven or eight more were hired from the outside. There was no time during any of these storms that our Fire Department could not get to any part of the Town and when the storms ceased our roads were open so that the doctor, milkman or provision truck could get to any place in Milton.

Drainage

Most of the Drainage Appropriation is used between January first and April. This year at a cost of \$6860.51 we installed a 24-inch concrete pipe through an easement on land owned by Mrs. Sutermeister from a brook near Blue Hill Avenue to Canton Avenue, thence along Canton Avenue for a distance of 328.30 feet to a point opposite Mrs. Sutermeister's driveway and then continuing along Canton Avenue with an 18-inch concrete pipe for a distance of 43.20 feet. At this point we installed two catch basins to arrest the storm water

Another small drain was completed on Hinckley Road to relieve a flooding condition which has existed for several years. We also put in a short extension to an existing drain on Valley Road which improved a low wet area there.

Permanent Construction

The only work done out of this account was to install some radius curbing on Eliot Street at Central Avenue, replace some of the sidewalk and make entry on a curve, taken at the 1945 Town Meeting, by excavating for a stone wall. Before any of the masonry could be done on the wall the cold weather arrived and the work had to be abandoned until spring. The balance of this account will be carried over to 1946.

Street Betterments

All Betterment Streets were completed this year except for the grass seed which will be sown early in the spring on Denmark Avenue, Rockwell Place, and Victory Avenue.

The following list shows the 1945 Betterment Street appropriations and the balances to revert to the Town.

Streets	Appropriations	Expenditures	Balances
Crown Street	\$3,900.00	\$3,900.00	
Denmark Avenue	8,100.00	8,100.00	
Essex Road	4,900.00	4,900.00	
Greenleaf Road	3,500.00	3,001.24	\$498.76
Holborn Street	3,500.00	3,500.00	
Rockwell Place	2,800.00	1,950.37	\$849.63
Victory Avenue	1,600.00	1,216.49	\$383.51
Wildwood Road	4,100.00	4,100.00	

Chapter 90

This year the Massachusetts Department of Public Works together with the Norfolk County Commissioners matched the Town Appropriation of \$900.00 which gave us \$2,700.00 for our road seal coating program.

We covered the entire width of Brook Road from Adams Street to Centre Street with RC-5 cutback asphalt with ½" stone, using about 30 lbs. per square yard, and the same material was used on Randolph Avenue from Artwill Street to Adams Street. This used all of the Chapter 90 money.

REPORT OF HIGHWAY DEPARTMENT

New Equipment

All the new equipment allotted to this department was purchased by the obtaining of Federal priorities and all priorities applied for were granted so that all the new equipment has been delivered.

The new Mack truck, because of its size and power, is very much appreciated by this department.

The belt loader is giving wonderful service. During storms when sand ballast has to be loaded onto all the trucks this machine can load them so quickly they can be on the road in less than 60 minutes.

The new mower is a four wheel tractor equipped with a five foot cutter bar for mowing grass and this cutter bar can be removed and a rotary road sweeper put in its place. This will enable us to clean the streets so much more quickly and efficiently that it is one of our most needed pieces of equipment.

Conclusion

The employees of the Milton Highway Department have been loyal to their work all during the war and at this time I would like to thank them for their cooperation. Our Highway work is so correlated with the other Town departments that it is gratifying to see the very cooperative spirit that exists between the men of all the departments. I wish to thank the Department heads and the men under them for the fine assistance they have rendered when we have been called upon to work together. I wish also to thank your Board of Selectmen for your assistance and understanding during the many trying times when problems have arisen.

Respectfully submitted,

FORREST J. MAYNARD,

Superintendent of Streets.

REPORT OF BOARD OF WATER COMMISSIONERS

REPORT OF BOARD OF WATER COMMISSIONERS

Milton, Mass., January 18, 1946.

To the Citizens of Milton:

The cool, rather wet, early summer kept lawns and gardens in good condition without the use of much water. This was directly reflected in our billings and resulted in considerably smaller collections than during 1944. The report of the Superintendent on the following pages shows how materially income was reduced. Surplus as at December 31, 1945, was \$19,518.98, as compared with \$38,715.66 at the beginning of the year.

It is interesting to note from the following figures the effect of the war years when few main installations were made and no bonds issued. The small amount of construction done was paid for out of receipts.

	1941	1942	1943	1944	1945
Bonds Issued	\$ 30,000	None	None	None	None
Bonds Retired	45,000	\$ 47,000	\$ 47,000	\$ 45,000	\$ 43,000
Interest on Bonds	12,896	11,664	10,231	8,836	7,493
Bonds Outstanding 12/31 ...	410,000	363,000	316,000	271,000	228,000

In the past five years the Department has retired \$227,000 in bonds and at the same time paid interest charges of \$51,120, both from Water Department receipts without rate increase. Even now retirement and interest account for one-third of our total expenditures.

It has been, and continues to be, the policy of the Board to operate the Department on a pay-as-you-go policy so far as it can consistently be done without a fluctuating rate schedule.

The by-law passed by the Town last March provides that developers of subdivisions pay for the entire cost of main installations in newly-opened areas. This will relieve the bond burden with which we have had to contend, although it is not expected to eliminate it entirely.

There will be years when the need for extensions, which are revenue-producing, but are not in new subdivisions, or for reinforcements to the system, cannot be paid for in full out of current earnings. In these instances a request will be made to the Town for authority to issue bonds.

We know, however, that the amount of such bonding will be materially less than if the by-law referred to was not in force.

Respectfully submitted,

ERNEST E. ERICKSON,
JOHN B. MOORE,
PAUL F. DUDLEY,

Board of Water Commissioners.

REPORT OF WATER DEPARTMENT SUPERINTENDENT

REPORT OF WATER DEPARTMENT SUPERINTENDENT

Milton, Mass., January 16, 1946.

To the Board of Water Commissioners:

The report of Water Department activities for the year ended December 31, 1945, is submitted herewith.

Following this report are pages containing tabulations of departmental receipts and expenditures, distribution data and a chart which pictures the financial transactions.

Main Extensions

Although War Production Board regulations permitted Water Departments to do a considerable amount of construction and made the purchase of materials easy, lack of labor prevented us from doing any except a few small jobs.

An eight-inch reinforcing main was laid across the parking area at the Milton Rapid Transit Station, and a ten-inch pipe was installed in Central Avenue between Clapp and Thacher Streets

Several applications for main installations have been received. Some of these will be in new developments and will be installed at no expense to the Town as provided by vote of the Town at the last March meeting.

The labor situation is extremely critical, and unless it improves by Spring, it will be necessary to have the work done with the aid of rented equipment.

Maintenance and Operating

It had been planned to continue our program of cement-lining mains in the ground, but lack of labor prevented doing any of this work last year.

Accounts Receivable

The following outstanding balances were shown on our books as at December 31, 1945:

Sale of Water	\$ 8,769.26
Service Installations	400.77
Sundries	7,683.99
Liens Added to Tax Bills	623.33
Tax Titles	703.50
Total	<u>\$18,180.85</u>

I am glad to be able to express in this manner my appreciation to the Board of Water Commissioners for their counsel and support, to the other Departments of the Town for their most helpful cooperation and to the employees of the Water Department, without all of which we would have been unable to keep the service we render to the consumers on a high plane.

Respectfully submitted,

WILLIAM P. MELLEY,
Superintendent.

REPORT OF BOARD OF RETIREMENT

REPORT OF BOARD OF RETIREMENT

Milton, Mass., January 22, 1946.

To the Honorable Board of Selectmen:

The report of the Board of Retirement activities for the year ending December 31, 1945 is submitted herewith:

At the 1945 session of the Massachusetts General Court the contributory retirement laws relating to public employees of the Commonwealth and its various political subdivisions were revised and liberalized. The new liberal provisions became effective January 1, 1946, and apply to all town employees who are active members of the Town of Milton Retirement System on that date or who become members thereafter.

Commencing on that date deductions for the Retirement System are five percent of the employee's total regular compensation, and are no longer limited to five percent of the first \$2600.00 of regular annual compensation as heretofore.

Any member classified as a fireman or a policeman may retire for superannuation at any time after attaining age fifty-five but not later than age sixty-five. Any other member may retire for superannuation after attaining age fifty-five but not later than age seventy.

Members now have the choice of three options under which they may retire.

As a result of changes in the legislation the amount of money to be appropriated by the Town for the use of the Board of Retirement in 1946 will be \$14,752.00 against \$20,766.56 raised in 1945.

During 1945 twenty-three new employees became members of the system, twenty-one in Group I and two in Group II. Seven members left the employ of the Town and withdrew from the system. No members were retired during the year.

FINANCIAL STATEMENTS

REPORT OF TOWN ACCOUNTANT

REPORT OF THE TOWN ACCOUNTANT

Milton, Massachusetts, January 19, 1946.

To the Honorable Board of Selectmen:

I herewith submit the report of the Town Accountant for the year ending December 31, 1945, arranged as follows:

1. Detailed accounts of all moneys received by the town as classified in accordance with the requirements of the Division of Accounts of the State.
2. Details of all departmental accounts showing the appropriations, credits, expenditures and balances. The expenditures are classified in accordance with the requirements of the Division of Accounts.
3. Balance sheet as of December 31, 1945, showing debit and credit balances on all open ledger accounts.

All original bills and vouchers on which moneys have been paid from the treasury for the year ending December 31, 1945, and all Trust Funds in the custody of the Town Treasurer and Library Trustees have during the year been examined and found to be correct.

Respectfully submitted,

FRED N. KRIM,

Town Accountant.

William B. Weston Bequest

The \$6,000 Hospital Fund left with the Massachusetts Hospital Life Insurance Company, with accrued interest to December 31, 1945, now amounts to \$17,928.02, income for the year having been \$351.53.

The \$15,000 Poor Fund left with Francis C. Welch, Trustee, is held in the Weston Estate, the Boston Safe Deposit & Trust Company now being Trustee. Copy of the Will is in the custody of the Town Treasurer.

REPORT OF TOWN TREASURER

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1945 \$211,913.75
This Fund is held by the Town Treasurer in accordance with Chapter 82,
Sections 15-18, of the Public Statutes.

Mary L. Peabody Fund

Amount held December 31, 1945 \$5,574.11
The clause under which this bequest is given is as follows: "To the Select-
men of the Town of Milton, Massachusetts, \$5,000 to be invested and the
income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held December 31, 1945 \$9,660.31

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All the rest, residue and remainder of all the moneys remaining in the hands
of said Executor or Administrator, I direct shall be divided into three equal parts.
.

"The second of said parts shall be paid to and deposited with the Treasurer for
the time being of said Town of Milton, the same to be received, held and invested
by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof
shall be applied to the preservation, care, improvement, or embellishment of the
said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same
shall be applied by the proper legal authorities to or towards laying out, improvement
or ornamentation of a Public Park or Parks in said town, in such manner as said
authorities may deem advisable.

"I make the foregoing bequests in favor of....., the Cemetery and the
Parks in said Milton, both on account of the deep interest taken by my father, the
late Jason Reed, deceased, in the affairs of said town, and of my own profound desire
for the welfare of said town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1945 \$2,626.67

Sarah G. Vose Fund

Amount held December 31, 1945 \$1,170.63

E. G. Tucker Fund

Amount held December 31, 1945 \$1,168.48

Herrick Fund

Amount held December 31, 1945 \$8,000.00

Charles T. Pierce Fund

Amount held December 31, 1945 \$1,355.51
Charles T. Pierce, late of Brooklyn, N. Y., and Greenwich, Conn., bequeathed
to the Milton Cemetery the sum of \$1,000.00, "the income to be used for
the care of my family lot."

REPORT OF TOWN TREASURER

Mary L. Peabody Cemetery Care Fund

Amount held December 31, 1945 \$1,275.72

Oakland Hall Fund

Amount held December 31, 1945 \$12,242.42

The income from this Fund is paid out under the direction of the Trustees of the Public Library for purposes of the Mattapan Branch Library.

Tuell & Hallowell Good Citizenship Prize Fund

Amount held December 31, 1945 \$1,219.04

EXCERPT FROM SCHOOL COMMITTEE RECORDS—SEPTEMBER 10, 1923

The Chairman presented to the Committee the following correspondence:

"To the School Committee of the Town of Milton:

"The Tuell Alumni Association herewith presents, through your Board, to the Town of Milton, the sum of One Thousand Dollars (\$1,000) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown in the highest degree, those qualities that make for good citizenship; the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School, who, in the opinion of the above said faculty has shown similar qualities.

"The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year."

PERCY E. SHELDON,

President, Tuell Alumni Association

June 22, 1923.

Nathaniel T. Kidder Fund

The following is an extract from the will of Nathaniel Thayer Kidder. Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of twenty-five thousand dollars (\$25,000), in Trust . . . the income only of which shall be paid at such times as the Trustee may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

FINANCIAL STATEMENTS

REPORT OF THE SCHOOL COMMITTEE

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Milton:

The School Committee herewith submits its report for the year 1945.

The School Committee wishes to express its appreciation of the fidelity and sincere interest manifested by the entire personnel of the Milton school system. Their loyalty is exhibited, not only in their professional duties, but in the many civic and war-time responsibilities which they so willingly assumed.

Handwriting System

The Rinehart Functional Handwriting System adopted last year to improve and modernize penmanship in the elementary grades has been extended through the Junior High School grades. The results obtained have received the commendation and enthusiastic approval of parents, teachers, and the pupils themselves. The excellent results have warranted the continuation and extension of its advantages to students in the Junior High Schools. This allows the elementary school pupils entering Junior High School to continue penmanship in their curriculum.

Fire Inspection of the School Buildings

By request of the School Committee and in accordance with Chapter 143 of the General Laws, all Milton school buildings were officially inspected throughout by Building Inspectors of the State Department of Public Safety, Chief of the Milton Fire Department, Milton Building Inspector, and School Officials.

All buildings were found in a safe and sound condition. Several recommendations and minor improvements were carried out.

School Accommodations

In view of schoolhouse accommodations that may be required by future growth of the Town, the School Committee has created a sub-committee to confer with appropriate Town officials, departments, and groups to study the probable needs.

Retirements and Resignations

During the past school year the Milton School Committee accepted with sincere regret the retirement of several loyal and outstanding teachers who have been in the school system many years, namely:

Miss Bertha N. Meserve, Head of the English Department in the High School—forty years of service.

Miss Carrie E. White, Supervisor of Music—thirty years of service.

Mr. Sherman R. Ramsdell, Head of the Science Department in the High School—thirty years of service.

Miss Helen M. Jackson, Cafeteria Manager at the Cunningham Junior High School, resigned after twenty-three years of service; Mrs. Lillian E. Moodie, Assistant, after ten years of service.

Returned Veterans of School Personnel

The School Committee welcomes the return of members of the school personnel who have served with honor in the armed forces of our country:

Captain Lucy J. Ramsdell, United States Army Medical Corps

Captain Harold L. Bisbee, United States Army Air Corps

Lieutenant Arnold G. Adams, United States Navy

Lieutenant Otis B. Oakman, Jr., United States Navy

REPORT OF THE SCHOOL COMMITTEE

High School Military Service

It is with justified pride too that the School Committee recognizes the part played by Milton High School boys and girls in World War II. 1424 young men and 98 young women from the school were in our country's service by land, sea, and air, all over the world. Forty-two gave their lives; three are still listed as missing.

Appropriation for 1946

The School Committee, after careful and extended consideration of the estimated amount required for support of schools for the year 1946, unanimously recommends the sum of \$411,170. This is an increase of \$11,540 over the 1945 budget and is principally due to salary schedules and the return from military service of regular school personnel replacing military substitute teachers.

Adjusted Compensation

The School Committee recommends the continuance of adjusted compensation to all school employees, as voted by the Town to all Town employees.

Gifts

The School Committee acknowledges with appreciation receipt of the following gifts:

High School

\$100 for Memorial in memory of alumni who have and will give their lives in World War II—Class of 1945.

Collicot School

\$ 3—Social Service League.
\$ 16.75—Red Cross.
\$ 25—Tucker School Association.
\$ 45—East Milton Neighborhood Club.
\$200—Milton Woman's Club.
\$750—Milton Salvage Committee.

Tucker School

Motion Picture Projector—Tucker School Association.

Vose School

Air Age Globe—Vose School Parent-Teacher Association.

REPORT OF THE SCHOOL COMMITTEE

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Milton School Committee:

This is my twentieth annual report on the condition of the public schools in Milton.

It is a cause of great satisfaction that in the year covered in this report and in the period immediately preceding, the schools were able to meet adequately what was probably the greatest demand ever put upon them. High school pupils who expected soon to meet personally the requirements of modern war were given opportunities to expand their educational development beyond the offerings of the usual peace-time program, and acquired specific preparation for military service. In the tense and oftentimes confusing war-time conditions, and under the pressure of numerous drives and unusual activities, the schools maintained a steadying influence through the teachers in the daily routine that neutralized those forces which tended to affect unfavorably the mental health of children who came each day from homes overburdened with disturbing problems of living.

In Milton schools as in many other school systems the war period has generated a greater appreciation of the need to develop ability to do things along with the acquisition of academic knowledge. Half a century ago the educational program was geared almost wholly to "book learning." Some forms of manual training were gradually brought in to provide for pupils who could not keep up with the academic pace. Commercial training came in response to a demand for office workers. More recently the pre-induction courses have come into the curriculum as a practical application of physical and mathematical sciences and under different name their content will be retained to meet a definite need. The time is near when the traditional prestige of academic learning will give way to the recognition of the value of full educational development in whatever fields it may be acquired. Prestige will be accorded for the degree of skill by which a pupil makes use of his knowledge. A guidance program adequate to meet the needs of pupils and their parents is essential to insure the highest returns on the investment in education of this scope. In these post-war years the opportunity for broad educational development for every child limited only by his own capacity will stand out as the foremost general policy in the public school program.

The unprecedented events that have staggered the world during the past five years have shown how totally inadequate is education in mind only. The statement of a president some forty years ago that, "a man educated in mind but not in morals is a menace to society," stands out in high relief against the background of living today. Education in Germany was second to none in efficiency; this generation of Germans now stands convicted before the court of world opinion as second to none in infamy. Our teachers have always tried to inculcate in their pupils the principles of good citizenship and behavior. By both example and teaching, the development of sound individual integrity of character goes on in our schools. Beyond this moreover an interesting character education activity that has developed in one classroom is attracting attention from other parts of the country. Because of the nature of this phase of teaching it can be carried on only by competent, understanding, well-balanced teachers; it may be either counter-acted or promoted by outside influences in the home or community. Publicity in regard to it may be detrimental.

More important for us at this time than what has been accomplished is the need to agree upon the most important next steps beyond the routine items of education, operation of school plant, or maintenance. For this purpose I submit these recommendations for your consideration and action in the current year:

REPORT OF THE SCHOOL COMMITTEE

1. General education of youth has been the subject of investigation, study, and report by outstanding authorities in the field. There will be forthcoming the results of careful review of these reports by committees of our high school faculty. I recommend that our secondary school program be re-constructed in keeping with the best thought as to the needs of Milton youth in the immediate future.
2. In our elementary schools there is need of co-ordination of activities without regimentation, of such supervision as will make available to all schools the best teaching that goes on in each school, and of expanded visual education service. I recommend election of a supervisor to be assigned to work in this field of elementary education.
3. I call to your attention the need of an assembly room at the Mary A. Cunningham Junior High School. For three years in the school life of each pupil at this school there is lost the moulding influence that comes from frequent assembly of the school body, and participation in large group activities. All pupils at the Central Junior High School have this privilege. The limited building appropriation in 1935 made it necessary to omit construction of the assembly hall for which specific plans were drawn and paid for. I recommend that the much needed room be built.
4. I recommend that chest X-ray examinations, now required only of new employees, be extended to all school personnel.

With the foregoing comments, I am pleased to submit also in the following pages the reports of principals and others who are entrusted with specific activities in the school system. Their work is well done; their reports merit your study. The usual statistics are assembled in the appendix.

It has been a source of pleasant satisfaction to me to work under the direction of your Committee and with the principals, teachers, and other employees in the schools.

Respectfully submitted,

HORACE F. TURNER,

Superintendent of Schools.

January 15, 1946.

REPORT OF THE SCHOOL COMMITTEE

REPORT OF THE PRINCIPAL OF THE HIGH AND CENTRAL JUNIOR HIGH SCHOOLS

My dear Mr. Turner:

During recent years the spectre of war has haunted much of our secondary school work. However, since young people seem to thrive on thrill life, adjust themselves easily, and rarely exhibit disturbing after-effects, their school life has not been too seriously disrupted. As youths change rapidly themselves, they are geared to respond quickly to a changing environment.

Now that the war is over, the problems of peace have avalanched upon us with implications which are legion. The prewar schools were never considered perfection, even by their contemporaries; and now with society definitely trending toward a broadening concept of international organization, education must change accordingly.

One aftermath of war which affects the schools is the crumbling of the false foundation of economic prosperity. Much time is required, not only to reconvert industry to peacetime construction, but also to re-establish men in normal activities which are ever changing. The schools also are in this period of recuperation. There is much transition, and, consequently, much waiting. Militant patriotism is no longer a unifying force. Fear of bombs no longer makes neighbors neighborly. Waiting provides time for bickering and class turmoil. Perspective is just as easily lost in victory as in defeat.

In this transition period, therefore, it is very important that young people develop correct civic attitudes. The schools ought to inculcate effective community-mindedness. Probably the town of Milton itself is relatively very mildly disturbed by group cliques and cleavages. However, most of our school pupils are destined to study, to work, and to live in other communities. It is highly important that they exert a powerful influence toward intergroup goodwill, and that they work to efface employment distinctions based on wealth, racial heritage, or national background. In a polyglot country which has developed as a haven for religious freedom, it is essential that the public schools foster, not religious unity, but a spirit of civic brotherhood and co-operation. The goals are in the same direction. The road routes of attainment must be nearly parallel.

The recent surge of an excessive number of our girl graduates toward a collegiate education creates a problem. Although during the past two years business offices and industry were offering attractive financial inducements, very few girls were willing to accept employment. The local trend toward women's colleges was part of a national current which deluged admission officers with many applications for each available space. Only co-educational colleges with curtailed enrollments of men were able to ease the situation, but they will not be able to offer such vacant facilities next September. Current data in Milton indicates that the surge has not yet abated.

The war has had an even more marked effect on the situation facing boy graduates. Last June the eagerness of business organizations to employ boys was very evident. The boys, as well as the girls, were apathetic to employment. They preferred either to enlist in order to obtain a particular branch of military duty or to enroll in colleges even for a brief duration. The impending contingency of military service was uppermost in the minds of these boys. They had little interest in long range plans. The immediate days were all-important to them. The entire high school course of these boys was during war years—abnormal years. During the four years in which a boy changes more and grows faster than at any other period in his life, he saw youthful brawn evaluated immeasurably high. The boys who did go to college experienced a different reception from that given the girls on college campuses empty of male civilian students, they were welcomed with

REPORT OF THE SCHOOL COMMITTEE

enthusiasm. No artificial hurdles were placed in their paths. There was even a tendency not to adhere rigidly to specified academic requirements. However, the situation has changed radically. Although recent reports and surveys indicate that college admission in the future will be based more on the attainment of general intellectual power than on the acquisition of certain specified subjects, the influx of hordes of G. I. entrants to the halls of learning will necessarily restrict the facilities which will be accessible to those now in high school. The boys who will graduate next June are finding acceptance at college very difficult because of competition from veterans.

During the past four months the school office has been flooded with veteran graduates who have come to obtain guidance and scholastic records for use in connection with G. I. educational rights. On the list of diplomas to be awarded this coming June there will appear the names of numerous former students who have attained sufficient supplementary educational achievement in military service to warrant high school graduation. Termination of active hostilities has increased the number of letters received from former students who wish to study high school subjects in far away lands. Our recognition of USAFI courses and other regularly established service schools facilitates this work. It is my belief, however, that such liberal interpretation of local high school education should be considered a wartime measure only. In fact, such extension of school recognition would not receive the sanction of accrediting authorities during normal times. It is recommended, therefore, that the granting of one semester credit for military service to pupils currently in Milton High School be discontinued since selective service regulations permit a high school undergraduate who does satisfactory work to remain in school until his twentieth birthday.

In an endeavor to adapt the education of youth to the changing needs of society, colleges and educational associations throughout the country have been concentrating in reflective deliberation to the end that content selection, modes of teaching, and time emphases on all school work be ever made more consonant and contributory to democratic principles and functions. War exigency compelled co-operation in diverse matters and accentuated the interdependence of all men. It also enhanced among our cultural leaders a firm belief that mass cultural and economic elevation is necessary to insure progress and national survival.

The secondary schools ought to meet this challenge. In response to the demands of the times, a Program of Studies Committee of teachers is at work this year in the high school holding weekly hearings and studying the needs of our local community. Innovations and utility courses instituted under war duress need to be carefully scrutinized before they are retained or abandoned. As soon as a revised general program of studies is adopted, each study will be subjected to a similar scrutiny with modifications or enrichment as major objectives. It is especially important that the high school offering be frequently screened, for not only are secondary school years responsible for one-half of public school education, but they are critical years—fulcrum years. The schooling must be both terminal and preparatory. Important decisions are made during these years. Work habits may be fixed, society attitudes established, and a vocation selected. It is important not only that high school education be maintained on a high plane but that it be sufficiently varied to meet the broad academic abilities of an expanded clientele, and sufficiently fluid to adjust itself easily to the growing demands of a populace constantly ever more mass education conscious.

Within the year the Massachusetts Department of Education has established a high school equivalency certificate for those young people in the state whose formal school work does not justify a local high school diploma. Achievement tests may be used to determine the mental status of the applicants, and a certificate is granted or a course of study prescribed. This plan is not designed primarily for veterans for whom another program at teachers' colleges is in operation. Although the de-

REPORT OF THE SCHOOL COMMITTEE

partment works in close conjunction with local high school principals, it aims to relieve high schools of the pressure for unorthodox recognition of adult education.

Although much of the vital development nurtured in high school is not subject to objective measurement, as for instance the growth in civic awareness, the bulk of school time is spent on activities whose results can be very specifically tested. World War I saw the birth of the testing movement in schools. World War II has witnessed its rebirth. During the past ten years, however, standardized tests have been used very infrequently in Milton. An aptitude testing program to reveal innate strength or weakness for guidance and classification purposes obviously facilitates intelligent decisions and placements. However, most people prefer the trial and error method when it concerns their immediate family. I am mainly interested in a battery of standardized achievement tests in all basic subjects to be administered at the beginning and end of each year. Pupils thrive on competition. Pupils need an authentic gauge whereby they may appraise their individual growth in comparison with contemporaries in other environments. Teachers need a national check on their work and a stimulus more valid than local approval and more stinging than local disapproval.

Milton is very fortunate in the ample accessible outdoor recreational facilities available for young people throughout the twelve months of the year. In the long summer vacation adequate organization and supervision is provided. During the remainder of the year individual free play or free enterprise is probably highly beneficial where sufficient outdoor accommodations are nearby.

From November first until April first there is, however, a dearth of indoor recreational activities because there are no specialized buildings allocated to the recreation function and because suitable facilities of the public schools are not used to their maximum capacity when schools are not in session. It is recommended that the facilities of the high school building suitable for recreational activities be operated on a more expansive scale and that a specific program or plan be operated by the school department under its responsibility for civic education.

During the current school year four men teachers are returning to the classroom after extended spans of military duty. These men were gravely missed especially during the early months after their departure. I have reason to believe their military experience makes them stronger as teachers and more valuable to the school. The retention of teachers in the school has been high in the past. Teacher turn-over has been low. Other communities have not raided our corps. Retirements and marriages may soon radically alter our faculty personnel. The teaching must not deteriorate. Effective instruction constitutes the most important factor in a superior school. Real teachers inspire and lead during school hours. They are available and eager to help after school hours. They are guides in extra-curricular activities which seem to have a bearing on future community spirit. We need replacements who are students of their jobs twelve months a year, teachers whose school work is their full time employment.

Within a few months numerous important personnel adjustments have evolved because of the retirement of valued teachers who have been in the schools three decades. These teachers who served so long have left an indelible impression upon the school.

Permit me to thank you and the School Committee for the sustained co-operation and support which have been so helpful during the past year.

Respectfully submitted,

GEORGE C. MARSDEN,
Principal.

January 3, 1946.

REPORT OF THE SCHOOL COMMITTEE

REPORT OF THE PRINCIPAL OF THE

MARY A. CUNNINGHAM JUNIOR HIGH SCHOOL

Dear Mr. Turner:

The Mary A. Cunningham Junior High School will have completed eleven years as a part of the school organization in June, 1946. During this time, there have been nineteen changes in the teaching personnel. For the first two years no changes took place. No more than two changes took place in any one year with the exception of the years 1941-1942 and 1942-1943, when three, then five occurred respectively. This, of course, was brought about by the advent of the war. In the immediate future we can anticipate more changes than heretofore. Women teachers will be leaving our schools to be married to returning servicemen. This, together with a shortage of capable teachers, creates a problem that school administrators must face. Selection of teachers is a time-consuming and exacting task. The classroom experience of every child in Milton depends upon the wisdom used in this selection. Our salary schedule allows us to attract teachers adequately trained and prepared for the job. We must take the time and have the patience necessary to find them.

Probably stimulated by the recent Harvard report on "General Education in a Free Society" a committee has been appointed to make a study of our secondary school curriculum in Milton. This committee will make a report later in the year.

We, in the Cunningham Junior High School, sincerely hope that you and the School Committee will keep in mind our urgent need for an assembly hall. This has been pointed out in my previous reports. Now that materials have been released for building purposes, we hope that this unit will be completed in the not too distant future.

In November of this year, we lost, through resignation, the services of Miss Helen Jackson, our cafeteria manager, and Mrs. Lillian Moodie, her assistant. Miss Jackson had served the school department for over 23 years, Mrs. Moodie for a little over 10 years. I feel that I should publicly acknowledge the fine work that they did in running this important unit within the school organization.

Four years ago we inaugurated a Home Room Guidance Program at the Cunningham Junior High School to be carried on as an integral part of the teaching program under the home room teacher's supervision. This period is one-half hour in length and comes at the beginning of the school day.

1. One day is given over to current events which has for its real objective the acquaintance of the individual pupil with important events as they happen, and the more important lesson of being able to read newspapers and current magazines intelligently.

2. A day is given over to personal or individual guidance. The following are some of the problems discussed:—

- a. Developing self-confidence
- b. How to develop a hobby
- c. Proper dress for church, school, home
- d. Keeping other peoples' confidence; making and keeping friends
- e. Slackness—slang, gum chewing, etc.
- f. Sound health habits

The subjects are many and varied.

REPORT OF THE SCHOOL COMMITTEE

3. A day is given over to an assembly for one grade while the other two grades are devoting their time to:—

a. Make-up work (for those who have been absent or are behind in their work).

b. How to study (doing homework under the supervision and with the advice of their teacher).

4. One day is given to penmanship instruction.

5. A day is given to the use of the library, leisure reading, how to select books, advice on outside reading.

The program, thanks to the cooperation of the faculty, has proved most worthwhile.

Respectfully submitted,

GEORGE L. CAMPBELL,

Principal.

January 2, 1946.

REPORT OF THE SCHOOL COMMITTEE
REPORT ON SCHOOL HEALTH ACTIVITIES

Mr. Horace F. Turner
Superintendent of Schools
Milton, Massachusetts.

Dear Mr. Turner:

During the past year all the pupils, the new employees of the Milton schools, and pre-school children received a physical examination. Dr. Wilhelmina Van Dyke assisted in this work by examining the girls in the Junior and Senior High Schools.

We were very fortunate this year in having a dentist, Dr. John P. Herlihy, to attend to the dental defects of the scholars. I wish to emphasize the great importance of this branch of the medical field and to assure you that this work in Dr. Herlihy's hands was well done.

I made daily medical inspections of the children who were returning to school after illness, as well as of those who became sick while attending school.

The predominating illness with the children, particularly in the lower grades, was, as usual, the communicable diseases. Of all the contagious diseases poliomyelitis is the most alarming. There were five cases reported in the schools. In the individual school rooms the pupils who had this disease had been associated with other children, but there was no physical evidence that it was transmitted to their classmates by contact. This statement will have to be clarified, however, as investigation, both clinically and in the laboratory, has shown that the virus may be present in children who become only slightly ill, perhaps not enough to require the attendance of a physician, and thus the diagnosis of poliomyelitis is never made. In these cases there is no paralysis.

Among the duties of the school physician was attendance at the football games, and I carried out this assignment. The squad was hampered throughout the season by colds. There was one fracture sustained in a game—a fracture of the clavicle.

In my school work I was aided by the school nurses: Miss Frances Croskery the greater part of the year, and later Miss Lucy Ramsdell.

In closing, I wish to acknowledge the valuable assistance extended to me by all the school personnel.

Respectfully submitted,

G. W. WINCHESTER,
School Physician.

January 8, 1946.

REPORT OF THE SCHOOL COMMITTEE

REPORT OF THE SCHOOL NURSE

Dear Mr. Turner:

I wish to take this opportunity to express my appreciation to Miss Frances Croskery for the excellent and faithful work she has given the schools in my absence. The number of defect corrections shows that a great many home calls were made and much "follow-up" work has been done. Teachers, parents and pupils have complimented her on her untiring services to bring about these results.

It was with pleasure that I resumed my work in the Milton Schools on November 5, 1945. Much of the time since then has been spent with Dr. George Winchester, the school doctor, and Dr. Van Dyke in completing the physical examinations.

Defect slips have been sent home to parents to inform them of the defects that were present at the time of the physical examination. May I emphasize to the parents at this time that not all doctors agree as to what is a defect and what is not a defect. Follow your own doctor's advice in regard to the care of your own child.

Sincerely,

LUCY J. RAMSDELL,

School Nurse.

January 14, 1946.

My dear Mr. Turner:

January and February of 1945 saw the second year of the tuberculosis educational and case finding program under the new arrangement; i.e., Dr. George Winchester and Miss Flora E. Knight, Supervising Tuberculosis Field Nurse of the Massachusetts Department of Public Health, applied and read the skin tests (Patch Tests) assisted by Miss E. J. Campbell (Milton Visiting Nurse Association) and myself. This test is to find the evidence of contact with tuberculosis. The X-ray of positive reactors is done by the technician from the Massachusetts Public Health Division of the Tuberculosis Clinic. Pupils of the ninth and eleventh grades (two hundred twelve) were tested; one hundred eight were X-rayed. These included those absent for skin test. The X-ray reports were reassuringly "negative to adult-type tuberculosis." It is recommended that the skin test be dispensed with and all students be X-rayed by the 70 m.m. photofluorographic X-ray unit. Remembering our responsibility in the education of these young people, an experience of chest X-ray for all will lead to the greater use of diagnostic measures and the control of known and new cases of tuberculosis. Of fifty personnel ten were X-rayed; no new cases were found among these ten. A large percent of the personnel and all of the food handlers have had chest X-rays in the last two years. X-rays should be required annually of this latter group. Some had never been X-rayed before, and others had not for several years. The potential hazard is obvious.

The eye testing and retesting was not completed until February. A letter from a physician, following our referral for examination, stated the child needed immediate attention. This demonstrated the point I made in my previous report that the retesting should be accomplished earlier in the school year, though it is im-

REPORT OF THE SCHOOL COMMITTEE

possible with the many demands on the school nurse during this time. On February fifth and eighth, respectively, I spoke at the Parent Teachers' meeting at the Tucker School and Mothers' Club at the Glover School on "Health in the School Program".

The second complete examination of the pupils for pediculosis was completed in April. There were several new cases found. The cooperation of the parents continues to be good. On various occasions during the year parents called to report cases with the idea that if the child did not get the infection in school—which they agreed was possible—he or she might have infected others. This, I feel, is a definite step in the right direction. The bogey that has been associated with such a condition has been dissolved.

The services of Dr. John P. Herlihy as School Dentist were greatly appreciated. There were those defects found in the fall physical examination that had received no attention until the clinic opened in March. Only the most urgent could receive attention, and very little in the way of preventive work could be accomplished. We would do well to appeal to the Division of Dental Health in the Massachusetts Department of Public Health for assistance in a study of our dental needs, as its objectives are: "to stimulate more effective dental care of pre-school and school children; to initiate educational projects in dental health in the schools; to assist in special field studies, and to inspect dental clinics." (See bulletin of Department of Public Health, News Letter Number, Vol. 8, No. 4, November, 1945.) With a comprehensive analysis of our program we can meet the need more readily.

Several cases were referred to Miss J. Birnbaum of the Social Service League. These were particular situations requiring specialized attention. As reprinted in the November bulletin of the Family Society of Boston from Cleveland's paper, "Case work is a profession which helps a troubled person find what is causing his personal or family problems, and to see what he can do to solve them." This is of decided advantage to the individuals and indirectly to the school and community.

The pre-school physical examinations by Dr. George Winchester were arranged on the days of the School Dental Clinic. Dr. John P. Herlihy examined the teeth. The parents had conferences with both physicians. The clinics were carried on through four Tuesdays in May. Ninety-five were examined of the one hundred eighty-nine registered. The others were seen by their family physicians.

Conferences were held with these agencies at various times during the year: Milton Board of Public Welfare, Milton Visiting Nurse Association and Milton Social Service League, Massachusetts Tuberculosis League, Norfolk County Health Association, and Quincy Child Guidance Clinic.

Acute conditions, including the removal of foreign bodies (splinters, specks in eyes), lacerations and contusions (cuts and bruises), appendicitis and fractures, were brought to the attention of the School Physician and directed to the parent, private physician or Milton Hospital, as the case required.

The second annual physical examination of the Fresh Air Room pupils was accomplished June fifth. It is gratifying to see the progress of this group. An analysis of the needs of each child is studied, and recommendations as to whether the child will benefit by continuing in the Fresh Air Program another year or may assume a regular schedule are made by the School Doctor.

In September, Dr. George Winchester examined the boys of the seventh through the twelfth grades, assisted by the personnel of the physical education department.

During this time the nurse carried on examinations for pediculosis. This is not as prevalent as it was in the previous year, but it is still a real problem.

REPORT OF THE SCHOOL COMMITTEE

Dr. Van Dyke examined the girls of the High School, completing the work in October. There are only a few girls who cannot assume the physical education program because of handicaps, such as heart ailments and convalescence from major operations.

The outside school examinations are still being carried on as I write this. Dr. George Winchester and I completed the Glover and Tucker Schools.

One Diphtheria Prevention Clinic of the three scheduled at three intervals started October 22. The nurse assisted Dr. Winchester at the Tucker School and the Vose School, and a Red Cross Nurse's Aide assisted Dr. Rowe at the Belcher School and the Collicot School.

Arrangements were made with the Milton Hospital for the Clinical work necessary for the physical examinations of the new personnel October 16.

I should like to acknowledge with gratitude the use of the supplies of the Civilian Defense Organization. Permission was granted by Dr. Maxwell MacDonald. The blankets and cots are appreciated by the Fresh Air Room, and a stretcher is available to the athletic department.

The assistance of students from the Office Practice classes has been of great value in alphabetizing and filing the records that are kept for ten years after the student graduates. In addition, they have relieved the nurse from the tedious, but important recording of the results of ear and eye tests in the High School. A large part of the nurse's time is involved in secretarial work.

I am sincerely grateful to you and all who have contributed to the health program. In the words of Dr. C. A. Winslow, "Health means more than staying alive. Health means vigor and efficiency and satisfaction in living."

May I express my gratitude also for Dr. Winchester's guidance. I am glad to have had this opportunity to work with him.

Sincerely,

FRANCES L. CROSKERY,

School Nurse, Military Substitute.

October, 1945

REPORT OF THE SCHOOL COMMITTEE

REPORT OF THE SCHOOL DENTIST

Dear Mr. Turner:

Following is the report of the work done at the dental clinics from February 27 through December 11, 1945:

Number of pupils	74
Number of appointments	141
Number of amalgam fillings	144
Extractions	104
Cement Fillings	1
Treatments	15
Cleanings	20
Correcting Occlusion	8
Completed	15

Respectfully submitted,

JOHN P. HERLIHY, D.D.S.

School Dentist.

January 15, 1946.

REPORT OF THE SUPERVISOR OF ATTENDANCE

Dear Sir:

I hereby submit my report as Supervisor of Attendance for the year ending December 31, 1945.

Number of cases investigated	16
Number of calls made	32
Number of court cases	3
Total number of absences investigated	29
Absence due to illness	5
Detention by parent	4
Absence due to truancy	17
Other causes	3

Respectfully submitted,

GLADYS LEWIS,

Supervisor of Attendance.

January 4, 1946.

QUOTATIONS FROM RULES AND REGULATIONS OF THE SCHOOL COMMITTEE

1. Admission to Kindergarten and to First Grade.

Section 45. Children who will be five years old before January 1 of the following year may be admitted to the kindergarten during the month of September. Children who will be six years of age before January 1 of the following year may be admitted at the first grade during the month of September. Provided further that children mentally above the age requirement limit may be admitted to school during the first month of the school year, or later, if their residence in Milton began after the beginning of the school year.

2. Tuition Pupils.

Section 69. Tuition fees at the rate of \$125 (One Hundred Twenty-five Dollars) per year in the High School, \$100 (One Hundred Dollars) per year in the Junior High School, and \$75 (Seventy-five Dollars) per year in the elementary schools shall be paid by non-resident pupils to the Town Treasurer at the beginning of each term. Pupils whose term bills have not been paid at the end of the second week from the time the bills have been rendered shall be required to discontinue their attendance at school.

3. No-School Signal.

Section 61. The signal 2-2 sounded four times on the fire alarm at:
7:15 means no school sessions for all schools for entire day.

7:30 means no school sessions for all schools below the Junior High High School for the entire day.

11:40 means no afternoon session for schools below the Junior High.
This signal will not be sounded if the 7:15 or the 7:30 signal has been sounded.

The 7:15 signal will rarely be sounded, as it includes the closing of the High and Junior High Schools.

Through the courtesy of Radio Stations WNAC, WEEL, and WCOP the no-school signal will be announced at 7:30, 7:45, or 8:00 o'clock in the morning.

The widely varying conditions in the several parts of Milton make it difficult to reach decisions equally fair to all interests. Parents are, therefore, expected to exercise discretion in regard to their own children.
